'Big Sisters':

Dessert Climaxes 40 Years Of Activity

Forty years of "big sister" activity on campus was climaxed with this year's Coed Counselor Friendship Dessert.

Yet how many "big and little sisters" realize what has transpired through the years in the organization?

Coed Counselors has always been primarily a service organization. Each year it gives scholarships, aids new women students during new student week, sponsors a fellowship dessert and stages the Penny Carnival.

The two traditional events sponsored by Coed Counselors, Penny Carnival and the Friendship Dessert, originated more than 20 years ago.

The first Penny Carnival was held in the spring of 1933 with board members in charge of the booths. Balloons and homemade candy were sold. A few cents was charged at each booth. Organized houses were first invited to participate in 1935; Alpha Chi Omega won the prize for the best.

An estimated 1,700 attended this year's Penny Carnival and Alpha Xi Delta's booth was judged the best of the 17 participating.

The first Friendship Dessert which was held in 1936 was actually a Friendship Dinner according to the records. All women students were invited and most hous-

es did not serve meals that night.

The dinner changed in recent years to a dessert and style show, shows the signs of the times. The price of the 1936 dinner was 35 cents compared with 30 cents for the 1957 dessert.

In the past Coed Counselors have sponsored additional events such as a Chinese Convocation for the reading of Chinese poetry, a charm school, book review and during the war, a women's ROTC drill unit.

Each year, the "big sisters" gives two \$100 scholarships, one to a deserving Coed Counselor and the other to a woman foreign student.

All the counselors are on hand each year during New Student Week as student leaders to help with registration and operate information booths.

Coed Counselors, the only campus activity to come into existence at the request of the Administration, was formed in 1927 when Amanda Heppner, Dean of Women, introduced the Senior Advisory Board to serve as "big sister" to new women students. The Board

was then part of the Girls Club Board.

Harriett Ramey was the first president and Evangeline Pelton was secretary. Miss Pelton died during the flu epidemic of World War I.

Seven years later the Board had matured sufficiently to become an independent organization. The name was changed to big sister board.

The present general structure was first adopted in 1931 and in 1936 the name, Coed Counselors was given to the group. Heading the big sisters is an executive board, with representatives from all classes.

Led by president Jo Bauman and vice-president Marilyn Waeche-ter, they never forget that their primary goal is to be a "big sister" away from home.
