Faculty Tea Party Raided; Culvert Serves Penance

AN UNIDENTIFIED participant "coming out" at the annual Faculty Coming Out Tea Party, raided Saturday night by the campus cops.

J. Piedmont Culvert, dean of the division of pre-college affairs, coed affairs and alumni affairs, spent the Monday morning prostrate on the rose rug in the glass house, his penance for mistakenly requesting a raid of a Faculty Tea Party.

Dean Culvert broke down Sunday night after a day and a night of relentless inquisition by Sergeant Bomb Burrow, head of the campus cops.

"I thought the administration officials should have been invited too," the dean confessed according to Sergeant Burrow.

"It all goes back to the Easter Party in 1967. I got a rotten egg."

The Tea Party, a coming-out party for Chancellor Rockhard Hardy (who was coming out of his walnut and chrome office after the winter's hibernation) was held south of town in the Pappa Forest, according to uninformed sources.

Sergeant Burrow, describing his part in the fiasco, said:

"At 11:22 p.m. I got a call. It was Culvert. South of town, he says. Unregistered party. Students, I thought. Naturally. Had no idea. Faculty? Never entered my mind."

"Contact city police, county police, state police, national guard, FBI. It's dark out at 11:22 p.m."

"Headed south of town. On foot. Arrived too late for the fireworks."

The chancellor's office could not be contacted. The glass walls had been fortified with cement blocks.

Deflated Beauty Is Disqualified

Linda Glutz has been disqualified as a contestant in the NU Miss Body Beautiful contest.

It was discovered that Miss Glutz had used false padding to get into the finals of the contest, judges said.

A judge told the Pink Rag that Miss Glutz could not be considered as a candidate after her measurements were discovered to be 32-24-36 instead of 33-24-36.

Miss Glutz' only comment was, "I feel terribly deflated."

AUF Chooses Needy Groups

The IFC Ball, Coed Follies, Penny Carnival, and the Kosmet Klub Spring Show have been named AUF charities for 1959.

Karen Shyster, AUF president told the Pink Rag that the above charities were deemed the most deserving and needy by the AUF selection committee.

There is no sense sending student funds off campus when there is so much need right here under our noses, Miss Shyster said.

Committees Are Added To Senate

Twelve new committees have been announced by the Faculty Senate.

This brings the total number of committees in the Senate to 796.

"We want each faculty member to belong to at least eight committees," Apple Breakbridge, dean of his faculties, said. "It gives so much more of a feeling of togetherness."

The new committees include Bird Watching, Student Watching, Bar Watching and Hopping as well as Faculty Preparedness subcommittee.

Others are a committee for The Relocation of Dislocated Spanish teachers, and also for the Dislocation of Relocated Campus Policemen. Two subcommittees on the Committee on Committees' Subcommittees have been organized.

Completing the list are four committees designed to prevent knowledge of the other committees from leaking to outside sources.

Polls Poll Planned By Pollers

The Real Wants Are Subject of Poll

The Souper-Dooper Council will conduct a public opinion poll to determine whether or not the student body favors Council opinion polls.

Dwaine Rugbee, Council president, explained the poll in the following manner:

"Duh . . . We never know what the students really want and we really want what the students really want and I'm sure everyone really wants us to really want what the students really want. That's really why we're taking this poll."

The poll will be taken in the usual manner according to Rugbee, however, this time ballot boxes will not be used.

Last time the council used the ballot boxes in the Hate Library poll they lost four of them and at the next election Council members were required to personally hold the ballots in their laps until the election was over. This was all right except a few of the council members don't have laps and thus the election had to be nullified.

Anyone who cares to express an opinion on this poll should contact a council member, Rugbee said as there will be no questionnaires printed.

Cancellor Rockhard has invited all parents to a reception Sunday.

The annual event will be held at Roca, so the "parents can get a real taste of student life," Rockhard said.

Unregistered Functions Abound, Deans May Reopen University Pub

By Condy Pro

The catacombs were overflowing with wine and people last weekend as unregistered functions reached an unprecedented high. The little black book in the basement of Bancroft revealed 380 coke dates, dinners and parties.

Deans Helena Jones and Earnest Hollerin Keepers of the Keys to the black book, said that if such mass socializing keeps up, the University Pub may reopen.

Profits from the Pub, which closed its red doors some 10 years ago, were used to keep the Chancellors official auto in good shape and the University Police Force in pencils and ticket pads.

Dean Hollerin said he presumed that if the pub were reopened, the profits would be used for the same purposes. Since the police are now writing tickets with bits of burned tree bark.

In the love and marriage department, five pinnings, two engagements, and 27 marriages threw the campus into a frenzy of serenades Monday night.

Unpinnings and unengagements were to numerous to mention. Besides, we made a considerable sum in hush money this week.

Tom Stone, Cornhusker Beauty Queen and Miss Rural Plumbing Betterment Association of 1959, was chosen the Honey of Eta Ata Pi at their annual Grape Crushers Ball Saturday night. Congratulations, Tommy.
