Soccer Team Wins Midwest Tourney; Blanks Both Foes

Saturday, the Nebraska Soccer team blanked two opponents on the way to the Midwest Soccer Championship.

The Huskers opened against Carlton (Minn.) College in a morning game that saw the Scarlet start slow but turn on the power at the half to pull away for the win.

Lone Goal
Martyn Bowden scored the lone goal in the first canto as the Huskers left the field at the half with an 1-0 lead. During the first half Martin Carracedo, halfback, and Albert Arrigunaga, fullback, led a stout defense against the Carlton onslaught.

The second half was a different story as the Nebraskans with a strong wind at their back dominated play with Herman Ridder scoring

was the South Dakota Coyotes whom they soundly trounced 4-0.

Large Crowd
two goals, while Monsou Danashzdeh scored one to give Nebraska a 4-0 victory.

The Huskers afternoon foe Before a surprisingly

large crowd the Scarlet and Cream dominated the play throughout the first half, but still could only come forth with a 1-0 halftime lead. The lone tally was made by Herman Ridder.

Nebraska pounded the Coyotes for three goals which were made by Ridder, Danashzadeh, and Bowden. Nebraska might have scored more if it had not been for the efforts of the Dakota goalie-field captain.

Carlton College was the runner-up as they whipped South Dakota 3-0.

Wind
Nebraska used only thirteen men in their two contests. Scoring was held down somewhat by the strong winds which prevailed throughout the tourney.

Powerful Pitt Looks Like Bad News

Michaels: No Offers

Ed Michaels, Co-captain guard from Elmira, New York, was an outstanding high school player, but many big time colleges coaches thought he never would make the grade because of his size. The 196-pound star earned a letter as a sophomore and is one of two monogram winners on this year's team. Although he played more as a sophomore than a junior, an injury hindered Michaels the latter part of the 1957 season. Nevertheless, he attended every practice he could, even if the doctors didn't want him to.

Determination
"I've never seen a boy with more guts and determination," said Howard Waite, Pitt trainer for nearly twenty years. "Kids with minor bruises have missed practice sessions, but here was a kid who was in pain when he bent over. Yet, it was impossible to keep him from practicing." Michaels never thought of coming to Pitt when he was a high school star. "I wanted to go to school close to home, but nobody wanted me. I visited Pitt, looked at the curriculum, and decided this was the place for me." Ed is taking a Liberal Arts course and hopes to work in the Pittsburgh area when he graduates next June. He will be married to Miss Nancy Tesone, a senior, on Nov. 29.

Saturday, Nebraska meets the Pittsburgh Panthers in the last home game of the season. The Huskers with a 2-6 record for the season will have their backs against the wall as they have all season when they meet the Panthers who are 5-2-1 for the season. The Pitt losses have been to Michigan State, 22-8, and Syracuse, 16-13. They were tied by Army 14-14. They have beaten UCLA, 27-6, Holy Cross, 17-0, Minnesota, 13-7, West Virginia, 15-8, and Notre Dame last weekend. The only common opponent has been Syracuse which defeated Nebraska 10-0 to Orangemen 38-0. Leading the Panthers offensively has been fullback Fred Riddle who has carried for about a three yard average. Riddle has been the workhorse of the team. Bill Kaliden and Ivan Tonic have given the Panthers a potent air arm. They have hit on almost 60 per cent of their tosses.

Dick "Yogi" Hergenrader the Sigma NU passing flash who led all University selections threw 32 touchdown passes during the season. That's a pretty good output for a guy who has never played the sport before.

Basketball starts tonight. What an operation it will be! Exactly 101 teams have signed up to play in 17 leagues. This should put about 800 boys into action on the maps during the IM season. Along about the 8th of December when basketball, handball, swimming, wrestling, and indoor track are all taking place simultaneously, there should be about 1,500 men taking part in some intramural sport in the course of a week.

Since basketball is starting, I should probably try to make a couple of predictions again. If they turn out like my football predictions did, I might as well not make them. Perhaps it would be best if I were to go about this little chore in a slightly different manner than usual.

Last Year's Champs
All-University—Hitchcock
Fraternity A—Sigma Nu
Fraternity B—Delta Upsilon
Fraternity C—Delta Upsilon
Ag College—Alpha Gamma Rho
Selleck Hall—Hitchcock
Burr Hall—Smith Independents
8 Newman Club
It's hard to tell anything about the dorm teams because of the large scale turnover of men each year. However, since Hitchcock came up with a pretty salty football team, one could guess that they have at least a better-than-average IM setup, and that they will again be tough in the round-ball sport.

Sigma NU
I have a few doubts about their capturing the big trophy though, Sigma Nu, the defending fraternity champion, has most of their boys back from

last year. They not only appear to be the best choice for frat honors but for all-U honors as well.

Phi Delta Theta will be hard to beat this year. Last year it appeared that they would wallow through all opposition without flinching too much, but they were throttled by the Deltas in the tourney. They have practically the same players back from that promising team.

Sigma Chi, Sigma Phi Epsilon, Canfield, Boucher, Beta Theta Pi, Delta Tau Delta, and Sigma Alpha Epsilon might be rated as "strong darkhorses."

Independents
Down in the Independent circles, it looks as if the Newman Club will not quite have the stuff to win the title in that division again. Most likely predecessors are probably Dental College and Phi Epsilon Kappa.

Delta Upsilon will have plenty of trouble defending their "B" title, but they should hold their own in their attempts to retain the "C" plum. Most of the DU's who were members of the "B" team that easily romped to the all-university championship last year have either moved up to the "A" team or have graduated from school. This leaves the "B" race wide open—so wide open in fact, that I won't make any predictions concerning it.

Hitchcock looks like the best bet for the dorm laurels. Out at Burr it should be Van Es. The Ag crown could go to Farmhouse.

Class "C"
From the looks of a few of the pledge classes around campus, there should be a pretty spirited race for the "C" championship. The defending DU's have some good men as do the Delt's, Phi Psi's, Sig Ep's, and Phi Delt's. This could prove to be the most interesting title race of the season. Time will tell.

And time will tell quite a bit about these predictions. Much of this has been derived from heresay, last year's performances, and just a tad of guessing. We'll see.
