This week marks the end of the girls' intramural basketball tournament.

Today the Tri Delts will play the Alpha Xis and Wednesday the Independents meet the winner of the preceding game. In last week's action, the Independents defeated the Alpha Xis and the Tri Delts beat the Thetas.

A Tennis Clinic will be held Thursday and Tuesday, April 22, at 5 p.m. on the tennis courts. The purpose of this clinic is not only to brief participants for the tennis tournament to be held a week from Thursday. Any other interested per-son may also attend the Clinic to learn more about tennis.

New Tournaments

Two new tournaments will begin next week. Badminton starts next Monday, with games being played Mondays and Wednesdays at 5 and 5:20 p.m. The softball tournament begins a week from Tuesday.

Personally . . .

The time between these columns is becoming greater! There is hope that in the future it may disappear completely, but I'm still attempting to get the P.E. news in once a week. With spring and all having arrived, everyone is sure to feel more athletic (maybe even me). Then girls' sports won't be neglected!

We're still golfing. Or whatever it is the class is working at. Today we're actually going outside to practice on the University High field.

At least we don't have to wear our regulation shorts and shirts out there. Girls are just too modest to walk across the campus in short shorts. Well, some of them are . . . (1 think)

'Course the boys sort of like the outfits, I hear. (Walking across campus, I mean). Rather tends to break up that heavy class schedule, you know.

Phi Kappa Psi earned the city campus volleyball crown in the fraternity division Wednesday night by downing Sigma Nu. 15-7, 15-5. The Phi Psi's came back from an early season forfeit loss to the Sigma Nu's for the title.

Phi Kappa Psi won the all Fraternity volley ball championship by downing Farm House 15-8, 15-7. For the Farm House net team, Bob Dannert and Ter-

ry Howard put up the strongest resistance. The Phi Psi's boasted Merit James and Larry Bartels as top spikers.

Merrit James and Larry Bartels were the spikers in the Phi Psi oliense while Don Brand and Cecil Walker played well for the Sigma Nu's.

Phi Kappa Psi will meet Farmhouse for the all-fraternity championship. The winner will go into a single elimination tourney with dorm and independent teams for the all-University championship.

Physical Fitness

The 1958 Intramural Physique and Fitness contests were held last week and Wesley House was declared the team champion. Wesley Hoyse was led by Forrest Strong who scored 90 out of a possible 100 points. Jerry Jingles made 881/2 and James Maul, 82

Delta Theta Phi was second in team competition and Delta Tau Delta was third.
