

# Phi Delt's Win Third I-M Track Trophy; Bill Black Captures Individual Diadem

By DEL RASMUSSEN

Exactly one-half the records were smashed in this year's running of the Fall Intramural track meet this year, as the Phi Delta Theta's bounded into the limelight

by capturing the All-University Championship trophy for the third consecutive year.

The Phi Delt's snared the trophy with only one first place of the possible 12 events but their secondary depth was of enough cal-

iber to steal the diadem from Wesley House by 30 points. The "R" Street men had 64 points while their nearest competitor, Wesley House, could manage only 34 markers.

The big performer of the entire meet was Bill Black as he compiled an amazing 96-1-6 points out of a possible 120 that were awarded for first place in the 12 events. Bill placed in all of the 12 contests, winning 6 and placing no lower than fourth which was in the mile run.

The Phi Delt's could not produce a winner in but one of the individual contests but they handily amassed their 64 point composite by placing at least once in eight of the 12 tests. The only events in which they could not push a man over the finish lines were the 60-yard high hurdles, 880-yard run, one-mile run and the pole vault.

Bill Black remained the individual champion, however, as he smashed three records in the process of earning 96 of his Unattached Independent's points out of their total 96-1-6 points.

Bill shattered marks in the 229-yard dash, 60-yard low hurdles, and the pole vault. His winning marks were 23.3, .07.3, and 12' 0" respectively. He placed first (but did not break records) in the 440-yard dash, 100-yard dash and the running broad jump. Black placed second in three events, these were the 60-yard high hurdles, 16-lb. shot put and the javelin throw. Bill earned third place laurels in two events which were the 880-yard run and he tied for third in running high jump event.

The barrier, who put on one of the most sparkling displays of cinder talent ever witnessed also earned one fourth place spot when he finished behind Biff Morrison, Joe American Horse, and J. D. Schafer in the running of the one-mile distance.

meet results was Canfield earning 26 points and finishing behind the Phi Delt's and Wesley House who received Independent Championship laurels.

Of the six marks erased during the running of the meet, three were rewritten by Black. The other three new record holders include Biff Morrison, Sigma Chi and Wesley House. Morrison's distance with a time to 4:38.6; Milton Haedt, Wesley House who spun over the 60-yard high hurdles distance with a time of .07.8 and Randy Clark, Beta Theta Pi who spiraled over the high jump stick at 6' 1 1/2".

In the competition were entered 20 teams with a total entry of 142 men.

Joe American Horse, last year's winner of the mile run in the State High-School track meet finished second in the running of his specialty to Biff Morrison. Joe is enrolled in the University as a freshman and is very promising potential for Coach Frank Sevigne's track squad.

## Big Eight Grid Headlines Features Missouri-KU Battle For 2nd Place

By GEORGE MOYER  
Staff Sports Writer

Big Eight teams rear into the home stretch this weekend with many taking on traditional opponents.

The conference headliner will see Kansas in and out Jayhawks taking on traditional rival Missouri at Lawrence to determine second place. Missouri sports a 5-3-1 record so far this season against the Jayhawkers' 4-4-1. Odds are on Missouri, but the Tigers may have trouble recovering from a 23-21 upset loss to Kansas State. At any rate, odds don't mean a thing when these two meet to wind up the season. Added incentive for Kansas will be a chance to finish with a winning record, and present coach Chuck Mather with a going away gift.

The top game outside the conference will see Kansas State at Michigan State. K-State has seen little light this year but what there has been has been blinding. When the Wildcats win, they never pick anybody easy. They have dropped an Iowa State team that was supposed to run them off the field. They edged Missouri last week and scared Oklahoma 0-7 after three quarters before succumbing 0-13. Michigan State cannot exactly be called a push-over but they have had their troubles, so far losing to Michigan and Iowa. The game ends the season for both clubs.

Another good game should be Iowa State and Colorado. These two clubs will tangle at Boulder to decide fourth place in the Big Eight. Iowa State started fast but a 33-14 pasting at the hands of Missouri slowed them considerably. Since then they have been upset by Drake and Kansas State while winning from Nebraska and South Dakota. Colorado too has had its troubles. Picked to challenge Oklahoma for the league title, the Buffs lost early to Kansas and late to Missouri. Successive shutouts over Colorado A&M and Nebraska appear to have revitalized the Wardmen. Again, this is the final game for both teams. Nebraska will wind up one of its most disastrous seasons by taking on a still potent group of Oklahoma Sooners at Memorial Stadium. The key here is the Notre Dame upset of Oklahoma last week. None of the Sooners will be able to forget that it was they who broke the longest winning streak held by a major college football team. Bomb shelters may become more appropriate than football pads for the Huskers. However, even Nebraska will have an incentive. Big Red fullback Jerry Brown is bucking to repeat his all-Big Seven honors of last year and needs a good showing to do it. If Nebraska could pull the upset of the century, they would also escape the conference cellar. The game ends Nebraska's season but OU still has Oklahoma State to go.

Oklahoma State will be warming up for their traditional tussle with Oklahoma by paying Hardin Simmons at Odessa, Texas. State has had a generally pleasant season but has seen them pile up a 5-2-1 record. Defeats include one by Arkansas, considered a pretty fair machine in the Southern Conference and one by Kansas last week. Hardin Simmons is having a better year than Nebraska, but not much.
