

Cork Rowley, Sigma Phi Epsilon junior, and Nancy Montgomery, Alpha Phi sophomore, strike a traditional pinning pose. See page 4 for other social news.

NU Offers Copies Of Conduct Rules

Code Defines Basic Policy, Sets Penalties For Violations
A separate listing of the University Student Conduct Code is now available to students at the Student Affairs office.

NU Student Receives \$2,350 Grant

Arvin Quist, a University graduate student, has been named of a \$2,350 national fellowship. The award, the National Science Foundation Predoctoral Fellowship, was awarded to Quist by a committee selected by the National Science Foundation on the basis of a national competition.

He was the recipient of the 1956-57 Minnesota Mining and Manufacturing Fellowship and the 1957-58 DuPont Teaching Assistantship, both awarded at the University.

Dr. E. Roger Washburn, chairman of the University's department of chemistry, also announced today two additional scholarship recipients: Richard Roelofs, an undergraduate student in chemistry, who was awarded the \$500 Continental Oil Company scholarship.

Larry DeVries of Lincoln, an undergraduate majoring in chemistry, who received a \$150 scholarship provided by an anonymous donor.

State High Schools Offer Regents Tests

Top students in high schools throughout the state will take the annual University of Nebraska Regents examinations on Nov. 5. Only seniors in the upper quarter scholastically may take the exams.

The exams are designed to indicate the ability to do college work. Three hundred Regents scholarships, valued at \$100 each, are awarded each year to the top-ranking students in 300 schools. In addition, 62 additional educational grants, ranging in value from \$60 to \$140 are granted. Most other donor scholarships for freshmen are based on the score of the tests, Marjorie Johnston, associate dean of Student Affairs said.

More than 3,100 seniors in 450 approved and accredited high schools are expected to take the University of Nebraska Regents examination, upon which granting of scholarships for next fall are based, Miss Johnston said.

Closing date for entry is next Monday, Oct. 6, she said. The tests will be given by each individual high school.

Lyman Hall Dedication Thursday

Bacteriology, Pharmacy Depts. Honor New Home

Lyman Hall, the new \$800,000 home of the College of Pharmacy and the Department of Bacteriology, will be dedicated at ceremonies Thursday.

Dean Joseph Burt will preside over the meeting, to be held at 14th and Vine Streets at 2 p.m.

In case of bad weather, the dedication will be held in the Morrill Hall Auditorium.

Program
Among those to appear on the program are Chancellor Clifford Hardin, Dr. Robert Hardt, a 1922 University graduate who is now president of Armour Pharmaceutical Co. of Kankakee, Ill., and James Hamik, president of the University's student branch of the American Pharmaceutical Assn.

Remarks will be given by Robert Swain, chairman of the American Pharmaceutical Assn. council, Dr. Louis Zopf, president of the American Assn. of Colleges of Pharmacy, and Dr. George Beal, president of the American Council on Pharmaceutical Education.

The invocation will be offered by the Rev. Frederick Rohle, pastor of the Lincoln Westminster Presbyterian Church.

Unveiling
A portrait of the late Rufus Lyman will be unveiled by Lewis Harris, chairman of the advisory committee of the Lyman Memorial Fund. Lyman, to whom the building is dedicated, was the founder and first dean of the Pharmacy College.

Dr. Joseph Burt, dean of the College of Pharmacy, and Dr. Carl Georgi, chairman of the department of bacteriology, will accept the key to Lyman Hall, to be presented by C. Y. Thompson, Board of Regents president from West Point.

Following their responses, Lyman Hall will be formally opened and an open house, based on the theme, "Relief From Pain," will be held from 7 to 9 p.m. and from 7 to 3 p.m.

Displays pertaining to drugs will illustrate the extraction of morphine from opium, a synthesis and testing of drugs and tablet making.

Aspirin
Aspirin tablets will be given away. Students, under the supervision of Dr. Witold Sasaki, associate professor of pharmacy and pharmaceutical chemistry, have made special "favors" for guests. Some 13 gallons of hand lo-

tion, a combination of oil, water and several insoluble solids guaranteed not to separate, has been poured into 1,728 tiny sample bottles to be given to the women. A preparation of after shave lotion will go to the men.

The four classrooms, 16 laboratories and penthouse included in the new building are distributed among three floors, and the building itself occupies an area of 39,139 square feet.

The College of Pharmacy, formerly located in 73-year-old Pharmacy Hall which was razed last month, will use the first two floors of the new building. The third floor will be occupied by the department of bacteriology, moving from Bessey Hall. A greenhouse, to be used for growing drug-producing plants needed in the study of pharmacology, makes up a part of the penthouse.

Four walk-in incubators, one of which contains a shaking shelf to permit experimentation under mobile conditions, and a walk-in refrigerator, which contains an ultra-violet light to prevent the growth of fungus, are located in the bacteriology quarters.

Storerooms are accessible from laboratories on either side and all of the laboratories are equipped with heavy stone, chemical-resistant sinks. A special laboratory is provided for faculty research.

