

Huskers Hope To Escape Cellar With Victory Over Kansas

Zaruba Moves From Fullback Spot To Halfback

By Norman Beatty
An old face in a new position will be in the starting

lineup Saturday as the Huskers face the Jayhawks of K.U. He is fullback Carroll Zaruba who will start at left half. He has played alternate fullback with captain Dick McCashland this year up until now.

Kansas, who is fourth in the conference, sports a 2-2 conference record with wins over Iowa and their interstate rivals, K. State. Their losses have been at the hands of Oklahoma and Colorado.

Huskers 1-3

The invading Cornhuskers now have a 1-3 conference record with their lone win over Iowa State and losses to

K. State, Missouri, and Colorado.

Kansas has the nod in a game that can go either way.

The remaining line-up will remain the same except that Leroy Zentic will be at right tackle instead of left guard.

Floyd Marshall

Unheralded

Two of the outstanding Jayhawks are unheralded backs. They are Fred Bukaty and Mike Fisher.

The unusual thing about Fisher is the fact that he missed spring practice, but recently released from the Marines. Bukaty is an excel-

lent defensive halfback and should see plenty of action against the Huskers.

Other notables to keep in mind are Doyle Shick, who is third in conference punting with a 41.7 average, and Homer Floyd, who is eighth in the Big Eight in punt returns (Nebraska's Martz is 4th), and also the leading pass receiver for Kansas.

Marshall

Rounding out the top performers for the hosts is Bob Marshall who is 15th in the conference among the leading ball carriers. Nebraska hasn't a representative among the leading ball carriers.

The 36 man squad and five coaches will make the trek via buses to Manhattan Friday evening and plan to be back in Lincoln at about 11:30 p.m. Saturday evening.

Cross-Country Runners Travel To Big 8 Meet

For the first time in 12 years, the first man across the finish chalk in the 27th annual Big Eight conference cross country run at Norman, Oklahoma, Saturday morning may not wear the Crimson and Blue silks of Kansas.

However, when Starter F. H. "Red Sleeve" Miles' starting pistol spats flame at 10:30 a.m., sending the field of 54 runners on the three-mile trail around the old university golf course behind the stadium here, Coach Bill Easton's Jayhawkers will be heavily favored to win their 12th straight team championship, a feat that surpasses even Bud Wilkinson's clutch on the league football title.

KU Challengers
And Kansas hasn't yet conceded the individual title. Billy Mills, Kansas' Indian sophomore, Tom Stutka, Kansas, defending champion, and Berry Crawford, Kansas captain, are all tough. They'll have to be shown out on the course.

Gail Hodgson, Oklahoma's sophomore ace, conquered them last week on their own hilly terrain at Lawrence, winning the three-mile race by 25 yards from Mills. Hodgson's time was 14:57.6. Crawford was third, Stutka fifth.

However, the only all-victorious runner in the race is Joe Mullins of Nebraska. He won his fourth consecutive grind last week against Missouri at Lincoln, touring the

Scarlet course in 15:01.6 to beat Jim Sanders of Missouri by six yards.

Hodgson, unbeaten at three miles, dropped a four-mile race to Jerry Smartt of Houston October 25 at Austin, Tex. Smartt won in 19:35. Hodgson did 19:39.

The footings at Norman will be flatter than at Ames, Iowa, or Lawrence where the league hill and dale event has been held the last nine autumns. Hodgson, Mullins, Sanders, Gary Haltmeyer and John Darby of Iowa State, Joe American Horse of Nebraska, Ned Sargent and Bernie Frakes of Colorado, and Duane Holman of Kansas State are all threats to end the Kansas individual domination.

Individual champions since Bobby Grimm, Nebraska, won the 1946 race at Norman:

- 1947 Bob Karnes, Kansas, 9:50.3.
- 1948 Bob Karnes, Kansas, 9:39.2.
- 1949 Bob Karnes, Kansas, 9:35.3.
- 1950 Herb Semper, Kansas, 9:19.8.
- 1951 Herb Semper, Kansas, 9:14.9.
- 1952 Wes Santee, Kansas, 15:08.1.
- 1953 Wes Santee, Kansas, 15:06.8.
- 1954 Allen Frame, Kansas, 15:16.7.
- 1955 Allen Frame, Kansas, 15:10.1.
- 1956 Jerry McNeal, Kansas, 15:10.

1957 Tom Stutka, Kansas, 14:58.

Five Nebraskans Open For Yearlings

When Nebraska's undefeated freshmen take the field against the Kansas State Wildcats, they will have five home state boys in the lineup. The five are Jim Hoge, of Holdrege, Ken Dostal, of Scribner, Warren Dobry, of Schuyler, Mick Tinglehoff and Monte Kiffin, Lexington.

The first four mentioned constitute the left side of the line.

The two co-captains for the 3 p.m. contest are Pat Clare, who played high school football at Sioux City, Iowa, and Al Fischer, Princeton, Minnesota, guard. Clare is a halfback.

The young Wildcats are expected to launch an air attack that hinges around quarterback Gary Kershner who hit five of nine passes against Kansas University's frosh. One pass he threw covered 86 yards.

The Cats also have a running attack that is led by fullback Don Goodpasture. Goodpasture was an All-American prepster while attending Wichita East high school.

Nebraska Hosts Midwest Soccer Tournery Saturday

Saturday will see the University of Nebraska Soccer

Club hosts in the Midwest University Soccer Tournament for the first time. The tournament will be played in the south end of the Memorial Stadium and everyone is invited. Admission and programs are free.

The games in the morning will be between Carleton College (Minnesota) and Iowa State College, kick-off 9:30; South Dakota University will play Nebraska at 10:45. The two winners will play for the trophy at 3:30 in the afternoon, the two losers play-off for third place at 2:15.

Pointers

Soccer is not well known in Lincoln or Nebraska and as an introduction to the game, a few pointers might be helpful.

Each team has 11 players, playing for two "halves" of 35 minutes each with no "time outs."

Substitution, under U.S. rules, is allowed at all times, but only from 15 players who are selected before the kick-off.

Goals Kicking

Goals are scored by the ball between the goals posts but beneath the cross-bar.

The team may be divided into offensive and defensive teams, an offense of 5 players (forwards) and a defense of 6 players (backs) including the goalkeeper, who is the only player allowed to handle the ball on the field.

Infringements result from four main sources, players other than the goalkeeper

handling the ball, obstruction of players, illegal tackling and "off-sides". The innocent team in each case is awarded a free kick.

Experience

Of the visiting teams, Carleton College has been playing soccer for 5 years, South Dakota for 2 years, Iowa State for less than a year, and Nebraska founded its soccer club in September, 1957.

Carleton and South Dakota are University sponsored teams, Iowa State and Nebraska are independent clubs, Nebraska being part sponsored by Globe Laundry and Selleck Quadrangle.

Since joining the Nebraska Soccer League the Huskers have had a 10-7-3 record and collected a league trophy in the spring season this year.
