

Athletic Plant: Regent Stresses 'Patience'

Patience is required in the rebuilding of the University's athletic program, Frank Johnson, University Regent and principal speaker at the Denver Chapter of the NU Alumni Association meeting stated.

He said that the athletic plant is just another important part of a balanced program that the University is now developing.

Johnson also stressed that imagination and firm belief in our state are required in facing up to our responsibilities to maintain and build a first-rate University. He pointed out that the present enrollment of 8,400 will reach 14,000 by 1965.

Chancellor Clifford Hardin was also praised by Johnson. "His humility and belief in the future of Nebraska equal that of our own fine farm families," he said of the Indiana-born chancellor.

Our students can now obtain the best all around education under an environment of strict and clean living conditions that is also traditional in our fine state, according to Johnson.

Ag Dorm Area

The Ag College dormitory area will be developed in the vicinity south of the Activities building. The two buildings forming an "L" at the left center are the Residence Halls for men. At the

lower right is the Residence Hall for Women. The present construction provides for seventy women so that by next fall the housing capacity for women students

will reach about seven hundred-fifty. Dormitories for two hundred and thirty six men are included in the present housing construction.

Ag Campus Developments:

Director Harper Says Housing Projects Progressing Well

By DON HERMAN
Ag Editor
According to W. C. Harper, Director of University Services, the

Ag College housing projects are progressing very well.

The present construction includes dormitories for seventy women and two hundred and thirty six men and forty apartments for married students which consist of thirty one bedroom apartments and ten two bedroom apartments.

At present, University housing on Ag consists of Love Memorial Hall, Loomis Hall and Colonial Terrace with facilities for about 125 women. The men and remainder of the women presently find their lodging at the city dormitories, fraternities and sororities, or in private homes.

On completion of the new Ag Dorms, Colonial Terrace will be designated explicitly as faculty apartments. These are made up of seven - four apartment buildings and four duplexes.

The new dorms and married student apartments are contracted for completion by the fall of 1957, however it is hoped that possibly the women's dorm and the apartments will be finished by June so that summer occupancy would be possible. "At any rate," said Mr. Harper, "the applications for the rooms will not be taken until mid-spring at which time the project will receive ample publicity."

With the extensive housing construction presently under way through the University, the capacity for women students will reach about 750 by next fall where pres-

ently there are facilities for 608 women.

The present expansion plus the existing facilities should nicely satisfy the housing need of the University students for the near future, Mr. Harper added.

The— Inside World

Cosmopolitan Club

The Cosmopolitan Club, a group to acquaint foreign students with students from the United States, is holding a dance in the Round-up Room, Saturday evening at 8:00.

According to Darrina Turner, social co-chairman, the dance is free and anyone can come, not necessarily with dates.

Mildenberger Talk

Dr. Kenneth Mildenberger, associate director of the Modern Language Association of America, will speak at 7:30 p.m. Monday, in Room 203 Burnett Hall. Mildenberger's lecture is entitled "The Role of Foreign Languages in American Education and Life."

The lecture is open to the public and University students.

Married Students Apartments

The apartments planned for married students in the College of Agriculture will be patterned after a similar development at Michigan State University. The

college project will consist of forty apartments located in four buildings. There will be thirty one bedroom apartments and ten

two bedroom apartments. The \$400,000 married student housing project is contracted for completion in the fall of 1957.

Spivak To Play: Dance To Highlight 1956 Homecoming

By GARY FRENZEL
Staff Writer

The culmination of the 1956 Homecoming activities will be the traditional homecoming dance to be held Saturday evening in the coliseum featuring the music of Charlie Spivak.

Homecoming activities will begin at 8:00 p.m. Friday evening with the judging of the homecoming displays. They will be judged by five prominent Lincoln men and women who will be escorted by University faculty members and two members of Innocents Society.

The annual homecoming parade will begin at 9:30 a.m. Saturday morning. The homecoming queen finalists will be featured. The parade will be led by the University ROTC marching band and will consist of house floats, portable displays, and various ROTC drill squads.

