

NU Combating Asiatic Flu Bug

University students are receiving instructions on how to cope with the Asian flu when and if it strikes, according to Dr. S. I. Fuenning, director of the Student Health Center.

Representatives from each dormitory, fraternity, sorority and co-operative have received shots and are now learning how to take care of their fellow students in case the flu should reach epidemic proportions. In this case, the health center facilities and the city hospitals would be greatly overcrowded. About 300 students have been vaccinated, including organized house officers, housemothers and the football team.

Dr. Fuenning announced that the preliminary student crew training should be completed by the end of the week. The purpose of the plan is to have a corps of trained students in each dormitory and house who will be able to care for those who contact the flu.

Instructions on how to set up sick wards, how to treat the flu and how to take precautions against the spread of the disease are covered in the classes.

Medical staff members and their families have been vaccinated, but faculty members have not been

included in the first inoculations because they would not be of direct help in case of an epidemic.

"We don't know when or if the Asian flu is to strike, but we want to be ready for any emergency," Dr. Fuenning stated.

As more vaccine becomes available, more students will be vaccinated. Food handlers are high on the priority list.

Nebraska Wesleyan University has received 70 doses of the vaccine, but as yet are uncertain as to a method of distribution. Only football players have received their vaccinations so far. Dr. Sam Dahl said it was probable that the vaccine will be distributed on a "first come, first serve" basis.

Dr. Chester Norman, school doctor at Union College, reported that only 20 c.c.'s of Asian flu vaccine has been received at the college. The medical staff has been vaccinated, but no student vaccination plan can be undertaken until much larger quantities are available.

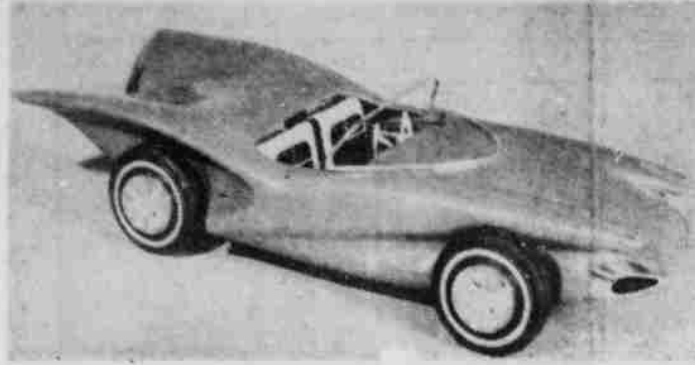

To make the situation worse, Dr. Norman said that several "suspected" cases among students have already developed. A large quantity of regular flu variety vaccine is available and being given to the students, he said.

Lincoln hospitals report no "verified" cases of Asian flu now under treatment, and Lincoln-Lancaster County Health Department officials say no case has yet been officially recorded in the county.

Nationally, the Associated Press reports that an outbreak of the flu at the University of Alabama at Tuscaloosa reached epidemic proportions. Tests are being made to determine if the outbreak is of the Asian flu variety.

Texas A & M at Dallas reported 600 students on the sick list out of the 7,400 students of the school's population. Southwest Texas State College at San Marcos closed last Friday when 500 of the school's 2,300 students became ill. Officials at that school state that classes will resume this week.

Texas health department officials state that Asian flu cases have been confirmed in at least half a dozen Texas cities.

Model Winner

This is the model car which won a \$1,000 university scholarship for Terry Henline, university freshman. It was one of 19 model cars selected from 2000 entries in the 1957 Fisher Body Craftsman's Guild model car competition for a top award.

Terry Henline, University freshman, has been awarded a \$1000 scholarship by the Fisher Body Craftsman's Guild on the basis of exceptional designing ability in the company's model car competition.

Henline, one of nineteen boys who were named national winners in the contest, spent approximately 1000 hours building his model. Planning to attend the Univer-

sity for one semester, Henline will enroll in Los Angeles School of Design in Jan, 1958.

The nineteen winners now join 160 previous scholarship winners in the Body by Fisher Hall of Fame. Altogether the 179 master craftsmen have received university scholarships valued at \$25,500.

