

NU Soccer Club Scores Victory

The University of Nebraska Soccer Club started the spring season with a (1-0) victory over the detachment of the Royal Air Force at Offutt Air Base, Omaha, Nebraska.

In the first half of the game neither team was able to score. In the second half, although the Huskers played against the wind, their defense composed of Joe Luk, Clark Boltzell, Fernando Nottobolm, Martin Carracedo, Les Heathcote and Otto Ludewig was strong enough to prevent the Brits from scoring.

With five minutes left in the game, a good combination of Fomliman Gonge, Louie Molnan, Hermann Ridder and Mossou Wodadid broke the R.A.F. defense and scored after being set up by Chiu Edmund.

This victory gives the Huskers a 3-2 record against the A.A.F. in the last two seasons.

The Huskers will practice on Thursday in front of the Coliseum 4-6 p.m. and on Saturday at 8:30 in the Field House.

Next game will be Sunday, April 12, against the Latvia Team in Lincoln at Peter Pan Park.

Jennings Sends Huskers Through Fundamentals in Opening Drills

By Keith Bland
Fundamentals and a passing scrimmage keyed the first day of spring drills for at least 101 Huskers yesterday afternoon as football coach Bill Jennings and his assistants put each player through his respective drills.

A warm April day dominated the area and a few minor injuries were reported by some of the players. Among them was Archie Cobb, Georgia Tech transfer, who injured his thumb. A few others received minor cuts and scratches.

Other Injuries
Tim Barnes and Roger Cole saw limited action due to previous wrist injuries, while Ron Meade, Minnesota quarterback, will see action in a few days when he gets out of the hospital. Leroy Zierke will also be seeing limited action until his knee injury gets better.

Coach Jennings put the squad through two hours of basic fundamentals. The team was divided into ten

different squads. Each squad coaches. Jennings followed this with a short passing scrimmage. He divided the team in half and alternated the teams on offense and defense for more than a half-hour. He then had them run a few wind sprints following their passing scrimmage and sent them to the showers.

Nebraska Pitching Still Unstable; Flock Shines

By Hal Brown
Baseball Coach Tony Sharpe is still undecided on who his three starting pitchers will be for this season, but after the fine job turned in by Dean Flock against South Dakota State, Saturday, he will undoubtedly be one of them.

Flock toiled four innings in relief Saturday and retired 12 of the 13 batters to face him. The only baserunner got on with a scratch single in the infield as only one ball got out of the infield and that was a lazy fly ball to rightfield. Flock struck out 5 as he had the Jackrabbit hitters chasing his wide-breaking curve ball.

.97 ERA

Flock has given up only one earned run this season in 10 2-3 innings of pitching to lead the team with a 0.97 earned run average. He also leads the pitchers in strikeouts with 12 and he has a one and one won-lost record.

Sharpe was fairly well pleased with the pitching on the southern trip. It was pitching which figured to cause him the most worries and it still could be his biggest headache. However, things aren't as dark as they were before the southern trip.

Inexperience could be the biggest obstacle on the pitching staff as only Bob Gleason, Gil Dunne and Enlow Hevner have pitched college ball. Sharpe would rather keep Dunne at second base unless he is forced to use him on the mound. The returning pitchers hurled only 77 1-3 innings last year as Dwight Siebler and Chuck Ziegenbein handled most of the pitching chores.

Siebler signed a professional contract with the Philadelphia Phillies and is assigned to Williamsport, Pa. of the Class A Eastern League. Ziegenbein graduated and will pitch for Fargo, N. D. again this summer.

Riflery

Ken "Spook" Ruisinger has yet to give up an earned run in five innings and he gained credit for one of the Huskers' wins on the southern journey. However, Ruisinger will probably spend most of the season at first base.

Dick Welch, a sophomore from Lincoln, collected the other Nebraska victory. Welch's main trouble right now seems to be control as he has walked four and thrown two wild pitches in 6 2-3 innings of work. He has a good 2.69 earned run average.

Orvis Larsen has pitched only two innings giving up one hit and two earned runs. The one hit off him was a home

Gleason, a senior right-hander from Fullerton, started two games on the southern swing and was charged with the loss in both of them. He has appeared in 11 innings and has a 4.86 earned run average.

Hevner started against South Dakota State and was shelled from the box in the third inning. He had allowed only one hit in the first two innings, but he lost his control in the third and wasn't able to retire a man before he was replaced by Harry Tolly. Hevner has allowed 8 earned runs in 5 innings of pitching for an earned run average of 15.40. He has no won-lost record.

Tolly, a letter-winning quarterback the past two seasons, gave up spring football for baseball and he has been fairly impressive considering the fact that this is his first taste of baseball since his American Legion Junior days in North Platte. He is a 6-2, 193 pound fireballer, who can make the mitt pop when he decides to rear back and fire. He has struck out seven in nine innings of pitching.

Ruisinger

Ken "Spook" Ruisinger has yet to give up an earned run in five innings and he gained credit for one of the Huskers' wins on the southern journey. However, Ruisinger will probably spend most of the season at first base.

Dick Welch, a sophomore from Lincoln, collected the other Nebraska victory. Welch's main trouble right now seems to be control as he has walked four and thrown two wild pitches in 6 2-3 innings of work. He has a good 2.69 earned run average.

Orvis Larsen has pitched only two innings giving up one hit and two earned runs. The one hit off him was a home

run by Jon Horning of South Dakota State with two on.

Dunne Relieves

Dunne, the captain, will probably not be used as a starter unless some unforeseen catastrophe happens. The tiny second baseman who throws mostly junk, ala Eddie Lopat, could be used in relief.

The catching outlook is bright despite the loss of veteran Jim Kane. The catching will be handled almost entirely by two sophomores, Ely Churchich of Omaha and Earl "Porky" Oltman of Lincoln. Churchich and Oltman give Nebraska the best backstopping duo that Sharpe has had in several seasons. Churchich was the starting catcher on the southern sojourn but Oltman was given the nod against South Dakota State, Saturday. Churchich is the stronger thrower but he takes a little longer getting rid of the ball than Oltman. Oltman has two hits in five times at the plate for a .400 batting average. He has one run batted in. Churchich has been up 19 times and has four hits for a .211 average. He has three rbi's. Included in his four hits is one home run.

Tolly, a letter-winning quarterback the past two seasons, gave up spring football for baseball and he has been fairly impressive considering the fact that this is his first taste of baseball since his American Legion Junior days in North Platte. He is a 6-2, 193 pound fireballer, who can make the mitt pop when he decides to rear back and fire. He has struck out seven in nine innings of pitching.
