Wiley and Eagleton Join Pie Eating Competition Rag Award Nominee List Is Tuesday

list of nominees for the title small measure to the contri- German honorary, and presiof Outstanding Nebraskan,

Dr. John Wiley, associate professor of speech and speech athology and director of the instructor in astronomy, and

Eagleton Nominated

George Eagleton, senior in Arts and Sciences, was nominated for the student award.

The letter nominating Dr. Wiley credited him with expanding the speech therapy programs at the University.

"In 1948 the state of Nebraska can boast 18 full therapy programs, due to a great extent to Dr. Wiley's enthusiastic training of therapists and his great interest in the rehabilitation of speech, the most vital tool of everyday living.'

being "intrumental in the ROTC review. establishment of the Lincoln Colonel Eage Rehabilitation Center, as well trophy to the best drilled as an active participant in company of the Cadet Brithe programs of the Nebraska gade, C Company, 3rd Battle McNiff and William Holland have a short nose, Society for Crippled Children Group, Cadet Capt. Robert were and Adults.

Cleft Palate Team "He took an active part in establishing the Cleft Palate Team, working under the Services for Crippled Chil-

Dr. Wiley is past vice president of the Central States Speech Association and will be a guest lecturer at the University of South Dakota. He has just been elected an honorary member of Sigma Five Enter Alpha Eta, speech and hearing organization on campus.

George Eagleton said that the

NO NEED FOR CONTINUOUS **ADVERTISING**

TRAFFIC LIGHTS-Should be turned off at all dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

TEACHERS-No need to review lessons. Tell the children just once and they'll never forget.

HIGHWAY POLICE—Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

OUT OF TOWNERS-That advertise in the local paper and mail order firms that send catalogues are wasting their money. Everyone knows what is sold at stores in town and they'll all shop at home.

BUT—If you are one of the wiser kind, like the Notre Dame Cathedral that has stood for six centuries but still rings the bell every day to let people know it is there, and believe in continuous profitable advertising, then you will advertise in . . .
