# Bushmen Nip Sooners 57-54 In Tension Packed Contest

By BOB MARTEL  
Sports Editor

If one of the vendors working in the Coliseum last night would have been selling tranquilizer pills rather than apples, he would have made a fortune.

The Cornhuskers picked up their first Big Eight Conference victory 57-54 over the Oklahoma Sooners in a tension packed basketball game that wasn't over until the final whistle.

The Sooners went to the dressing room at intermission with a comfortable 31-24 lead. At half-time it looked as if Doyle Parrack's crew might make a romp of it, but the Huskers roared back after the short rest to win the ball game.

Nebraska went ahead at 13:26 of the second half and from then on it was a see-saw battle.

Paced by the fine shooting of Willie Fitzpatrick and Herschell Turner, the Huskers enjoyed their biggest margin of the evening at 4:30 when they shot ahead of the Sooners 51-43.

### Gap Closed

Oklahoma closed the gap to 35-54 with 19 seconds remaining when Joe King hit on a layup but the tall Sooner star fouled Gary Reimers and Reimers dropped in two free throws to give Nebraska their margin of victory.

The contest started out in just the same manner as it ended. The scoring lead went back and forth until the last three minutes of the initial canto when the Sooners spread their lead to seven points.

The game was tremendous from the spectator standpoint. The fans, approximately 3500 of them, really got their money's worth.

Fitzpatrick paced the Husker scoring with 20 points. Turner and Reimers chipped in with 12 and 19 points respectively.

Gene Hudson led the Sooner attack with 19 points. The Oklahoma guard was all over the court grabbing rebounds and setting up plays in addition to leading his team in scoring. Joe King helped the Sooner effort with 12 points, most of which came in the second half.

## Scottsbluff Sophomore Leads IM Track Field

Bob Knaub, brilliant Scottsbluff sophomore, is expected to shine during the University of Nebraska Intramural Indoor Track Championships tonight.

Knaub won Gold Medal honors with a broad jump of 21 feet 11 inches in the 1956 State High School Track Meet.

Last spring as a member of the University of Colorado freshman squad he copped Big Eight broad jump laurels.

In qualifying for next week's finals, Knaub led the Independents in four events. He ran the 60-yard dash in :06.6, the low hurdles in :07.4, the one-lap race in :30.1 and broad jumped 21 feet 6 1/2 inches.

Dick Place, Nebraska City, and Bob Eyth, Beatrice, running in the

Fraternity section, equaled Knaub's sprint mark.

Tom Sheldon, Lexington, was a tenth of a second slower in the low hurdles. Eyth was nearly a second back on the one-lap chase.

Bob Lammell, Beatrice, with 21 feet 2 inches, had the second best mark in the broad jump. He was competing for the Independents

## Yell Leader Still Active In Sports

By LARRY BROWN  
Special Writer

Go Big Red! Have you ever wondered who the blond, good looking fellow is that leads the Yell Squad in cheers and pep rallies?

He is Bill McQuistan, a junior in the College of agriculture from Wakefield, Neb.

Although Bill's job is often kidded and under-rated, it is one of the most important segments of university spirit. In his white denims, white tennis shoes and white sweater with the big red "N", he is the symbol of our campus athletic spirit.

Bill hasn't always been limited to keeping up school spirit from the sidelines however. At Wakefield High, he received such athletic honors as All-State Honorable Mention in football and All-County as a forward in basketball. He also ran on Wakefield's Class C State Championship Track Team.

Still Participating Bill is continuing his athletics in the intramural field at the University. He has participated in intramural football and basketball for the Theta Xi fraternity the past three years, and he has participated in intramural track the past two years.

Bill's sophomore year, he was interviewed and asked to join the Yell Squad by the Yell Squad members and their coach, J. G. Geier. He earned this post with his friendly personality, poise, and ability to work and learn. This year the Yell Squad again honored him by voting him as Yell King.

Meets With Committees Besides leading the Yell Squad at ball games and rallies, Bill's duties include meeting with the rally committee to plan all campus pep rallies. He also serves on the rally committee as a representative from Corncobs, the men's campus spirit organization. Earlier this year, Bill was chosen as the Homecoming Queen's escort and also candidate for the annual Prince Kosmet award.

and was six inches ahead of Jack Braley, Miles City, Mont., leading Frat jumper.

Sheldon and Nels Kjeldsen, Falls City, shared the high hurdles best qualifying time with :00.1.

Jerry Marpies, Wymore, with :54, was the leading quarter-miler. One-tenth of a second back came Jess Adkirs, Omaha North, a strong prospect and surprise find of the 1957-58 frosh crop.

Joe American Horse, Gordon, had the best 800-yard time of 2:06.4. Larry Fisher, Beatrice busky, hit 53 feet to lead the 12-pound shot.

## Point After Touchdown Rule Change To Add New Technique—Jennings

By GEORGE MOYER  
Staff Sports Writer

Head football coach, Bill Jennings, Tuesday said that the new point after touchdown ruling will add interest to the game.

"It was a little unexpected, but I think this new rule will prevent tie games," Jennings said. "One thing, the extra point will now involve a little technique. Up to now it has been a pretty cut and dried play," Jennings continued.

"Some of the coaches in the country didn't like the rule but we have to learn to live with it," Jennings concluded.

kicking. You'll see a lot more kick formations resulting in passing or running plays."

Oliver Disgusted Jordan Oliver, Yale — It puts an extra premium on rushing or passing and virtually eliminates kicking. . . I'm disgusted. This is the worst bunch of rules they have come up with."

Ralph Jordan, coach of Auburn's national champions — "It will make it tougher on coaches."

George Blackburn, Cincinnati — "I can't see any merit to the thing. I think it should be a one-pointer or throw it out entirely."

The change is the first alteration of football scoring rules since 1900 when a touchdown was upped from five to six points a field goal was lowered to three. Crisler said Saturday that the change would be studied for a year by a subcommittee along with a proposal to alter the position of the goal posts. No action will be taken this year on the goal post proposal.

## NEWSPAPER + PEOPLE = ACTION

Every day when newspapers and people get together, things start popping. News stories, editorials and features constantly arouse readers to action. SO DOES THE ADVERTISING.

Newspaper advertising differs from many other kinds of advertising because it is wanted. It is looked upon as news and read with as much interest. But people not only look for advertising in the newspaper—they ACT upon it. They BUY from it.

That's why advertisers, year after year, spend more money in daily newspapers than they do in radio, television, magazines and outdoor COMBINED.

Over 58,000,000 newspapers are bought daily, providing complete news, features, information—and advertising. If it's ACTION you want—ACTION you'll get—from your advertising in the ACTION medium, the daily newspaper.

## Ever meet a dreamer?

Frills instead of fundamentals are what interest him. In his future job he dreams of a carpeted office, a resounding title, an acre of polished mahogany to sit behind. Wide-awake men, on the other hand, look first of all for fundamentals—sound training, advancement opportunity, challenging work, professional associates, good pay. The frills will follow.

The Bell Telephone Companies offer such career fundamentals to wide-awake, ambitious young men majoring in the arts, the sciences, business or engineering. Why not make arrangements to talk with the Bell System interviewer when he visits your campus?