Among the new University buildings to be financed by funds from the state's first institutional building levy program, Lyman Hall has been installed with a number of safety devices. Showers for use in fire emergencies are above each laboratory door and a plastic ceiling, which could easily be removed in case of accident, is installed in a room containing a powerful piece of machinery used for research. The machine can be controlled from outside the room.

Bells ring if anyone remains inside walk-in refrigerators after a certain period of time and if temperatures reach certain levels in the greenhouse of refrigerator.

New Hall
Lyman Hall, named for Dr. Rufus Lyman, long time chairman of the University Pharmacy College, will be dedicated Thursday. For a feature story on Dr. Lyman, see page 4.

Hello Girl Candidates To Be Judged Tonight

Fifteen Vie For Finalist Spots

Five finalists will be picked tonight for the 1958 Hello Girl title.

Fifteen coeds representing independent houses will go before a panel of judges consisting of Miss Frances Davis, BABW sponsor; Nan Carlson, Mortar Board; Dick Moses, Innocent; Bob Grimmit,

RAM; George Moyer, Daily Nebraskan; and Doris Eby, BABW president.

Candidates for the title are Jan Montgomery, Sharyl Knapp, Tryka Bell, MercaDee Bonde, Suzanne Roberts, Susan Stehl, Patty Foster, Sheryl Oberg, Myrna Rich-

ards, Carol Kucera, Mary Lou Valencia, May Hammond, Mavis Dvorak, Dorothy Glade and Joan Schultz.

The Hello Girl will be elected Oct. 11 at the Hello Girl Dance in the Union Ballroom. Last year the title went to Jane Savener, Love Memorial Hall junior.

The fifteen candidates, two from each organized independent house and seven from the Womens' Residence Halls, will be judged on the basis of appearance, poise, personality, activities and grades.

Judging

Judging will be in the Faculty Lounge of the Union at 7 p.m.

Miss Montgomery, a senior in Ag, is president of Fedde Hall, treasurer of Home Economics Club, and is a member of Phi Upsilon Omicron, VHEA and Square Dance Club.

Miss Knapp, sophomore in Ag, is social chairman of Fedde Hall, a member of Coed Counselors and Home Ec Club.

Miss Bell, sophomore from Love Memorial Hall, is a board member of BABW, a Union worker, member of Ag YWCA and Home Ec Club.

Miss Bonde, Love Memorial Hall senior, is a member of VHEA, Home Ec Club and is a cabinet member of Presby House.

Miss Roberts, junior in business administration from Terrace, is a member of Tassels. Miss Stehl, sophomore in music from Terrace, is a member of Delta Omicron.

Miss Foster, sophomore in Ag, is a board member of BABW, a member of Coed Counselors, Home Ec Club, and Home Ec-Ag Journalism Club.

Miss Oberg, Arts and Science sophomore from Womens' Residence Halls, is a member of Alpha Lambda Delta.

Miss Richards, junior in Arts and Science, is governor of the Residence Halls for Women. She is notifications chairman of Tassels and treasurer of Kappa Phi.

Miss Kucera, sophomore in Teachers, is on Coed Counselors Board. She is assistant social chairman of Womens' Residence Halls, a BABW representative, and was 1958 Miss Nebraska State Fair.

Miss Valencia, sophomore in Arts and Science, is a board member of AWS and WAA and is from the Residence Halls.

Miss Hammond, teachers sophomore from Residence Halls, is a BABW representative, and is a member of Ag YWCA. Miss Dvorak, sophomore in Teachers, is a member of Coed Counselors and Newman club.

Miss Glade, junior in Teachers, is vice president of Towne Club. She is a member of Student Council and is a board member of BABW. She is secretary of Coed Counselors.

Miss Schultz, sophomore in business, is treasurer of Towne Club. She is also treasurer of BABW.

Miss Oberg, Arts and Science sophomore from Womens' Residence Halls, is a member of Alpha Lambda Delta.

Miss Stehl, sophomore in music from Terrace, is a member of Delta Omicron.

Miss Foster, sophomore in Ag, is a board member of BABW, a member of Coed Counselors, Home Ec Club, and Home Ec-Ag Journalism Club.

Miss Oberg, Arts and Science sophomore from Womens' Residence Halls, is a member of Alpha Lambda Delta.

Miss Valencia, sophomore in Arts and Science, is a board member of AWS and WAA and is from the Residence Halls.

Contest Provides Theatre Incentives

Honorary Producer Competition Sparks Campus Ticket Sales

Four plays and an opera for four bucks. That's what the University Theatre is offering students through the organized houses on the campus.

Contest

The theatre, which this year is featuring a season of comedy, is now conducting its Honorary Producers' contest, which has become an

TV Shadow Plays Call For Players

Students interested in the TV Shadow Plays may sign up in 102 Temple Building.

The Shadow Plays are a series of dramatized folk tales to be shown on KUON every Wednesday at 5:30 p.m.

Beginning on Oct. 8, the tales will be telecast on the "Story Lady" program.

Dr. Lucile Cypresen of the speech department dramatizes the stories and reads the dialogue. She said today that more men are needed for the play casts.

