Outside World Starkweather Attorneys Two Lincoln attorneys, William F. Matschullat and T.

Clement Gaugham, were named Monday to represent Charles R. Starkweather in first degree murder proceedings.

Both attorneys are University Law school graduates. Matschullat was graduated in 1930 and Gaughan in 1928. Starkweather is charged with the first degree murder of 17-year-old Robert Jensen of Bennet.

Vanguard Landbound

The latest Vanguard missile launching was halted this ence in Nursing as well as the weekend due to foul weather. Strong winds at high altitudes would have, it is believed, torn the test rocket apart

Eisenhower Sends Greetings

Chancellor Clifford Hardin and Gov. Victor Anderson received a telegram from President Eisenhower congratulating them and others responsible for the National Water Resources Institute to be held in Lincoln Tuesday through

In the wire, President Eisenhower said that he learned of the meeting through the Secretary of Interior, the Honorable Fred A. Seaton.

Race To Moon

Secretary of State Dulles told the House Foreign Affairs Committee in a closed session that the Russians have a good start in exploiting outer space, though this country is closing the gap slowly.

United States Air Force and industry space experts have predicted that a rocket can be fired to the moon this year.

Saber Duel

Peruvian Interior Secretary Jorge Fernandez and an gripe about their full daily unnamed senator fought a duel last Sunday with cavalry schedule, but they never sabers after the senator accused Fernandez of cowardice. The senator was seriously wounded during the battle;

Fernandez received only minor cuts. The fight was termed political as well as personal.

Indonesian Strife

The Indonesian Government has placed 75 hundred 150 students and faculty, lecsquare miles of air space in and around Indonesia out of bounds to all planes except their own. The order was handed Singapore officials Sunday.

American, British and Australian people living on the ficers, island have been forced to leave.

Snowman Mystery

Joyce Chivalett, 11, of Absecon, N.J., built a snowman in her front yard. The next day she awoke to find the snow-

man still there, but later in the day it disappeared.

The mystery still remains unsolved. The temperature was below freezing all day.

French Assembly

The French National Assembly voted to intensify the war against Algerian rebels, despite parliamentary dissent. With 160 deputies absent or abstained, the assembly also voted to approve the budget of Premier Felix Gaillard. The budget is for 1,300 billion francs which is more than 3 bil-

NU Nurses Get Degrees Plus Caps

The University is the only college-trained nurses.

The School of Nursing in Sunday Omaha offers a four year program to a Bachelor of Sci-

Students take one year at freely, Worth said, nursing at the University. More Mature

Irma Kyle, says many authorities think nurses with one year of regular college work, including such subjects as speech, history and literature are more mature and more capable of assuming responsibility.

During their three years of professional training the girls ave lecture courses correlated with the specific hospital work they are doing. Only Human

Since the 110 students are only human, they occasionally complain about their new School of Nursing Building.

Completed last spring, was the first building erected on the College of Medicine campus in 30 years. It combines housing facilities for ture and laboratory class space, recreation and lounge rooms, and administrative of-

ROTC Gets

The student governing body at Kansas State College is recommending a switch to an optional rather than a compulsory two-year basic ROTC program.

According to the K-State newspaper, the Kansas State Collegian, the president of the Student Governing Association. James A. McCain, has studied the report of the body's Basic ROTC committee, and has forwarded it to the Faculty Senate's Committee on Academic Affairs.

It will be studied by the Faculty Senate with a recom-Results of a recent survey | ticipate because he "gets a mendation. If the Senate
