'Hospitality' May Draw Thousand

Hospitality Days may draw approximately 1,000 Nebraska high school girls to Ag campus today and tomorrow.

The purpose of the event is to acquaint the high school girls with Nebraska's home economics department.

Speeches, tours, a noon luncheon and a style show will be the highlights of the event.

The speakers for the program will be Chancellor Clifford Hardin; Dr. A. C. Breckenridge, dean of faculties; Dr. W. V. Lambert, dean of the College of Agriculture; Dr. Florence McKinney, chairman of the home economics department; Margaret Cannell, home economics administrative assistant and Rose Marie Tondl, general chairman of Hospitality Days.

University talent will provide entertainment in the afternoon programs.

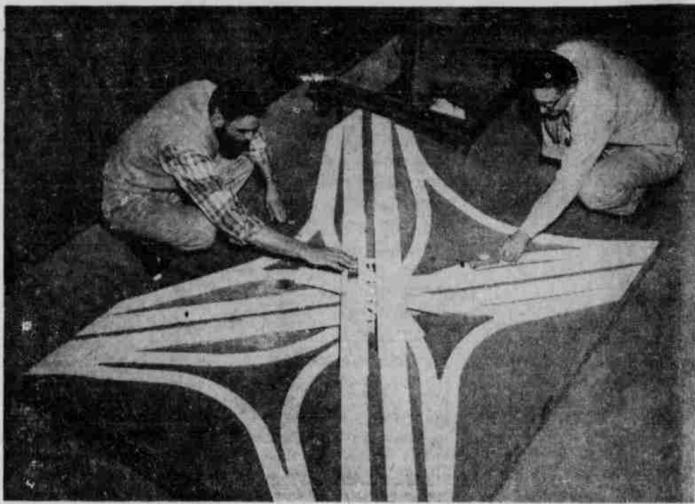

Engineer Group Selects Olson

University Extension agricultural engineer E. A. Olson has been elected chairman of the Mid-Central Section of the American Society of Agricultural Engineers.

The Mid-Central section includes Nebraska, Iowa, Kansas and Missouri.

Named to the group's nominating committee was G. W. Steinbrugge, professor of agricultural engineering at Ag College.

An Ag College senior, Dean Rowe, placed second in a technical papers contest. His paper was titled "Methods of Determining the Location of the Center of Gravity of a Tractor."

Engineers Prepare Displays

TWO CIVIL ENGINEERING students, Ronald Hazard and Richard Bischof, practice operating their cars in preparation for their E-Week display for the annual Open House. This year's E-Week activities will be open April 23 and 24.

Government agencies may start persons with a bachelor's degree at the higher salary. To qualify, it is necessary to make a good score on the written exam and have an average of "B" or better or rank in the upper 25 per cent of your college class.

Sandoz Readies TV Programs

Mari Sandoz, noted Nebraska author, will present the third program in a series of TV shows centering on creative writing on KUON-TV tonight.

Last week Miss Sandoz discussed gathering material. At 7 tonight she will discuss putting the material into manageable size, shape and form.

On a Wednesday night TV series featured at 8:30 Miss Sandoz turns to the Old West setting for stories and specific comments.

Non Greeks Set Council Interviews

A panel of independent students will interview candidates for Student Council Thursday.

Chairman of the panel, Dorothy Glade, said the interviewing board represents major unaffiliated campus organizations and will back council candidates — either Greek or Independent.

"We will back one person from each college," Miss Glade, Independent Women's Association, said.

"We plan to support either Greeks or independents because we want the best possible people on Council," she said.

Interviews will be held Thursday in Rm. 211, Union from 7-9 p.m. Persons may sign up outside Rm. 309 for interview times, Miss Glade said.

The interviewing panel will consist of two representatives from RAM, two from IWA, one from Delta Sigma Pi and one from the Co-op Council.

Anyone not able to appear at the interviews who would be interested in unaffiliated student backing may contact Miss Glade at 7-4312.

Advisory Board Selections Made

New Council Includes Representatives From Ten Campus Groups

Ten students have been named members of the first Union Advisory Board.

The new members, representing ten campus groups, are: Terry Moshier, Bob Gritmit, Nola Obermire, Diana Maxwell, George Uhlig, La Verne Nickolson, Sam Jensen, Kandiah Satkunam,

Roy Neil and Sharon Fangman.

Independent Men
Moshier, representing independent men, is a graduate student in chemistry. Gritmit is a junior in Arts and Sciences, president of the Residence Halls for men and a member of Pi Sigma Al-

pha. He is representing the Residence Halls for Men.

Miss Obermire, a junior in Ag College, is the representative of independent women. She is an Ag Union chairman, a member of Newman Club, the Centennial Committee and Love Memorial Hall.

Women Residence Halls

Miss Maxwell is the representative from the Residence Halls for Women. She is a junior in Arts and Sciences, managing editor of the Daily Nebraskan and vice president of Theta Sigma Phi.

Uhlig, representing computer students, is a grad student in education.

