

ATO Beats Beta Sigs 46-37

Gus II Edges Past Selleck House 42-38

Two "A" teams advanced into the finals of their brackets Monday night in the only games played. ATO-"A" topped Beta Sig-"A" 46-37 and moved into the finals of the fraternity "A" championships and Gus II-A copped a 42-38 decision from Selleck-A to advance into the finals of the Burr, Selleck, Resident Hall "A" championships.

The ATO's, who led throughout the entire game, were paced by Dick Beecher with 16 points and Don Kleiber with 14.

Oscar Bredthauer topped the Beta Sig scoring with 13 and Ron Gierhan added 9.

The ATO team is undefeated in the tournament. Selleck pressed Gus II all the way but was unable to muster enough points in the last quarter to win. Footballer Monte Kiffin was high for Gus II with 10. Rodney Johnson and Bill Tuning followed with nine each.

Ron Golus dumped in 13 points for Selleck to cap top scoring honors. Bob Krall and Neal Pocock added eight and seven respectively.

The winners of the frat and resident hall divisions will meet for the Organized House championship.

NU Swimmers To Meet Minnesota and Grinnell

Travel to Minneapolis; Host Grinnell Saturday

By Tom Davies Nebraska's swimming team meets two powerful squads this week. On Thursday the Huskers travel to Minneapolis for a dual meet with Minnesota University. The tankmen

return home on Saturday to take on Grinnell College.

The Gophers recently snapped an Iowa State string of four straight victories and are ranked as one of the best in the Big Ten.

Minnesota Performers Minnesota is powered by several top performers. Chip Peterson is an outstanding performer in both the 200-yard individual medley and the 200-yard breast stroke. Jack Sullivan is a 4-58 distance man and Bud Carney, one of the most versatile Gophers, has posted times of 2:16.8 in the 200-yard back stroke and 24.0 in the 50-yard free style.

Grinnell is currently riding the crest of nine straight victories. They have won seven duals, one triangular, and one quadrangular. Their dual meet string includes victories over Wisconsin, Beloit and Cornell. The Pioneers copped a triangular with Lawrence and Cornell and topped Gustavus Adolphus, Monmouth, and Illinois Normal in a quadrangular.

Conference Winners Last season Grinnell won the Midwest Conference meet and posted a 9-2 season mark. The Huskers fell before the Pioneers 57-29 in 1958.

Grinnell has nine returning lettermen from squad plus the addition of sophomores Stan Norman who set a total of 13 college, pool, conference, and meet records as a freshman.

Grinnell, one of the small college powers of the nation, has drawn their stars from the Mississippi to California.

Huskers 7-4 Nebraska's 7-4 racked up seven wins against four losses thus far this season. The Huskers recently dropped a dual meet with Kansas. Coach Hollie Lepley is planning to take nine men to Minnesota. They are: Ron Bucklin, Roger Bosveld, Roger Corn, Joe Gacusana, Larry McClean, Ron Renter, Joe

Turner will be eight defending champions returning to

Herschell Turner Rates High Among Big Eighters

There are four ways that a basketball player can be measured. They are by scoring, rebounding, play-making and defense. If a given performer can handle even three of these well in a conference as rugged as the Big Eight he deserves All-American mention.

Turner we'll up in two he is better than most. In fact if the individual just scores enough, he is likely to be an All-American.

Six Men Tops The play-making ability and defense are hard to measure, but the scoring and rebounding can easily be measured. Based solely upon conference play only six men rank among the top ten in both scoring and rebounding.

Turner Going into Tuesday's night action Bill Bridges of Kansas leads the league in rebounding, while Bob Boozer of Kansas State ranks first among the scorers.

Take the case of Boozer for instance. On a dual rating table Boozer would get one point for leading the league in scoring and two points for being the league's second rebounder. This is a total of

three points which is best for the league.

Turner Fifth On this same scale Herschell Turner of Nebraska ranks in the fifth spot. However, this is based on 10 games, while the four men in front of him have played 11 games. With one more game Turner could easily rank as high as third. The four men in front of him are Bob Boozer, (1), Bill Bridges, (2), John Krochek, Iowa State, (3), and Don Walker, Colorado, (4). All three are from three to six inches taller than Turner.

Probably even more important is that they are all centers on their respective teams and are under the basket more than Turner, who quarterback the Nebraska team a good share of the time. Consequently they get more chances at tip shots and have more chance when it comes to rebounding.

The sixth man that rates in the top ten in both rebounding and scoring is Wally Frank, 6-8, 214 pounder, from Kansas State.

Turner would rate higher among the other Big Eight players if the statistics weren't just for conference games.

Kansas Favored to Capture Big 8 Indoor Track Crown

By Randall Lambert Kansas University once again appears to be a lead-pipe cinch to run away with the Big Eight Indoor Track and Field Championships. They will be held this weekend on Friday and Saturday in Kansas City, Mo.

Youthful Bill Carroll's Oklahoma Sooners appear to be the only team capable of giving the Jayhawks much trouble when they go after their eighth consecutive indoor title.

After Oklahoma? After Oklahoma it's anybody's guess. Nebraska, Colorado, and Kansas State figure to pick what's left. In fact any of the three could move up into the second place spot.

There will be eight defending champions returning to

Kansas City for the big show. However, any of them could very easily be dethroned. Four of them have already been beaten by conference competition. Ernie Shelby, Kansas' 26-foot broad jumper and winner of that event last year is laid up with a pulled muscle. Whether or not Shelby will be at full strength is not known.

The two new events, the 600 and 1,000 yard runs, will add spice to the card and may upset the dopsters. But it is expected they may help Kansas since the Jays are known for their corps of middle-distance and distance men.

Returning Champs The already beaten returning champions are Bernie Frakes, Colorado 2-miler; Bob

Tague in the 880 in a recent dual meet between Oklahoma and Kansas. He couldn't finish the race which was won by Gail Hodgson of Oklahoma, who barely nudged out Tom Skutka of Kansas, in 1:58.8. However, Tague had won the 600 previous to his half mile race.

Jim Green Missouri's only indoor winner last year, Jim Green, was also beaten at Michigan State. Green cleared 6-6 3/4 to tie Wilt Chamberlain for the indoor crown. At Michigan he had to settle for a third place tie when he cleared 6-1 1/2. Bob Cannon, KU jumper, won the title with a 6-4 1/4 leap.

Kansas State's winning mile relay team has also been beaten. They lost to Kansas at Michigan State by two-tenths second.

Injured Ernie Shelby spanned 25-3/4 in his first test against Oklahoma, but has since pulled a muscle in his leg. Two sophomores, Bill Toomey of Colorado and Paul Williams of Kansas have gone 24-6 3/4 and 23-10 respectively.

Another indoor king, Aubrey Dooley, has been beaten. Dooley cleared 14-0 last weekend against Nebraska, while Ken Pollard of the Huskers went 14-6. After the meet Dooley managed 14-9, but he may be pressed to retain his title that he won as a sophomore last year.

Sooner Coach Carroll

Tague, Kansas half-miler; Tom Skutka, Kansas mileer, and Jim Green, Missouri high jumper.

Dan Ralston, KU sophomore, ran down Frakes in the Michigan State relays. Ralston hit 9:13.5 to post the best indoor 2-mile clocking ever by a conference sophomore. Tague was left on the cin-

Frosh Flashes:

Swett Named to S.D. All-State Team Twice

By Hal Brown Rex Swett, who is currently the second leading scorer on the Nebraska freshman basketball team, was named to the South Dakota all-state team twice.

Swett, a 6-1, 175-pounder has scored 136 points for a 12.4 points per game average. He holds the Eastern South Dakota Conference record for number of points in conference game for a season with 309.

Led Huron, S.D. During his senior year, he led his Huron High School team through a 22-game undefeated season and the Class A championship in South Dakota. Huron finished 3rd and 5th his junior and sophomore year, respectively.

He made both the all-state and all-tourney teams his junior and senior years.

Swett is in pre-dentistry and he chose Nebraska over such schools as Kansas State, Iowa State, and Minnesota partially because of Jerry Bush and the rest of the Nebraska coaching staff and partly because of the dental college.

Also Trackster Rex was also a member of his high school track team. He ran the 100 and 220-yard dashes, the low hurdles and broad-jumped. He qualified for the state track meet all four years in the 100-yard dash and picked up a 2nd place ribbon as a junior.

He qualified in the 100-yard dash, low hurdles and broad jump his senior year, but pulled a muscle and was unable to compete. His best broad jump was 22 feet 9 1/2 inches.

Last summer, he played the infield for the Huron semi-pro baseball team in the Basin League. It is one of the best semi-pro leagues in the United States with several top college baseball players on its teams rosters. Rex intends to go out for baseball as soon as the basketball season ends.

Block-Bridle Club To Hear Dr. Blunn

The Block and Bridle Club will meet at 7:15 p.m. Thursday in Room 108, Animal Husbandry.

The speaker will be Dr. C. T. Blunn, professor of animal husbandry. He will speak on the birth and growth of Atatürk University in Turkey, which the University helped sponsor.
