Husker Swimmers Setting Torrid Pace

Many times the cold summary of a swimming meet, away from home, released by the host school does not give a good picture of what the individual members of the visiting team may have done.

This was true of the meet between Colorado, Nebraska and Utah at Boulder. Nebraska lost the dual with Colorado 47-39 and the dual with Utah 45-41. The news article mentioned that "the only Husker winner in the triangular meet was the 400-yard medley relay team in the first event." True the medley team of Jack Fair, Joe Stocker, Larry McClean, and Joe Gacusana did win, but they also set a new Nebraska varsity record with a time of 4:14.8. The team, all sophomores, has lowered their time from 4:25.8 to 4:14.8, a drop of 11 seconds. Sophomore Joe Gacusana swam a brilliant 52.5 anchor leg to win the race in the last few feet.

Dale Voss

Dale Voss, Dakota City sophomore who is currently leading the Husker team in points, swam a 2:27.7 in the 220-yard free style and a 5:26.1 in the 440-yard free style for his best time of the season in each event.

Ron Renfer swam a 25.0 in the 50-yard free style to tie his best time of the season. Branch Walton, a Lincoln

sophomore, scored 193.8 points in the one-meter diving event. His score was just 4.2 points under the winner.

McClean

Larry McClean, Fremont soph., swam to a new varsity record in the 200-yard butterfly.

Frank Tomson, Omaha junior, was just 3 of a second off his season's best in the 200-yard backstroke; and

Daily Nebraskan Sports

sophomore Joe Stocker only missed his season's best by .6 of a second in the 200-yard breaststroke.

The 400-yard free style relay team of Robin Snider, Roger Bosveld, Ron Renfer, and Joe Gacusana swam the event in 3:54.0 for their best time of the season.

Although the Huskers did lose the meets by close margins, the team as a whole performed very well. The boys battled all the way and a reversal of close touchouts in two events would have spelled victory instead of defeat for the Huskers.

Turner, Maxey Leading NU

The Husker one-two punch—Sophomore Al Maxey and Junior Herschell Turner—are deadlocked for the scoring lead.

Each has racked in 264 points in 16 games for an average of 16.5. Wayne Hester is next with 99. He had been hitting at better than 40 per cent but was blanked in the Kansas State battle.

The scoring chart after 16 games:

Nebraska Frosh Top Fairbury JC 74-66

Nebraska freshmen snapped out of a first half cold spell to dump Fairbury Junior College 74-66 in the preliminary game Monday night at the Coliseum.

Husker coach Tony Sharpe commented that this was a typical first game and said

that he felt the boys were a little tight. He singled out Elle on offense and former Lincoln prep star Bill Bow-ers for his defensive play. He said, "Fairbury has a mighty fine junior college team." Bomber coach "Red" Grovert said, "Lack of height was the biggest thing against us and we also missed some setups that might have made the difference."

Nebraska was without the services of Junior All-American Al Roots who was ineligible because he formerly

MODERN SPORTSHIRT OF ANCIENT BENGAL PAISLEY

East meets west in one of the handsomest sportshirts ever! We borrowed the ancient colorings, the classic pattern from the British troops who fought in India. But the crisp, clean tailoring is McGregor's own. So is the fabric... cool, wash 'n wear, colorfast cotton.

Button-down collar, authentic shirt-tail.

A column of incidental intelligence

"WOLF IN SHEEP'S CLOTHING"
Bible scholars know that this expression wasn't born with Red Riding Hood. It's from Matthew, VII, 15:

"Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves."

"HAIL FELLOW WELL MET"
We consider this description a compliment today, but it didn't start out that way at all. The original is in Jonathan Swift's, "My Lady's Lamentation."

"Hail, fellow, well met,
All dirty and wet;
Find out if you can,
Who's master, who's man."

"MARY HAD A LITTLE LAMB"
If you think this familiar poem is authentic Mother Goose, think again. Nobody knows who wrote Mother Goose, but your librarian will tell you that Sarah Josepha Hale composed the stanzas about Mary and her accented lamb way back in 1830.

"Oh-oh! There goes our last pack of Camels!"

More men in high places smoke Camels than any other cigarette today. For the 10th straight year, America's real cigarette outsells every other—every filter, every king-size, every regular. The Camel blend of costly tobaccos has never been equalled for rich flavor and easygoing mildness. Today as always, the best tobacco makes the best smoke.
