Pittsburg Next Stop For Cornhuskers; Flu, Injuries Hamper Jennings's Strategy

By **BOB MARTEL**
Sports Editor

Caught between the flu and football injuries, player availability in the Husker camp has been severely lessened. The Husker physical setup shows:

End Marlin Hilding and Guard Jerry Petersen, flu victims, released from the infirmary but not available for duty.

End Mike Lee, injured and definitely lost this week.

Selective Service College Qualification Test Set May 1

The selective service college qualification test will be offered on or about May 1, 1958, according to Francis Drath, deputy state director of selective service for Nebraska.

also granted on the basis of class standing. The number of students taking the college qualification test has been reduced because in the last two years no one has been inducted involuntarily who was not 22 at the time of his induction. Many college students have completed their work by the time they attain the age of 22.

Quarterback Harry Tolly, injured with outside chance of playing Saturday.

Present Pittsburgh Coach Johnny Michelosen was the starting quarterback in three of Pitt's wins over the Huskers.

Applications Due

It has been necessary, however, to restrict testing to one test during the current academic year, due to budgetary limitations and the reduced demand on the selective service system for inductees into the armed forces.

All students who expect to receive bachelors or advanced degrees or teaching certificates at the close of the first semester should apply for same by Nov. 1, 1957, if they have not yet done so. Students may make application at the Senior Checking Office, 103 Administration Hall, between the hours 8:30 a.m. to 12 noon and 1 p.m. to 4:30 p.m. Monday through Friday.

With the loss of so many key personnel, Bill Jennings has been forced to move halfback Doug and Dick Prusia to second unit end. Prusia has been used both at center and fullback.

The revamped lineup will include Roger Brede and Clarence Cook at the ends; Don Rhoda and Don Olson tackles; Stu Howter and Don Kampe, guards; Dick Thomas to second unit quarterback McCashland, center; Charley Smith, quarterback, Jim Hergeter and Gene Sandage, halfbacks; Jerry Brown, fullback.

The Cornhuskers first met the Panthers in 1921 and won 10-0. The next game was played in 1927 and Pitt won 21-13. These teams

last met at the Pitt Stadium in 1955. Nebraska took an early 7-0 lead but eventually lost, 21-7. Junior Quarterback Bill Kaliden will be directing the Pitt offense on Saturday. Kaliden has completed 13 passes in 31 attempts for 167 yards. His favorite receiver is Art Gob. Gob has caught 5 passes for 82 yards and one touchdown. Left halfback Dick Haley has gained 120 yards in 39 attempts for a 3.8 yard average. The leading ground gainer on the Pittsburgh squad is reserve back Bob Stark who has gained 156 yards in 35 carries for a 4.5 average. The Pittsburgh line averages 219 pounds and is a tough forward wall to crack. Center Charley Brueckman is the Pitt All-American candidate. The 212 pound pivot man is adept both on offense and defense. Experts have established Nebraska as a 20 point underdog in this contest.

Kansas Against Iowa State Cyclones; Only Big Eight Game Of Weekend

The only Big Eight Conference game this weekend pits the Kansas Jayhawks against Iowa State. The Cyclones who took a good beating from the Sooners last weekend will be the underdogs against the Jayhawks, who narrowly edged a strong Colorado squad their last game. The outmanned Cyclones will be hoping for an up-

set over Kansas which has an eighteen pound advantage in the line.

Milwaukee Braves New World Champs

By **BOB WIRZ**

It took a great deal of nerve and an error, but the Milwaukee Braves have given the state of Wisconsin its first baseball World Championship. The Braves won the annual World Series yesterday when they stopped the champions of 1956, the New York Yankees by a 5-0 margin.

charged with an error and both runners were safe. Ed Mathews was next and he doubled both runners home for what turned out to be the only runs needed for Burdette. But, the Braves weren't finished. Bobby Shantz replaced Don Larsen on the mound and promptly gave up two more singles and an infield roller to drive in the other tallies.

The Braves got great clutch pitching, again, from 30-year-old Lew Burdette, to turn the tide on the Yankees. Burdette hurled his second straight shutout of the series and has now worked 24 straight scoreless innings. He also became the first pitcher to win three games in one world series since Harry (The Cat) Brecheen did it in 1946 against the Boston Red Sox.

Bud Wilkinson, who is still shedding tears over the condition of his team is favored over a fairly good Texas team. The Oklahoma-Texas game will feature a teacher-pupil battle since Darrell Royal, the new Longhorn coach, was the quarterback on Wilkinson's 1949 Powerhouse. The possible loss of Clendon Thomas is the Sooner's main problem.

Colorado plays host to underdog Arizona this Saturday afternoon. Colorado, with a 1-1 overall record, expects to gallop over the Tucson team which has lost to another Big Eight foe, Missouri.

Kansas State, still smarting under a 14-7 defeat by Nebraska last week is traveling out to Stockton, California, to play the College of Pacific. K-State is in top shape to play the favored Tigers, who have rolled non-stop over three successive foes. The Tigers have beaten San Diego State, Fresno State and Tulsa.

The Missouri University squad, which was run over last week by Texas A & M, has a Friday night game in the Cotton Bowl with Southern Methodist. This will be the 15th Mizou-SMU contest with the Mustangs favored to beat the Missouri team. SMU has eight straight wins over the Tigers, including a 33-27 win last year.

Oklahoma A & M, the newest member in the conference, plays host to Tulsa this Saturday. The Aggies will be favored.

It will be a big night in Milwaukee and for the Braves themselves. They fought hard all the way in winning the one that counted. However, it looked like the contest might go the other way in the first when Hank Bauer hit Burdette's first pitch for a double. It turned out that this would be the Yankees biggest chance until the ninth.

Jim Brown, Syracuse University's 1956 All-American left halfback, hails from Manhasset, Long Island. Ernie Jackson, who is expected to take over the graduated Brown's post at Syracuse this fall, resides in Port Washington, a Long Island community just three miles from Manhasset.

Relief pitching by Art Ditmar, Tom Sturdivant, and Byrne sparked in blanking Milwaukee from the third frame until the eighth. Then, Del Crandall homered into the left field bleachers to give the Braves an extra run.