The players are not required to learn lines; they pantomime the action as the Story Lady reads the lines.

Copying the art of the old Chinese and Indian shadow plays, the action and scenery are portrayed in black shadows against a white screen.

The shows are cast and rehearsed in two groups. Group I meets on Monday and Friday at 4:15 p.m. and Group II on Tuesday and Thursday at the same hour. Each group presents a one-half hour program every other week.

Ron Hull of KUON directs the program. The first two shows are "The Shoemaker and the Elves," to be presented Oct. 8 and "Rumplestiltskin," Oct. 15.

Trauernicht Chosen Adviser

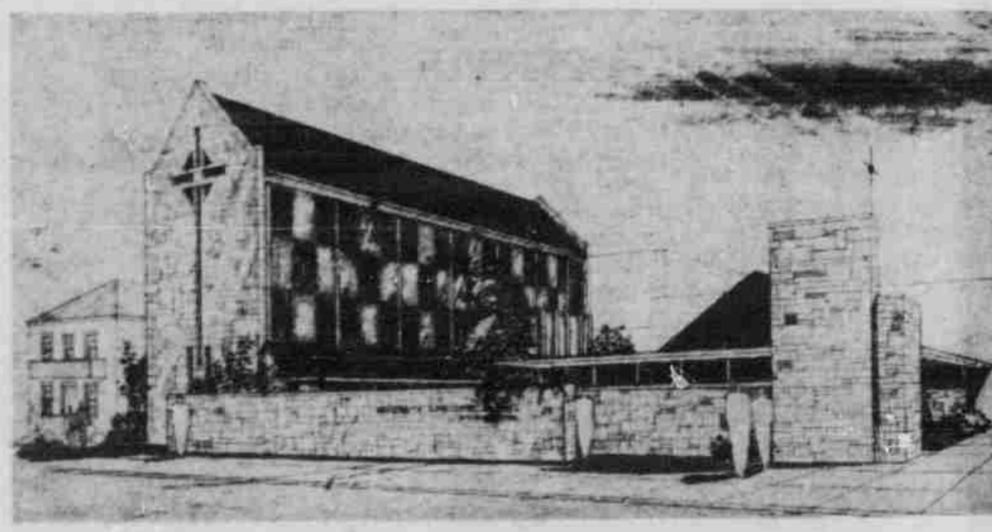

Miss Maxine Trauernicht, University High School supervisor and assistant professor of speech and speech education, has been selected faculty advisor of Alpha Lambda Delta.

She was selected at a meeting of the freshmen women's scholastic honorary.

Sylvia Rodehorst was elected historian to replace Sandra Sanger who has transferred to the University of Iowa.

Other officers elected last spring include Eleanor Kessler, president; Judy Moomwa, vice-president; Judie Williams, secretary; and Dorothy Sellentin, treasurer. Marilyn Pickett is junior adviser.

A meeting of the group will be held Oct. 9 in the Union to plan pledging and initiation ceremonies.

ABOVE IS THE artist's conception of the new University Episcopal chapel which will be built on the corner of 13th and R Streets. The building will occupy ground presently filled by the old Acacia fraternity house and the Episcopal church building.

Episcopal Chapel Plans Set

Funds Reach \$70,000; Same Site Readied

Approximately \$70,000 of a \$200,000 goal has been raised for construction of a new Episcopal Chapel and Student House.

The old chapel will probably be razed during 1959, and the new chapel built on the same site at 13th and R streets. The fund-raising campaign for the project was started in mid-March of last year. It is scheduled to run for a three-year period.

Need Evident
"The need for a new chapel to replace the present 75-year old building, which was moved to the present site about a half-century ago, is evident," said Rev. Gilbert Armstrong, University Episcopal chaplain. "The building is unsuitable for a good program with and for the students, but of even great-

er concern is the fact that the present structure is now beyond repair."
The new chapel will be 80 by 30 feet and will seat about 200 students. A hanging cross will adorn one wall of the structure, and a large memorial window will mark the other. This window will be 22 feet high. The choir loft will be on the right wall, above the pulpit.

The priest's and working sacristy will be attached to the chapel, with a study and office for the chaplain. A students' study room and student affairs room are also included.

Student House
The student house will parallel the chapel with a completely equipped kitchen, dining area and lounge. The basement will house a music rehearsal room with

Young GOP

A meeting of the Young Republicans will be held tonight at 7:30 in room 313 of the Union. Speakers will be GOP State Finance Chairman John Cooper of Humboldt and Marv Stromer of Lincoln, Republican Party State Executive Secretary.

Farm House to Attend Conclave

Thirteen members of Farm House fraternity will leave Wednesday to attend the National Farm House Conclave at Purdue University in West Lafayette, Ind., Oct. 2-4.

Highlights of the biennial event will be a banquet and the Conclave Ball Friday evening. Other program features will include business meetings and the election of national officers.

Elementary Ed Open House Set

An open house sponsored by the department of elementary education and the Assn. for Childhood Education will be held in room 200, Teachers College, from 7-8 p.m. today.

All new students majoring in elementary education may attend.