The Fisher Body is a division of General Motors Corporation. Since the designing competition began in 1930, they have distributed more than \$1,250,000 in national, regional and state awards to youthful craftsmen for their patience, perseverance, and exceptional talent.

Penny Carnival Booths Named

Seventeen organized houses have been chosen to compete in the annual Penny Carnival Oct. 4 in the Union Ballroom, according to Dorothy Glade, publicity chairman.

The carnival, sponsored by the Coed Counselors, features booths set up and manned by each house. The winner is chosen by student vote and a team of judges who have not yet been chosen, Miss Glade said.

Beginning Thursday tickets may be obtained for 50 cents from any of the booth chairman. Receipts must be turned in to Dorothy Beechler, co-chairman, by Oct. 1, Miss Glade stated. On Oct. 2 and 3 tickets may be purchased in the Union.

Voting times are designated on the tickets and students may vote only at the times stated on their tickets. The first group casts their ballot from 7:30 to 8:30 p.m.; the second from 8:30 to 9:15 p.m. according to Miss Glade. Students vote counts forty per cent in determination of the winner.

A new floor plan is being tried this year, Miss Glade said. Instead of arranging the booths around the perimeter of the ballroom, a few booths will be located in the middle of the floor to allow for easier flow of traffic.

Houses are restricted to \$10 for the booths and \$10 for the costumes, Miss Glade stressed.

The cost of all material will be estimated by the booth foreman, even though some materials may be obtained at lower cost. The rental price of spotlights and loud speakers will also be included in the \$10 budget.

The \$10 costume limit is new this year, Miss Glade said. Previously no limit has been set on costume budgets.

The following booths have been selected for participation:

Town Club, "Ring a T.C. Girl", chairman, Mary Otto and Mary Stastny.

Alphi Phi, "Alfalfa Phi", chairman, Sue McGrath and Gail Christenson.

Delta Delta Delta, "Pitch a Ball to a Delta Doll", chairman, Mary Metcalf and Glenda Kline.

Kappa Delta, "K.D.'s Humpty Dumpty Land", chairman Dee Dillman and Carolyn Whitney.

Zeta Tau Alpha, "Zeta Candy

Castle"; chairman, Unis McCosh and Betty Park.

Delta Gamma "D.G. Dump"; chairman, Carol Morrhead, Sandy Lichtenberger and Eleanor Kessler.

Chi Omega, "Pirates Past Time"; chairman, Ginny Marx and Mary Hanson.

Kappa Alpha Theta "Theta Wonderland"; chairman, Kathy McCrady and Susie Moulton.

Alpha Xi Delta "Alpha Zoo"; chairman, Georgie Stover and Shirley Gibb.

Pi Beta Phi, "Gotta Have Some

Money in the Bank Frank"; chairman, Monica Ross and Sally Wengert.

Gamma Phi Beta "Put Out That Gamma Phi-er"; chairman, Jo Wyrens and Susie Condon.

Alpha Chi Omega, "Alpha Chi Honey - Comb"; chairman Kay Turner and Cindy Jones.

Women's Dorm, "Bali High"; chairman, Lorriss Lovejoy and Mary Lou Valencia.

Love Hall "Love that Jazz"; chairman, Pat Cunningham and Jane Saugner.

Alpha Omicron Pi, "Win Hevenly Prize with the AOPI's"; chairman, Ellen Roerbaugh and Sarah Christenson.

Sigma Kappa, "Join the Band"; chairman, Bev Beck and Nancy Fowler.

Kappa Kappa Gamma, "Kappa Kosmet's"; chairman, Kay Magerat and Mary Luke.

The Penny Carnival winner last year was Delta Gamma with the theme "Hit the Headlines".

Ag Station Schedules Dedication

Chancellor Hardin will dedicate the new administration and laboratory building at the North Platte Experiment Station Monday according to James Adams, superintendent.

The Dedication will take place during the afternoon program beginning at 1:30 p.m. Open house will be held from 10 a.m. to 4 p.m.

Dr. B. N. Greenberg, president of the University Board of Regents, will present a message from the Regents. Harry Pizer, state senator from North Platte, will also give a brief talk.

Other speakers will include: Dean of the College of Agriculture W. V. Lambert; Paul Ely, president of the National Retail Lumber Dealers Association; Lieut. Gov. Dwight Burney, and Carl Deitemeyer.

Play Guild Established for Youth

A new organization, the American Playwrights Guild, has been formed by leading figures in the Broadway theater world for the purpose of discovering and guiding new writing talents for the stage and television.

One of the primary functions of the organization is to serve as an agency which will encourage young writers by aiding them in their craft as well as in the proper marketing of their works.

Members of an Editorial Board of APG will study scripts sent in to determine their suitability for current Broadway and TV markets. The Guild also furnishes the playwright with a critical analysis of his work and an evaluation of its commercial possibilities.

Should the judgment of the Board and that of the Editors be positive, APG uses its best efforts to secure a Broadway or TV production of the work. The Guild then follows up by aiding the playwright with all negotiations and in the supervision of the details encountered in arranging for a production.

The policy outlined by the Guild requires each playwright to write a full set of particulars before submitting scripts to be read. No action will be taken on scripts whose authors do not adhere to the stipulated procedures. All inquiries are to be made to the American Playwrights Guild, Inc., 5 East 76th Street, New York 21, N.Y.

Rally Riots Require No Cob Action

Corn Cobs will instigate no action against fraternities taking part in the riots at the pep rally Friday evening, according to Gordon Warner, president.

Such action would be the responsibility of the IPC, not of Corn Cobs, Warner stated Monday.

The Corn Cobs are requesting that no banners bearing house names be carried to the next rally, according to Warner.

"We're glad that the fraternity men show enthusiasm", he said, "but we would rather it be channeled in other directions".

Large fraternity banners were banned from pep rallies last October, after similar incidents occurred.

The question may come at the Corn Cobs meeting Tuesday, according to Stan Widman, rally chairman.

Fellowship Applications Available

Applications for faculty research fellowships for the summer of 1958 should be submitted in triplicate not later than Oct. 15, 1957 to the Office of the Graduate College, Social Sciences, room 111.

Fellowships are granted on a competitive basis, judged by the merits of the proposed research and the qualifications of the staff members.

Fellowships are not granted for work to be used as theses for advanced degrees and staff members who have served one or more years on the faculty will be given preference.

15 fellowships will be available with stipends of \$1000 each. In the past these fellowships have been ruled tax exempt.

Kay Krueger Appointed Red Cross President

Kay Krueger has been named the new president of the Red Cross College Unit.

Larry Epstein, who served as president last year, gave up the post to enter medical school in Omaha. Kay had been vice-president.

The new president is a senior in Teachers' College, president of Alpha Omicron Pi and a member of Newman Club.

Miss Krueger

Because several other board members are not returning to the University, two Red Cross Board positions have been vacated. These positions are LARC School and Vets' Hospital chairmen.

The LARC School committee works with mentally retarded children, while the Vets' Hospital committee entertains the men at Veterans' Hospital. Committee chairmen plan programs and generally organize groups going to these institutions.

Interviews for the positions will be held Saturday from 10 to 12

Davis Takes Home Ec Job At Ag Campus

Dr. Jean Davis is the new associate professor of housing and management in the Home Economics Department of the Ag College.

Dr. Davis will serve on both the teaching and research staffs at the Ag College, according to Dr. Florence McKinney, chairman of the Home Economics department.

A current research project she is working on concerns space and equipment requirements for activities of Nebraska farm families with teen-age children.

Dr. Davis is a native of West Virginia where she received her bachelor of arts degree from Glenville State College. She got her master of science degree from West Virginia University at Morgantown, where she taught home economics, and her doctor's degree from Cornell University at Ithaca, N.Y.

NUCWA Sets Mass Meeting Tonight At 8

NUCWA, the Nebraska University Council on World Affairs, will hold a mass meeting Tuesday night at 8 p.m. for all University students, according to Gary Rodgers, vice president in charge of programs.

During the meeting, which will be held in room 315 of the Union, the club's activities for the past year and a summary of the conferences and meetings planned for the coming year will be given by Bill Keyes, NUCWA president.

Dr. A. C. Breckenridge, dean of faculties, will speak to the group about Atank University, the University's sister institution in Berquerum, Turkey.

New members are encouraged to attend this meeting to receive assignments for committees for the coming year.

Coats, Ties At Yale

NEW HAVEN, Conn.—Yale has followed the way of Harvard. Yale undergraduates have been informed of a new rule which requires them to wear coats and ties for all meals in university dining halls.

Coats and ties have long been required by arch-rival Harvard, but this is the first time in recent history that such a rule has been in effect at Yale. Previously, Yale undergraduates were required to wear this attire only for the evening meal and at Sunday dinner.

Undergraduate Dean Richard C. Carroll called the rule an effort for "not uniformity but neatness."

Engineers To Meet Wednesday Night

The Nebraska student branch of the American Society of Agricultural Engineers will meet at 6 p.m. Wednesday in conjunction with the faculty sponsored dinner in room 101 of the Agricultural Engineering Hall.

David Berns, student branch president, will introduce the new agricultural engineering students.

Several student members who spent the summer in industry will discuss their experiences and L. W. Hurlbut, agricultural engineering department chairman will discuss opportunities in agricultural engineering. All agricultural engineers are invited to the dinner and meeting.

Dog War

In Wakayama, Japan, the postmen had declared all out war on the dogs. At the moment the postmen are ahead in the war of dogs vs. postmen. Citing about 10,000 annual incidents of tactical defeat and wounding for the men, they have posted notice on street corners that mail will not be delivered to homes with unleashed dogs.

Howell Theater Announces Cast

The Cast for the first University Theater production, "What Every Woman Knows" by J. M. Barrie, has been announced by Dr. Dallas Williams, director of the show.

The part of John Shand, the male lead, will be handled by Roy Willey, a graduate student in speech. Willey has been seen in the Howell Theater in such shows as "Harvey" and "Dark of the Moon."

The female lead in the play will be done by Mrs. Phyllis Blanke, also a graduate student in the Department of Speech, who is remembered as Cordelia in "King Lear" last season.

Joe Hill, a member of Sigma Alpha Mu, will play the part of Alick Wiley. David, his older son, is Bill Gnuse, who is majoring in speech and his younger son, James, is being played by John Hall, who participated in the summer Shakespearean show, Twelfth Night.

The Countess' role is being done by Bonna Tebo and that of her niece, Sybill, is being done by Betty Lester, who played the first woman's part in the Kosmet Klub show, "Good News."

Mr. Venables will be played by Douglas York an engineering major, who has been in the service. He was last seen on the University Theater stage in "The Man Who Came to Dinner."

Grace, the maid of the Countess, will be played by Diana Peters, who was seen in "The Corn Is Green."

The part of Thomas, the gardener, will be played by Zeff Bernstein, a freshman in Sigma Alpha Mu.

Production manager for the first show is Gerry Miller.

Dr. Williams, who started rehearsals for the play Friday evening, said that fundamentally he has a fine cast. "They have talent and training," Williams commented.

"This is a difficult show. The dialect—Scottish—is difficult, the characters are subtle and it is hard for Americans to catch the flavor of the Scottish people."

Williams added that the actors will work to perfect the mannerisms of the Barrie characters.

"This will be a very interesting and enjoyable play and the people who have been cast are capable of doing a good job," he concluded.

The remaining payment for instructors is \$9.00 and for assistant professors and above, \$12.00 per semester.

The students who apply will be voted on by the present Bus Ad Council. Applications are to be turned into the office of Business Administration in the Social Sciences building.

There is a vacancy on the Business Administration Executive Council, according to Jim Whitaker, publicity chairman.

Any sophomore with a 5.0 or above and who has between 35 and 52 hours of credit is eligible, Whitaker stated. The student must also have completed 12 hours last semester.

The Tuesday meeting will be held in Room 30 of the Union at 2 p.m., according to Sara Jones, news editor.

Lawrence

The Lincoln City Council passed Monday a resolution expressing its regret at the loss of "the counsel and leadership of one of Lincoln's outstanding citizens in the death of James E. Lawrence."

