FULLBACK DEPTH—Noel Martin provides the Huskers with depth at the fullback position. Martin hails from Clay Center, Kansas, where he was an all-American at Clay County Community High School.

Martin Strengthens Huskers at Fullback

By Roy Scheele
In football, as in nearly everything else, it's performance that counts. And judging from his past performance, Nebraska coaches and fans alike will be looking for big things this fall from sophomore Noel Martin.

Why do Husker faithful expect a lot from Martin? A brief look at his football laurels provides the answer, for a list of Noel's high school honors includes:

1. All-State halfback at Clay County (Kansas) Community High School.
2. Selection to the prep All-America team which participated in a North-South game at Memphis, Tenn.
3. Playing with the combined North-South squad in a contest with a hand-picked squad of Pennsylvania All-Stars at Erie, Pa.

Add to this list a successful freshman season, and you get an idea of the credentials he carries.

Fullback
Noel, who plays fullback, is currently running behind All-Big Eight Choice Don Fricke on Coach Bill Jennings's 22-man starting unit. He is one of only four sophomores who were able to crack this predominantly junior-senior group.

A hard runner with better than average speed, Martin from his linebacker slot. He has been a standout in fall camp, showing rapid improvement. A hard worker, Noel is known to the other players as "Senator." He stands 5-11 and weighs 191.

So keep your eye on Martin this fall. He's one of the reasons N.U. hopes for an improved 1959 performance. And after all, that's what counts.

IM Meeting Is Scheduled For Today

An organizational meeting will be held at 5 p.m. today in Room 114 of the Physical Education Building for all Intramural Managers.

Since the first announcement regarding league bowling times, additional times have been obtained. The additional times are 4 p.m. Monday, Tuesday, Wednesday and Thursday and Monday and Wednesday evenings.

Soccer Club Announces Schedule

The Nebraska Soccer Club will open a seven-game schedule Sunday against the Germans at Omaha.

Nebraska placed second in the Nebraska Soccer Conference, last year, finishing behind Royal Air Force.

Anyone interested in playing soccer should contact Martin Carrencedo at 2-8853.

Jennings Remodels Tandem QB Formation for Minnesota Game

By Hal Brown
The Nebraska tandem quarterback formation, used against Texas, Saturday, is being "tailored to fit the rules", according to Bill Jennings, head coach.

Minnesota will probably see the remodeled version of the formation when the Huskers travel to Minneapolis for the Gopher's opener, Saturday.

Jennings said he would carry about 35 players on the Minnesota trip. He indicated that he would continue to use the 22 man starting unit. "I feel the two teams are still pretty even," commented Jennings.

There were no changes in the 22 man unit, Monday. The top 22 are: Roger Brede and John Bond, left ends;

George Haney and Duane Mongerson, left tackles; Don Olson and John Ponsiego, left guards.

Darrell Cooper and Jim Moore, centers; Dick Kosier and Leroy Zentic, right guards; Roland McDole and Joe Gacusana, right tackles; Max Martz and Don Purcell, right ends.

Tom Kramer and Harry Tolly, quarterbacks; Pat Fischer and Dallas Dyer, left halfbacks; Clay White and Carroll Zaruba, right halfbacks; Don Fricke and Noel Martin, fullbacks.

The Huskers suffered no injuries, other than bumps and bruises, in the Texas game and everyone should be in good shape physically for the Minnesota clash.

The 26 players who saw action, Saturday, worked out in sweat clothes Monday, while the rest of the squad scrimmaged the freshmen.

In speaking of Minnesota, Jennings said, "The public has a tendency to look at their won-lost record. They had a 1-8 record last year but five of those losses were by six points or less."

Those five losses were to Washington 24-21, Pittsburgh 13-7, Northwestern 7-3, Michigan 20-19 and Indiana 6-0.

Saturday's game will be the opener for Minnesota, a team that lost six of seven starters from last year's line.