All houses are asked to operate their homecoming displays from 11:00 a.m. to 12:00 a.m. Saturday morning for the benefit of homecoming visitors.

The 1956 homecoming queen will be presented during the special half-time ceremonies at the Nebraska-Missouri football game. She will be crowned by Carol Link, 1955 queen.

Missouri QEBH Society will present the traditional victory bell, symbolic of Nebraska's 18-12 victory last year, to the Innocents Society during the half-time ceremonies.

Half-time ceremonies are the charge of the Corn Cobs.

The Homecoming Dance will begin at 8:00 p.m. rather than 8:30 p.m. as was previously announced. This will allow the dance to last the full four hours as planned and still comply with a University ruling that no dance shall extend past 12:00 p.m. John Nelson, Pres. of Corn Cobs, said.

The 1956 Homecoming Queen will reign during the dance and will be presented during the intermission.

The winners of the various homecoming display divisions will be announced at approximately 10:00 p.m. The trophies for women's division winner and over-all men's division winner will also be presented during this intermission.

The Hilltoppers will present two

half hours shows during the evening entertainment. One show will be given before intermission, and the other show will be given before intermission, and the other show will be given immediately following intermission.

The music of Charlie Spivak should prove very enjoyable to those attending the dance as his band numbers are arranged for dancing, especially, Nelson said.

One of the nation's top free lance trumpeters before he organized his present band, Spivak still features his trumpet on many of his arrangements.

Spivak has concentrated on playing engagements the past few years and consequently has done little recording.

Ticket sales are going very well, Nelson said. Tickets may be purchased from Cobs and Tassels and at the Union booth until 6:00 p.m. Saturday, November 3. Union booth until 6:00 p.m.

SPECIAL STOCKING OFFER!

2 PAIRS AND 2 SPARES

That's Right Ladies! With Every Two Pair You Get Two Spares... FREE!

Here's a rare opportunity to get a real long-lasting supply of fine nylon hosiery for far less than you ever imagined! A regular \$1.25 value for only \$1.00—plus a spare. When you buy this package of two pairs and two spares, you are actually getting three pairs of fine nylon hose. Take advantage of this offer NOW. Clip and mail the coupon below for fast delivery.

DENISE HOSIERY .. BOX 227, READING, PA.
Please send me two pairs and two spares of Denise Hosiery.
For this I am enclosing \$2.00.

Name _____ Size _____ Length _____
Address _____ Business Sheer
City _____ State _____ Dress Sheer
Beige Taupe

Do You Gamble With Fire?

If your answer to the question is a quick NO, think again! You may be gambling with fire every day.

Do you think that by obeying a few rules you are protecting your home and family from the danger of fire? If you do, you're a real gambler, all right!

The only real way to prevent fire is to become aware of the causes of fire. Make yourself fire conscious! The man who is careful not to smoke in bed can lose his family, his home and his own life as well, simply because the curtains in the kitchen were hung too close to the stove.

Few fires start by chance. Most fires are caused by ignorance or carelessness. A fire-informed family is familiar with fire—its uses and benefits as well as its dangers. Parents should make sure their children's fire education is not left to chance.

Some good rules to keep in mind are: Don't smoke in bed—Use only non-inflammable cleaning fluids—Don't use frayed electric cords—Keep matches away from young children—Clean out junk from attic and basement—Make sure your electric wiring is not overloaded—Don't use ordinary extension cords on heaters or irons—Be careful with lighted cigarettes—Make sure you know how to operate your oil stove—Watch out for sparking chimneys! Most of all,

DON'T GIVE FIRE A PLACE TO START!

KIDS! JOIN SPARKY'S FIRE DEPARTMENT NOW!

You can become an official member of Sparky's great fire department and join thousands of other children all over the country who are learning how to prevent fires in their homes. Send 25¢ to my fire department in Boston and I will send you a handsome Inspector's badge, a colorful membership card and an official Inspector's manual which will help you prevent fires in your home. My fire department is a non-profit project of the National Fire Protection Association. Send your request to:
