

### Picture Lending Library Opens

Pictures may again be checked out from the picture lending library for second semester.

Students may pick up pictures in the Union lounge from 9-12 a.m. and 1-4 p.m., Feb. 5 and 6. New pictures include examples of work by Utrillo and Picasso.

Student identification cards must be presented in order to borrow pictures.

### Council on Religion

The Council on Religion will meet Thursday at 7:30 p.m. in the Lutheran Student Association basement.

## On the Social Side: Winter Winds Blow To Cool Love's Glow

By Sue Healey  
Social life for the semester seems to be starting off slowly. The semester's initial pinnings reached a total of three, engagements numbered four.

**Pinnings**  
Nancy Trester, a Kappa Alpha Theta sophomore in Teachers from Omaha, to Kent Owens, a Delta Upsilon sophomore at the University of Colorado from Denver.  
Sally Smiley, a Kappa Alpha Theta junior in Teachers

from Omaha, to Al Ellerbroek, a Sigma Chi junior in Teachers from Bellevue.

Judy Hughes, a Pi Beta Phi junior in Arts and Sciences from Humboldt, to Keith Leech, a Delta Sigma Phi grad student in Arts and Sciences from Humboldt.

**Engagements**  
Judy Otradovsky, Kappa Alpha Theta senior in Home Economics from Schuyler, to Ken Peterson, Alpha Tau Omega senior in Business Administration from Lincoln.

Suzie Swingle, a Kappa Alpha Theta senior in Teachers from Lincoln, to Veldon Lewis, a Sigma Nu senior in Business Administration from Fremont.

Judy Decker, a Delta Delta Delta senior in Teachers from Lincoln to Roger Krhounek, a Delta Tau Delta senior in Architectural Engineering from Lincoln.

Karen Skelton, a Delta Delta Delta freshman in Home Economics from Wauneta to Gary Nordhausen, junior at McCook College from Wauneta.

### Judging Team Places at Show

University students placed first in sheep and third in quarter horse judging at the Southwest Livestock Show in Fort Worth, Tex.

The livestock judging team as a whole placed 13th out of a field of 22 teams. Texas A and M College, College Station, Tex., copped first place.

Pat Wright was high man on the Nebraska team and eighth high individual in sheep judging. Donn Simonson placed second in quarter horse judging.

Other team members include Maurice Bonne, Ted Klug and George O'Neal. Team coach is M. A. Alexander, professor of animal husbandry.

### Student To Get Crack at NY Ad Campaign

The Lincoln Promotions Council will sponsor a University student in a New York City advertising campaign April 5-10.

The student, who will participate in the annual "Inside Advertising" Week, will be granted \$200 by the Council through the University College of Business Administration, according to Dr. Phillip McVey, associate professor of business organization and management.

Dr. McVey said that one student is selected yearly from each of 65 leading colleges and universities to attend the session sponsored by the Association of Advertising Men and Women.

The representative will be selected from seniors on the basis of scholarship, interest, and future promise in the field.

TECHNICOLOR

Well-seasoned, ready to serve  
*America's second largest telephone system!*

Dishing up telephones in the right place at the right time is the sort of catering service Gen Tel specializes in.

As servants to over 3 1/2 million telephone subscribers, we strive to make communications so dependable that no one need ever give his phone a second thought.

And, in the growing communities we serve, our job is to enable more people to communicate with one another.

Indeed, Gen Tel is determined to give its growing "family" nothing but the best. That's why we never cease in our efforts to develop new products and services that will make the telephone still more convenient, economical and useful.

Knowing how vital the telephone is in modern American life, Gen Tel "invests ahead" in new plant and equipment to make sure that our telephone system will be equal to whatever task it is called upon to perform.

## JOB OPPORTUNITIES!

A General Motors representative will be on campus February 9 and 10.

Contact your college placement office to arrange an interview.

At General Motors there's room to stretch your imagination!

A single control starts, stops, and steers the Firebird III—or this GM "laboratory on wheels" can be safely guided by electronic impulses sent from a cable buried under the road!

Fabulous steps into the future, such as this, can be made only by men with fabulous imaginations. A lot of such men work for General Motors and its divisions. There's room for a lot more—maybe you.

In addition to research in the automotive and appliance fields, General Motors and its divisions are concerned with solar energy, astronautics, astrodynamics, electronics, and many fields of space engineering. If these areas of scientific study challenge your imagination, perhaps GM has a place for you at one of its plants in 71 cities.

Here is a real opportunity to put your imagination to work on everything from tiny transistors to dynamic diesels.

GM positions now available in these fields for men holding Bachelors', Masters' and Doctors' degrees: Mechanical Engineering • Electrical Engineering • Industrial Engineering • Metallurgical Engineering • Chemical Engineering • Aeronautical Engineering • Ceramic Engineering • Mathematics • Industrial Design • Physics • Chemistry • Engineering Mechanics.

**PALL MALL**  
FAMOUS CIGARETTES  
WHEREVER PARTICULAR PEOPLE CONGREGATE

You can light either end!

**Get satisfying flavor... So friendly to your taste!**

See how Pall Mall's famous length of fine tobacco travels and gentles the smoke—makes it mild—but does not filter out that satisfying flavor!

NO FLAT "FILTERED-OUT" FLAVOR!

NO DRY "SMOKED-OUT" TASTE!

HERE'S WHY SMOKE "TRAVELED" THROUGH FINE TOBACCO TASTES BEST

- 1 You get Pall Mall's famous length of the finest tobaccos money can buy.
- 2 Pall Mall's famous length travels and gentles the smoke naturally...
- 3 Travels it over, under, around and through Pall Mall's fine tobaccos!

Outstanding... and they are Mild!