Mr. Lawrence, editor of The Lincoln Star who died last week, was a member of the Park Board for many years.

Going Steady:

Dating Ideas Haven't Changed Much

There have been various opinions between students about the question of going steady.

View points change as the years go by. Here are a few views by students in 1938:

A Delta Gamma who wears the Sig Nu pin emphatically says, "If it's true love, you'll want to go steady. Why try and please three different fellows every weekend? Nine out of ten do not appreciate the time and energy you waste on them. How many desirable fellows are there on this campus? You can count the desirable men on one hand, and they are all going steady."

But a Theta argues, "I get too tired of 'em. It's more fun to go with a lot of 'em and have many friends instead of only one. I haven't ever found the right fellow, and besides too much jeal-

Kosmet Klub

There will be an important business meeting for all new Kosmet Klub workers Tuesday at 7:30 p.m. in the Union, according to Jerry Brownfield, Vice President.

All sophomores who want to be Kosmet Klub workers should attend whether they attended the smoker last spring or not," Brownfield stated.

NU's New Faculty Club Open For Inspection

All staff members may inspect the new Faculty Club which was redecorated for their use this past summer, according to Miss Mary Jane Mulvany, President.

The first floor is devoted to lounging space. A T.V. room will be completed in the near future.

A complete food service will be found in the basement area. These dining facilities will accommodate 80 persons.

The third floor is currently occupied by Mr. and Mrs. Russell Nielson. Mr. Nielson is a graduate student in the school of Engineering and Architecture. They are to be the caretakers.

The club is located on the site of the old International House. This building was free of cost to foreign students by the University Board of Regents and Administration. The foreign students are now living in the Women's Dormitory.

Plans for refurbishing the building were started about a year ago when faculty members interested

NU Bus Ad Council Needs Sophomore

There is a vacancy on the Business Administration Executive Council, according to Jim Whitaker, publicity chairman.

Any sophomore with a 5.0 or above and who has between 35 and 52 hours of credit is eligible, Whitaker stated. The student must also have completed 12 hours last semester.

The students who apply will be voted on by the present Bus Ad Council. Applications are to be turned into the office of Business Administration in the Social Sciences building.

Daily Nebraskan reporters will meet Tuesday to discuss plans for a special seminar on the problems encountered in reporting.

The Tuesday meeting will be held in Room 30 of the Union at 2 p.m., according to Sara Jones, news editor.

Reporters Meeting

Fullbright information may be obtained in the Graduate Office, Social Science room 111 or forms may be obtained by writing directly to the Conference Board of Associated Research Councils, Committee on International Exchange of Persons, 2101 Constitution Ave., Washington 25, D.C.

Warm Temps To Continue This Week

The warm fall weather will continue for at least another day, according to a report issued by the weather bureau.

Today is expected to be fair and warmer with the temperature to reach a high of 76 degrees. This is still much earlier than a year ago today when the temperature climbed to a high of 86 after dipping to a low of 57 degrees.

The precipitation so far this month is 1.53 inches which is .52 inches below the normal 2.05 inches for the month of September. We have had a total accumulation of 27.37 inches of precipitation this year which is 6.45 inches above normal for the year.

The way the weather looks now it will be quite some time before the freshmen may discard their beanies.

Graduate Faculty

Voting members of the Graduate Faculty will meet at 4 p.m. Thursday in Room 101 of the Social Sciences Hall.

This Week On Campus

An all-University convocation will highlight this week's events on campus.

The convocation, which includes an address to all students by Chancellor Clifford Hardin, will be held Thursday at 11 a.m. in the Coliseum. All classes will be dismissed.

Other campus events this week include:

Tuesday Faculty Homecoming Dinner, Union
Thursday Vocational Home Economics Association Picnic
Thursday YWCA Upperclass Rendezvous
Friday University Theater Open House, 7 p.m.
Saturday Noon deadline for registration and payment of fees
Saturday Football—Nebraska vs. Army at West Point
Saturday Football "Pigskin" Party, Union
Saturday Ag YWCA-YMCA Retreat
