

### Advancement Rule:

## Colbert To Request Jr. Division Changes

J. P. Colbert, Dean of Student Affairs, will submit a proposal regarding advancement from Junior Division, to the University Senate at its meeting Tuesday at 4 p.m. in Love Library Auditorium.

If the Senate approves this proposal, the advancement rule will be changed from the required four semesters to three semesters for all freshmen students.

The 1949 rule passed by the Senate states: "For students in Groups B and E, college deficiencies shall be removed and choice of college shall be made as rapidly as possible. Only in rare and unusual cases, shall a student who enters the University as a beginning freshman be permitted to remain in the Division of Counseling and Guidance past the fourth semester."

Since then it is believed that a student should demonstrate his readiness to do satisfactory college work by the time he has completed his first year at the University. Present rules regarding advancement from the Junior Division need to be modified if they are to conform to this policy.

The new proposal to the presented states: "It is to the best interest of the student that he qualify for admission to a college of his choice as quickly as possible. Ordinarily this should require no more than one year after first en-

tering the University. Only in a rare and unusual case should a student be permitted to remain in the Junior Division past the fourth semester."

### Parking:

## Fact-Finding Committee Scheduled

In a letter to Chancellor Clifford Hardin last week, Dean of Student Affairs, J. P. Colbert and David Keene, Chairman of the Parking Appeal Board, recommended that James Pittinger, Assistant to the Chancellor, make a preliminary study on the feasibility of organizing a committee to study University parking problems.

This committee would be composed of representatives from six areas of the University.

Colbert suggested that the representatives be from the office of Administration, office of Student Affairs, office of Buildings and Grounds, a faculty member to be appointed by the Chancellor, the sergeant in charge of the University Police and the chairman of the Parking Appeal Board of the Student Council.

"Although Keene has suggested that this committee would be largely a fact-finding group, I feel that it should go farther than that and the committee could well be a policy making group," Colbert said.

# Missing University Student Located In Los Angeles

### No Explanation Given For Disappearance Two Weeks Ago

The search for missing University student Jerome Hoffman came to an end Saturday when his parents reported they had received a letter sent by their son from Los Angeles, Calif.

Hoffman, a 21-year-old sophomore in Teachers college, had been missing since he disappeared from his apartment at 15th and M St. Monday, Jan. 28.

The letter arrived at his parents home in Pawnee City Saturday evening. Police Captain Paul Beave said the letter was sent Feb. 6th. The parents came to Lincoln and reported to Beave that their son had contacted them.

Vernon Hoffman, the boy's father said in Lincoln Sunday night "Jerome mentioned no word of any job, but stated he was well and fine."

"If he is well he can take care of himself," the father said. "We

are definitely not going to California."

Hoffman said he has no relatives in Los Angeles but has some relatives in San Francisco. However, they have not been contacted by his son, he said.

"We do not know why he went," Hoffman said. "In his own time he will probably tell us why he left."

He offered no explanation for leaving the University, his parents said.

Police said Hoffman wrote that he would contact them again and gave them information where they could reach him if urgent.

His father immediately called a Los Angeles hotel where the boy said he could be reached but the hotel management said Hoffman was not registered there, police said.

Hoffman, a member of Farmhouse, was described by a fraternity brother, Tom Hoffman (no relation to the missing man) as being very trustworthy and conscientious. "He had worked up to a responsible position at a local theater (where Hoffman was assistant manager) and he was national officer for Pershing Rifles,"

# South Pacific Chosen For KK Spring Show

"South Pacific", the Broadway hit by Rodgers and Hammerstein, has been chosen by Kosmet Klub for their Spring Show, to be presented May 24 and 25 in Lincoln's new Pershing Memorial Auditorium, according to Bill Bedwell, Klub President.

"This is the first musical production that will be held in the new auditorium", said Bedwell. "The enjoyment and intensity of the show will be greatly heightened

because of the quality of the facilities and the acoustics."

Last year's KK Show "Kiss Me Kate" was held at the Nebraska Theatre.

Hit tunes such as "Some Enchanted Evening", "A Wonderful Guy", "There is Nothing Like a Dame", "Younger than Springtime" and a number of others were popularized during the many months that "South Pacific" ran on Broadway.

"South Pacific" is based on two stories from James A. Michener's Pulitzer Prize winning book, Tales of the South Pacific.

The show, "South Pacific", opened in 1949 on Broadway amid cries of "Rodgers and Hammerstein have done it again", and

statements such as "One of the greatest musical plays in the history of the American theatre".

The plot is formed of two romantic themes. The first, the love affair of Ensign Nellie Forbush, a charming and high-spirited young nurse from Little Rock, Arkansas, and the gallant middle-aged French planter, Emile de Beque.

The secondary romantic theme is that of the likable American marine, Lt. Joseph Cable and the lovely Tonkinese girl, Liat. Surrounding them are such fascinating characters as Bloody Mary, Liat's shrewd and avaricious mother; Luther Billie, a knowing and earthy Seabee who plays a wonderfully comic role in the amateur entertainment provided by the temporary residents of the island.

"Anyone wishing to tryout for the cast of 'South Pacific' is invited to do so", said Bedwell. "The show has many good parts that call for a great variety of talent."
