

Underdog Delts Clip Sigma Nu Win Streak

Balanced Scoring Attack, Man To Man Defense
Lead Win; Championship Match Scheduled Today

A well balanced scoring attack and a tough man to man defense earned Delta Tau Delta a 36-24 upset win over Sigma Nu in intramural tournament action Monday night. Sigma Nu had won all twelve of its previous contests and was the odds on favorite to take the fraternity championship. The two teams will meet again tonight in a sud-

den death affair. Both now have one loss in the double elimination tournament. Naviaux Leads Larry Naviaux was the Delt standout, hitting ten points to lead all scorers. Naviaux teamed with Dick Hove on the man to man defense which kept their slightly taller opponents effectively bottled up. Bob Aden, a 6'3" ball-

handling smoothy in the post, swept both boards for the Deltas and contributed 9 points. The Sigma Nu's never got their high scoring machine off the ground during the contest. Bob Sullivan led their attack with eight markers while Ron Seymour, freshman standout, added seven. Don Wenzel and Jerry Wagner handled the ball well while Cecil Walker provided the main threat under the boards.

Important Contests

In other important tournament action today, Hitchcock Sellen leader, will meet Burr Hall B for the dormitory championship on the Ag campus court. Newman Club, led by ex-footballer Clarence Cook, will meet Chemists, whose high scoring center, Bob Prokop, is a two time all-independent intramural choice, for the independent championship.

With championships decided in Fraternity A and B leagues, Dorm A and B leagues, and independent leagues, the tournament will go into single elimination play to name an All-University champion. These games will be held as preliminaries to the Nebraska prep state tournament, Thursday, Friday and Saturday.

Eight Score Best Times Huskers Finish Last In Loop

Coach Holly Lepley's swim team came through with its best performance of the season in the Big Eight meet at Ames, Iowa last Friday and Saturday but still couldn't escape a cellar finish. Eight of the 11 Huskers who made the trip improved their best previous time for the season. Two new Nebraska varsity records were established in what Lepley termed "a great job."

"The boys did their best but in that meet it wasn't good enough," Lepley said. Oklahoma won the Big Eight crown nearly unchallenged, nabbing 13 firsts in 16 events and establishing ten conference records.

Iowa State finished second and got the other three firsts. Dale Wassmuth won both diving events for the Cyclones and Gary Petkus pulled an upset in the 60 yd. free style. In spite of the Petkus-Wassmuth assault, the Sooners scored 179 points to Iowa State's 88½. Nebraska managed only 13 markers.

Levitation? No, Gymnastics Charles Ellis seems to hang in the air as he completes an exercise on the horizontal bar in the All-College gymnastics tournament qualifying rounds Friday. Ellis went on to take third in the event.

Frosh Predicts Good 58-59 Season Garretson Played Any Position

By Ken Pocras Sports Staff Writer
"We're going to have a good team next year." This was a statement made by Bob Garretson, outstanding member of Nebraska's freshman basketball team.

Garretson, who is 6-7, hails from Peoria, Illinois. He played his high school basketball for Woodruff High in Peoria. At Woodruff High, he was selected for the Illinois all-state basketball team his junior and senior years. Also in his senior year, he was chosen for the high school All-American basketball team. He also holds numerous scoring records in the Peoria area. In his junior year, Woodruff High was runner-up in the state championships. Ekwall Persuasive After receiving all of these honors, what prompted Garretson to come to Nebraska? Coach Jerry Bush and Rex

Ekwall went to Peoria to visit Bob's parents. Ekwall is a former All Big Seven player from Nebraska. Bob and his parents were pleased with what Bush and Ekwall had to say about Nebraska.

Dent School Factor Another factor in Bob's decision was that Nebraska has a good dental college. Garretson said that Dr. Norman Carlson, a Lincoln dentist, has helped him a great deal in getting started in the dental college. Bob said, "I might switch to physical education. Right now, I'm undecided." Garretson is known for his excellent fade-away jump shot. His grade school coach started him on this shot. He also taught him to learn to shoot with both hands. Bob said that this shot is his "favorite shot." He also said that "you need a variety of shots to play in the Big Eight."

Played 'Em All Garretson should be well qualified to play any position for Nebraska next year. In the type of basketball his

Iowa State Hits Tigers Cyclones Take Second Place

Missouri forced Iowa State into overtime before succumbing to the Cyclones 63-59 at Columbia last night. The Tigers led at the half, 32-30. The win gave Iowa State a tie with Kansas for second place in the league and moved Nebraska into a tie for fourth. Missouri dropped into the last conference spot, ousting Colorado.

Sports Mag Cites Gardner

The March third issue of Sports Illustrated recognized Keith Gardner for his unofficial record breaking 60 yd. high hurdles performance against Colorado February 21. The magazine's Faces in the Crowd section had this to say of the Jamaican Jet. "Keith Gardner, long-legged Jamaican Olympian, who now does his running for Nebraska, scissored over the 60 yd. low hurdles in a quick .067, 1/10 of a second faster than the world indoor record.

A new intramural tournament has been set up by Rifle Club for individual house participation. Every house may enter a team of four girls, each of which must shoot four targets in the course of three meeting times. As they can only shoot two targets per time, each girl must come two out of the three times.

This contest will also be run on an individual basis. The winner will be chosen by taking the average of shooting two targets.

The three days being considered for this double contest are Saturdays - March 15, 22 and April 12.

Basketball
Here is this week's schedule for the basketball games: Tues. Alpha Omicron Pi vs. Tri Delt; Wed. Kappa Kappa Gamma vs. Kappa Alpha Theta; Thurs. Alpha Phi vs. Delta Gamma.

In last week's games, the Thetas defeated the Kappas; the Zetas downed the Gamma Phis; and the Kappa Deltas beat the Alpha Chis.

Thanks to Miss Clara Rausch, my golf teacher, I am able to print this vital information on the game of golf.

What Is Golf?
Golf is a form of work made expensive enough for a man to enjoy it. It is physical and mental exertion made attractive by the fact that you have to dress for it in a \$200,000 club house.

Golf is what letter-carrying, ditch-digging and carpet-beating would be if those three tasks had to be performed on the same hot afternoon in short pants and colored socks by gouty-looking gentlemen who required a

different implement for every mood. Golf is the simplest looking game in the world when you decide to take it up and the toughest looking after you have been at it for 10 or 12 years.

The game is played on carefully selected grass with little white balls and as many clubs as the player can afford. These little balls cost from 75 cents to \$25. It is possible to support a family of 10 people (all adults) for five months on the money represented by the balls lost by some golfers in a single afternoon.

A golf course has 18 holes, 17 of which are unnecessary and are put in to make the game harder. A "hole" is a tin cup in the center of the "green." A "green" is a small parcel of grass costing about \$1.98 a blade and usually located between a brook and a couple of apple trees, or a lot of "unfinished excavation."

The idea is to get the ball from a given point into each of the 18 cups in the fewest strokes and the greatest number of words.

The ball must not be thrown, pushed or carried. It must be propelled by about \$200 worth of curious looking implements, especially designed to provoke the owner.

Each implement has a specific purpose and ultimately some golfers get to know what that purpose is. They are the exceptions.

After the final or eighteenth hole, the golfer adds up his score, stops when he has reached 87 and calls it the end of a perfect day. And that is that!
