

Another Upset:

Huskers Dump Kansas; Offensive Donnybrook

By BOB MARTEL
Staff Sports Writer

The Nebraska Cornhuskers, playing the role of underdog for the fourth straight week, upset the crystal ball gazers with a 26-20 victory over the Kansas Jayhawks.

Led by Jerry Brown, Frank Nappi and Willie Greenlaw the Cornhuskers combined a ground and air attack to down the favored Kansas.

The Big Red opened the scoring parade when bruising fullback Brown powered over from the one yard line early in the first period. Brown's tally capped a long Husker drive that was sparked by the passing and receiving team of Nappi and Greenlaw. The Portland, Maine, battery accounted for 46 yards during this march on two passes. The first from Greenlaw to Nappi for 38 yards, and the second from Nappi to Greenlaw for eight more.

The two squads then exchanged punts and Kansas drove to the Nebraska 22 yard line. A personal foul penalty gave the Jayhawks a first down on the Cornhusker seven. Homer Floyd went for six yards and on the sneak Wally Strauch tallied. Strauch then booted the extra point to make the score seven all.

Nebraska took the following kickoff and moved 81 yards for its second score. Greenlaw, Nappi and Brown carried the load as the Huskers stuck to the ground until they got to the Kansas 19.

On third down and one yard to go for a first down, George Harshman pitched out to Greenlaw who ran to his left and spotted Nappi standing all by his lonesome on the 5. Willie tossed and Nappi grabbed it to stroll untouched into the end zone.

Harshman missed his kick and the scoreboard read 13-7 in favor of Nebraska with 5:57 left in the half.

The score remained the same until Kansas got the second half kickoff. With Strauch tossing aerials to Jim Letcavage and Charlie McCue the Jayhawks moved to the Nebraska one yard line where McCue plunged over for the tying marker. Strauch missed a chance

to put KU ahead when his kick was wide.

The third Cornhusker tally was set up by some quick thinking and fine kicking by Larry Naviaux. Naviaux kicking from the Nebraska 44 got a bad pass from center but he picked up the bouncing ball and kicked dead on the Kansas one foot line. The Kansas, taking no chances, kicked right back and Naviaux returned the ball to the Jayhawk 23. Bill Hawkins scored six plays later as he spun around his own right end from the one yard line. The conversion attempt was no good and Nebraska led 19-13.

Kansas roared right back and in six plays McCue scored the equalizer on a one yard plunge. Strauch converted and the Kansas climbed into the lead 20-19.

The final and deciding touchdown was a beautiful display of teamwork. The victory march covered 73 yards and took only seven plays to complete. During this drive Brown contributed runs of 15 and five yards respectively; Nappi turned in a 29 yard run; a Greenlaw to Nappi pass netted 13 yards and finally swivel hipped Willie rocked and rolled from the six for the winning touchdown.

The Cornhuskers deserved their well executed victory. It was the finest offensive showing of the year for the Nebraska eleven. They rushed for nine first downs and passed for another nine. They gained 183 yards on the ground and 181 through the air for a total of 364 yards. The Big Red completed nine of 20 passes and fumbled only once.

Every member of the team deserves a pat on the back after this terrific team effort but perhaps most instrumental were Greenlaw, Brown, Naviaux, Harshman and Gordie Englert.

Greenlaw played his finest game of the year, running like the old Willie of last season and even threw another touchdown pass to Frank Nappi. Naviaux was excellent in punt returning and his fine kick in the third quarter was one of the highlights of the day.

Brown was his usual devastating self. He wheeled and dealt through the Kansas line picking up important yardage and was a bulwark on defense. Harshman and Englert were outstanding in their quarterbacking. Harshman directed the team to three of its scores while Englert called the plays on the second Husker tally.

The Cornhuskers have proved through their last two victories that they will not be pushovers for Baylor nor the mighty Oklahoma squad.

Frosh Undefeated: Backs, Line, Fumbles Highlight Frosh Victory

Nebraska's freshman squad finished their two game slate last Friday by whipping the Kansas State Yearlings by a 15-7 count.

The Memorial Stadium battle was played before some 1500 enthusiastic fans.

Coach Gene Stauber's squad defeated Iowa State 20-14 last week while the Wildcats held a win over Kansas University.

A pair of halfbacks and a very aggressive line paved the way for

the victory. The halfbacks were Ben Cacioppo of Omaha South and Bob Brandt of Denison, Iowa.

Brandt in addition to doing some fine running throughout the contest passed eleven yards to Roger Brede of Ainsworth for the first touchdown. He also set up the other TD by intercepting a pass and returning it some 30 yards to within 28 yards of paydirt.

Cacioppo scored one TD with a 16 yard run and kicked a 20 yard field goal. He also stood out on defense.

The line was led by Pat Fitzgerald, ex-Boys Town whiz; Don Olsen of Grand Island; and John Ponceigo from Chicago.

