

Sharp Presents Hot Husker Squad Today

By Randal Lambert
Staff Sports Writer

This afternoon Coach Tony Sharpe will unveil the 1958 edition of the Cornhusker baseball team to Husker baseball followers when they entertain the surprising Missouri Tigers in the first conference action for either team. The game, which starts at 3 p.m., will be the first of a three game series that will continue with two games on Saturday starting at 1 p.m.

Mim Kubacki, regular Husker third baseman last year, will be in the starting lineup for the first time this year. Kubacki has been hampered by an injured knee, but trainer Paul Schneider gave the little fellow the go-ahead this week.

Both teams have just returned from successful southern trips which saw the Huskers post a 5-1 mark and Missouri post a 3-1 mark. Nebraska beat Houston and Tulsa each twice and split games with Rice. Missouri whipped Mississippi twice by the scores of 5-4 and 14-5. They split a two game series with Arkansas State, winning the first handily 13-0 and dropping a ten inning contest via a muffed flyball 2-3. The three wins helped Missouri settle any doubts they had about themselves because much of their last year's talent was gone by graduation or professional baseball contracts.

The Tigers starting pitcher Friday will be sophomore John O'Donahue, a 6-3 lefty who stopped highly regarded Mississippi in his first pitching assignment. Veteran Doug Gulick, 1-0 last year, and Ken Lambert, sophomore, will probably be the Missouri starting pitchers Saturday. Leading the Missouri slug-

gers are Capt. Ray Uriarte, .296 last year, and Bo Toft, .333 last year. Uriarte leads off and plays third base. He batted .500, getting 9-18, on their recent southern swing. Toft, who led the team in RBI's last year, bats cleanup. He switched this season from first base to right field. The Tigers have also been receiving some help from sophomores Gary Starr, centerfield, and Bob Haas, leftfield. Both batted .333 on the Tiger's southern trip. Rounding out the lineup are sophomore Steve Lewis, second base; basketballer Sonny Siebler, first base; weak hitting Ralph Hochgrebe, shortstop and .132 last year, and Hank Kuhlman, catcher and .184 last year. Kuhlman was a Big Seven fullback this year in football.

Siebler To Start
Nebraska will counter with Dwight Siebler on the mound. The former Omaha Legion baseball star has pitched 11 innings allowing 3 runs, 7 hits, 3 walks, and has struck out 7 men. His season record is 2 wins and 0 losses. The probable Husker starter Saturday will be veteran Charlie Ziegenbein and newcomer Enlowe Hevner of Fremont. Ziegenbein has 2 victories and 0 defeats as does Siebler. Ziegenbein pitched 9 1-3 innings allowing 5 runs, 7 hits, 9 walks, and 10 strikeouts. Hevner has pitched 7 innings allowing 3 runs, 7 hits, 5 walks, and 7 strikeouts.

Gene Torczon is the leading Husker batter with a .556 average. The leftfielder has 10 hits in 18 times at bat including two home runs and 14 runs batted in. Just a step behind Torczon is rightfielder Larry Lewis with a .480 average. Lewis has four RBI's. Pitcher Dwight Siebler is hitting at a .333 clip, but has only been up three times. Sophomore third baseman Bill Fisher is hitting .357. At shortstop will be sophomore Doug Sieler currently batting .200. Veteran Al Karle will be at second base, batting .222. Another newcomer, sophomore Ken Ruisinger will open at first base.

HUSKER HURLERS—Charles Ziegenbein and Bob Gleason picked up three of the Huskers' five victories on their recent southern swing. Ziegenbein will pitch today's opener against Missouri with Gleason ticketed to see action in relief.

Net Squad Meets Blues

The Nebraska tennis team, victorious in their last match against Tulsa University, travels again this week to face a perennially strong Creighton University team in Omaha, today.

The Huskers will be led by George Fisk and Bruce Russell who were consistent winners on the Huskers' southern tour last week. Fisk and Russell will be able assisted by veterans Art Weaver, Charles Kress, and Bill North.

Coach Bill Smith's golfers will also be in action this week as they tee off against the Creighton University golf team in Lincoln on Saturday afternoon.

Michigan Scheduled

Nebraska athletic director, Bill Orwig, has announced that the Cornhuskers will meet the University of Michigan at Ann Arbor in football in 1962.

Michigan has met the Huskers twice, taking a 31-0 victory in 1905 and battling to a 6-6 stalemate in Lincoln in 1911.

Sports Museum Houses Momentos

By Ken Poeras
Sports Staff Writer

Webster's dictionary describes a museum as a "building for an exhibit of art, science, etc." Morrill Hall is an example of this definition. Nebraska's athletic teams also have a museum on the Cornhusker campus. It is located on the second floor of the Coliseum and is known as the N Club room.

Full Of Memories
In it are packed all of the memories of victories of Nebraska's athletic teams. There

are pictures of all of the Husker teams from the year they were organized to the present. Among the many other items stored here is a football helmet worn by John Westover from 1902 to 1904. There are also footballs which were used in Nebraska's victories over Notre Dame in 1915, Pittsburgh in 1921, and Illinois in 1925. Red Grange played against the Huskers that year. There is a football that was carried by one of Nebraska's all-time greats, Johnny Bender, for a touchdown on a last minute play in 1902 against Minnesota. There is also a football that was used in Nebraska's 119-0 victory over Haskell in 1910.

The All-American certificates that were presented to Sam Francis in 1936, and to Bob Reynolds in 1950 are enshrined there. Reynolds also received a Player of the Week certificate on November 12, 1950. Bill Glassford has a certificate which was presented to him on October 29, 1950 for Coach of the Week.

Football is not the only sport which has awards. There are All-American certificates in baseball to Don Brown-1956, Fred Seger-1954, and Bob Cerv-1950. In 1952, Jim Buchanan received a basketball All-American certificate.

Cooper's Vault Cited
There is a picture of Don Cooper making a pole vault of 15 feet in the 1951 Kansas Relays. The mark stood as a national collegiate mark for only two hours. Don Laz betted the mark in California after hearing the news of Cooper's vault.