Nickolson is a grad student in finance. He represents the married students.

Jensen, a former Daily Nebraskan editor and former member of Innocents, represents grad students. He is a grad student in Law.

International Students
Kandiah Satkunam from Malaya is the member representing the international students. He is a sophomore in Arts and Sciences and a columnist for the Daily Nebraskan.

Neil, representing Greek men, is a sophomore in Teachers and a member of Delta Tau Delta.

Miss Fangman represents Greek women. She is a junior in Teachers and a Union chairman, member of Tassels, Newman Club and Kappa Delta.

Old Advises New
The Advisory Board will meet with the present Union Activities Committee and will advise the committee on matters concerning budget and programming.

A new constitution providing for the advisory cabinet was drawn up last semester.

Terry Mitchem, former Union board member and chairman of the committee which drew up the plans for the cabinet, explained the Union Board felt all students should have something to say about what kind of projects the Union sponsors.

Portion of Tuition
The Union receives a small amount of money from each student's tuition with which they sponsor programs and various events.

Cabinet members are interviewed and selected by the city campus Union Activities Committee.

The constitution stipulates that members of both the Activities Committee and the Advisory Board shall have equal voting privileges on matters pertaining to Union programming and program budgeting.

The two groups will jointly plan and adopt the annual City Campus Union activities program. A members of the Advisory Cabinet may at any time submit program suggestions.

Cabinet members will serve one-year terms and may not apply for a second term.

Awards Set By Union

New Chairmen To Be Revealed
Committee chairmen and board members will be revealed at the Annual Union Awards Dessert Thursday.

The theme of the banquet this year is "Rope 'em, Spur 'em, Brand 'em, U." In addition to announcing the chairmen and assistant chairmen of Union committees, outstanding workers will be named.

The members of the new Union Advisory Board will also be announced.

Students are to wear western clothes such as levis, cowboy hats and boots, according to Eileen Hansen, chairman of the event.

The banquet will be held in Parlors A, B, and C at 7 p.m.

Russell Church, Michael Derieg, Bob Eisele, Wayne Gunderson, J. P. Hereford, George Jayaw, M. Aslam Khan, Larry Luecke, Ed Schuett and Merlon Weed are the new active members.

The new associate members are Harold Biggerstaff and S. B. Treves of the Geology Department.

Rules Explained For Spring Day

Spring Day plans and competition rules were revealed Monday afternoon at a meeting of representatives from all participating houses.

The house chairmen learned that present Spring Day plans include a parade, the traditional competition games, a Union sponsored barbecue and the Union's 21st birthday party dance, all to be held on May 1.

Barbecue
Barbecue plans include closing off R St. and having the barbecue pits directly in front of the Union. Tickets will cost \$1 for the complete dinner.

The Union needs a guarantee of 1,000 tickets sold before the barbecue equipment can be rented, according to Marty Kohligian, Union food service director.

Bob Kaff, Spring Day parade chairman, described the parade which will originate

at the tower, head up Vine, down 16th, down R and across campus to the scene of the games on the practice field south of the stadium.

Slogans Asked
Kaff asked houses to build flags or banners with slogans and letters for the parade. Ag groups will start the parade, according to Kaff, and each campus house will join the parade as it passes their house.

Bob Paine, Spring Day competition chairman, explained rules for the events. Paine emphasized the importance of having rosters of participants into the Spring Day committee by noon, April 24.

There will be a ballot box provided outside the Student Council office, Union 305, for this, he said.

Men's and women's events include a tug-of-war, egg catching, and a couples' three-legged race.

3-Leg Race
Each men's house will submit one entry and each women's house two entries to the three-legged race. The competitors will be paired by the Spring Day committee and the pairings announced prior to Spring Day.

Women's events include a shot-put throw, a sack race and a balancing race. In the latter race a cup of liquid will be placed on the head of each contestant. The one with the most liquid left at the end of the race will be the winner.

The Spring Day committee did not announce the liquid to be used in this race.

Men can try their skill at push ball, catching greased pigs or pushups.

Greased Pig
This year, catching the pig will not be enough. The contestant must afterwards put him in a gunny sack and then cross the finish line.

Included in this year's competition is a mystery event in which everyone is eligible to participate. Paine stated only that it would be men and women partners and that the woman should be strong.

A trophy will be awarded the house which has the greatest number of participants. The trophies will be presented at the Union dance following Spring Day. Other awards will be given to event winners.

Individual awards this year will be 8x10 inch printed certificates stating the contestant's name, house, event and place won.

Jackie Collins explained the Union Birthday Party dance. R St. will be entirely roped off and there will be a good band for dancing, she said.

Costume for the dance is western or just casual. Sweat-shirts and levis would be appropriate, she said.

Independent Tassels Needed

Independent women who wish to become Tassel should sign up in the Union booth Wednesday through Friday.

The Tassel Tea will be held Sunday at 3 p.m. Interested independent women are invited.

Requirements are school spirit and a minimum 5.5 average.
