# 'The Duke' To Play At '57 Homecoming

## ... Ellington to Provide Dance Music

Duke Ellington—America's genius of modern music—and his famed orchestra have been booked for the 1957 Homecoming Dance Nov. 2, according to Corn Cobs President Gordon Warner.

Tickets will go on sale the week of Oct. 21, Warner said.

Price is \$3 per couple, a hike of 25 cents over tickets last year but still below the \$3.50 figure two years ago when Ray Anthony provided the Homecoming music.

Charlie Spivak and his orchestra and the Hilltoppers played last year.

Tickets will be on sale at the Union by members of Tassels and Corn Cobs, sponsors of the annual dance climaxed Homecoming activities.

Although he has been hailed as America's leading jazz composer by European critics, Ellington claims, "There's no longhair music and no jazz music—there's just music."

A pace-setting stylist since 1927, the Duke is said to have contributed more to modern music in originality, melodic material and arranging technics, than any other contemporary.

His arrangements, with a subtle by-play of reeds against brasses and piano against orchestra, have appealed to all age groups. The Duke has played in the U.S., Canada and Europe to every kind of audience, young and old, highbrow and lowbrow, in dance halls and concert halls, theaters and auditoriums, and once, in Paris, in a bombproof shelter.

His concerts, once labeled "Jazz Concert by Ellington," now are billed as modern music by "Duke Ellington and His Orchestra."

He is an annual attraction at the Philharmonic in Los Angeles, Civic Opera in Chicago and the Academy Hall in Philadelphia.

In 1943, Ellington became the first big bandleader to invade Carnegie Hall, setting a fashion which has since seen "jazz" welcomed in longhair surroundings from Newport to the Hollywood bowl.

At his 1943 Carnegie debut, Ellington unveiled his first long work, "Black, Brown and Beige," which he subtitled a "Tone Parala-

del to the History of the Negro in America."

Every year since then, the Duke has returned to Carnegie Hall and premiered a major work. In 1955 it was "Night Creature," a composition which earned the highest compliments from the critics.

This year's Homecoming football game is with the University

of Kansas Jayhawks. Activities include the game, house displays, crowning of the 1957 Homecoming Queen and the Homecoming Dance.

Last year's Homecoming Queen was Janis Davidson.

Winner in the men's large house division was Delta Tau Delta. Phi Gamma Delta and Alpha Tau

Omega were second and third respectively. In the smaller house division, awards went to Delta Sigma Phi, Acacia and Theta Chi, in that order.

In the women's division of the homecoming displays, Alpha Chi Omega won first, Delta Delta Delta was second and Sigma Kappa took third.

Duke Ellington . . . to play at NU's Homecoming.

## Display Deadline Announced

Monday noon, Oct. 14, has been set as the deadline for houses competing in the homecoming display contest, according to House decorations chairman Glenn Andersen.

Entries with two fairly-detailed sketches and display theme must be in the Innocents Society mail box at the Student Union by noon next Monday, Andersen said.

In case of duplication, the entry submitted first will be accepted. Entries must be accompanied by a \$15 entry fee.

Expense limit for house decorations remains at \$125, the same as last year, Andersen said. The \$125 figure is to include all material and equipment, whether new or not.

Display equipment will be checked by an evaluation team Friday afternoon, Nov. 1. Organizations going over the \$125 limit will be disqualified.

An evaluation form to aid the evaluation and appraisal team will be sent to organized houses soon, according to Andersen. Equipment such as motors and public address systems will be evaluated at rental value.

As in 1956, there will be three divisions in the competition, one for women's organized houses and two divisions for men's organized houses.

First second and third place plaques will be awarded in each of the three divisions. In addition, a first place traveling trophy will be given to the winner of the women's division and a traveling trophy will be presented to the grand champion winner of the men's division.

Awards will be announced at the Homecoming Dance Saturday evening.

Decorations are to be completed by 6 p.m. Friday, Nov. 1, but lights will not be turned on until after the rally that night.

For the benefit of Saturday visitors, houses will be asked to keep their decorations intact until after the game and to operate the displays Saturday morning from 11 a.m. to 12 noon.

Decorations will be judged on four points, originality, attractiveness, construction and general relationship to, or identification with, the Kansas Jayhawks.

A reference to Homecoming or alums, or both, must be incorporated.

Colonel Rawie had been in command of the 18th Field Artillery Group in Germany since 1955. He first entered the Army in June, 1939, after completion of his studies at the University of Illinois. He served during World War II with the 5th Field Artillery Battalion, 1st Infantry Division, in North Africa, Sicily, Italy, and France and with the IX Corps Artillery in Korea.

## Journalism Grads Needed In State

Dr. James Morrison, University professor journalism, told 250 students at North Platte, "at the University of Nebraska, we have 10 employers crying for every journalism grad we turn out."

Morrison was speaking to the annual District Four Clinic of the Nebraska High School Press Association.

He landed at Oran, Algeria, on Nov. 8, 1943. Then a captain in charge of a battery, he and the battalion commander made their way through heavy enemy fire to observe artillery fire against a machine gun nest and concentration of troops that were effectively holding up the advance.

During the process of breaking up the strong point, the battalion commander was wounded and Colonel Rawie withdrew under a hail