Nebraska drew first blood in the game early in the second period. At this time Brandt hit Brede with the pass for the first six points. Brede was filling in at right end for Glen Hepburn of Boys Town who sat out the game with injuries.

Cacioppo's conversion attempt was wide.

About five minutes later they stretched the lead to 9-0 with the field goal. Cacioppo kicked from a very difficult angle but hit perfectly.

Again later in the period Nebraska hit pay dirt on the 16-yard run. This finished the Husker scoring for the afternoon.

The Wildcats only score came in the third period. George Whitney capped a 63-yard drive with a two yard plunge. John French converted for the final point of the afternoon.

The final period was played with numerous fumbles by both sides. The K-State lads were handed the ball several times inside the Nebraska 10-yard line but couldn't capitalize and usually handed it back on the next play.

Coach Stauber used 35 frosh in the game. All looked very well and appeared to be good prospects for next year's varsity.

Quarterbacks Harry Tolly and Joe Miller excelled in their direction of the first and second units. Fullback Jim Hergenrater also looked very fine for the yearlings.

One member of the Kansas State squad, Jim Goodmiller, was from Norman, Oklahoma.

Gerald Giffin and Jim Mechling of the Wildcats received mild brain concussions in the contest.

Big News From Kreit . . .

Max Kreitman, former sports editor of the Nebraskan, dropped by the office to deliver a few choice words on the Kansas University basketball squad. Max was in Lawrence Friday evening and took in the annual Kansas Varsity-Freshman game. His description of the outstanding play of Wilt "The Stilt" Chamberlain was no news to us.

Kreitman seems to feel that the Kansas squad could take the Big Seven championship even without Chamberlain. He also had plenty of praise for the KU yearlings indicating that the final score did not reveal the true picture. Putting himself out on a limb Max gave me permission to quote him on the following statement. He said "From all indications, I believe Kansas will win the Big Seven crown." With that enlightening piece of news, Max bounced out the door.

Frosh Look Good . . .

Anyone who took in the Kansas State-Nebraska Freshman contest last Saturday afternoon might have thought that they were watching a hockey game and that on every play the referee was dropping his puck in the center of the ice and letting the players fight over it.

It wasn't a contest of who could carry the ball furthest, but who could fumble for the most yardage. On one series of plays the K-State A few of Gene Stauber's ponies did emerge from the den of each one, only to fumble the pigskin right back to the Wildcats.

yearlings fumbled three times in a row and the Cornhuskers recovered fusing looking as though they may be able to give their big brothers of the Varsity squad some help next season. Outstanding were Ben Cacioppo of Omaha and Bob Brandt of Denison, Iowa. Both halfbacks, they led the "Little Red" squad to victory, while Pat Fitzgerald of Boys Town, Dan Olsen of Grand Island and Bob Fleming of Sterling were bulwarks on defense.

Sig Eps Win NU Intramural Title

Sigma Phi Epsilon, Alpha Gamma Rho, and Hitchcock House won the championship of their respective leagues Thursday.

The Class A Fraternity title was won by the Sig Eps. The Eps won a hard fought victory over the Phi Psi, 6-0.

Alpha Gamma Rho defeated Delta Sigma Phi to gain the Class B Fraternity championship.

In the Selleck League play-off, Hitchcock House beat MacLean House 13-6 to take that title.

The Sig Eps added another title Friday night. They lowered the boom on the AGR's 29-0 to capture the All-University championship.

Sig Ep-Hitchcock
In a semi-final play-off game Sigma Epsilon ran through Hitchcock House, Selleck Quadrangle champion, 25-2 to gain the finals of the intramural play-off. They now meet the Dental College, Independent Champions, for the All-University title.

In Monday's game, Hitchcock threw a scare into the Sig Eps during the first series of plays. Hitchcock moved the ball to the Ep one-yard line, but some fine defensive work held the Dorm champs on downs. In the second quarter the Sig Eps opened up and scored 13 points. Gene Souponchick, probably the finest back in intramural ball, threw two touchdowns "Soup" hit Van Shaw for the EP passes, both to Don Appleby.

In the third quarter Souponchick again hit to Appleby for a TD. Nielsen got the Ep's last touchdown. Hitchcock got their 2 points and out-played, performed well.

Hitchcock, although out-manned Chuck Jensen and Blaine Burkle when they caught Pete Sorensen in the end zone.

looked very good. The Ep's showed a fine array of talent. The main-

stays, however, were Souponchick, Nielsen, Appleby, and Sorensen.

All Intramurals

The NEBRASKAN is once again sponsoring the All Intramural football selections.

All teams are encouraged to turn a list of players they think are worthy of recommendation. The list should include a first and second team.

Failure to turn such a list by a team will seriously hamper the chances of one of its members making the team.

Entries must be turned into the NEBRASKAN sports desk on or before Monday, November 19.

The NEBRASKAN office is located in the basement of the Student Union.