The Gophers have had trouble the past couple of years both on and off the field. Head Coach Murray Warmath and Ike Armstrong, athletic director, have been under fire from alumni groups for not winning more often.

The Gophers have met Nebraska 35 times previously with Minnesota winning 28 and losing 5 with two ties. The last time these two teams met, Minnesota was a 19-7 winner in 1954.

Minnesota has won the last three games with the last Nebraska win coming in the 1950 contest, 32-26.

Minnesota finished ninth in the Big Ten last year and they are pegged for the bottom rung again this year. They will be depending on sophomores at several positions.

After the Minnesota game, Nebraska will be at home three successive Saturdays to play Oregon State, Kansas and Indiana.

HUSKER RIGHT GUARD—LeRoy Zentic is a senior, two-letter winner on Bill Jennings football squad. Zentic has played nearly 300 minutes during each of the past two seasons. He also doubles as an outfielder on the baseball team.

Big Eight Has Dismal Weekend; Lose Six

Big Eight football teams had a dismal weekend with only one win and six losses.

Iowa State, one of the weaker teams in the conference, managed the only win, a 41-0 victory over Drake. In other action, Cincinnati upset Oklahoma State, 22-9, Penn State defeated Missouri, 19-8.

Wichita shut out Kansas State, 19-0, Washington bested Colorado, 21-12, Texas Christian outscored Kansas, 14-7 and Texas defeated Nebraska, 20-0.

Only Win
Iowa State scored almost at will against Drake and held the Bulldogs without a first down until early in the fourth quarter. Drake gained a total of only 15 yards in the first half.

Penn State quarterback Richie Lucas, an all-American candidate, dominated play at Columbia, Missouri as he passed the Nittany Lions to a 19-8 victory.

Lucas completed 10 of 11 passes for 154 yards before 28,000 spectators. The game shaped up as a battle between quarterbacks Lucas and Phil Snowden, Missouri signal caller but Lucas stole the show while Snowden gave the partisan fans little to cheer about.

Snowden was able to complete only four of 14 attempts and had two of his passes intercepted.

Kansas State, playing without its number one quarterback, John Solmos, was blanked by underdog Wichita.

The total yardage for both teams was exactly even at 228 yards but Wichita took advantage of two short Kansas State punts to sweep to victory.

Texas Christian, one of the top ranked teams in the Southwestern conference, edged Kansas in a night game to make it a clean sweep for the Southwestern conference over Big Eight opposition. Texas, also of the Southwestern Conference, handed Nebraska 20-0 defeat.

Sonny's Debut
Washington spoiled Sonny Grandelius coaching debut at Colorado with a 21-12 win. Washington's last touchdown came as a gift when the Colorado receiver let an onside kick roll into the end zone.

NEW COACH—Dick Klaas is the new University swimming coach. He replaces Holly Lepley, who resigned to accept a position at Michigan State.

Siebler and Kane Share Hero Roles

Dwight Siebler and Jim Kane, former Husker standouts on Coach Tony Sharpe's baseball team, shared hero roles in the first two games of the California League playoffs.

Siebler hurled a three-hitter for Bakersfield in the opening game of the best four-out-of-seven playoff. Bakersfield won that game, 3-0.

In the second game, a home run by Kane contributed to a 6-3 win for Modesto to even the playoffs at one game each.

Modesto went on to win the playoffs six games to two with the final game being a 17-inning affair.

Sir Isaac Newton is struck by another great idea!

IT'S WHAT'S UP FRONT THAT COUNTS

As sure as little apples, Newton knew that what goes up must come down.

But when it comes down to a really pleasurable filter cigarette, it's what goes up—in front of the filter, that is—that makes the difference!

And there's where Winston had an inspired idea—Filter-Blend! Winston specially selects choice, mild tobaccos, then specially processes them for filter smoking. The result: Filter-Blend up front of a modern filter. That's what makes Winston a complete filter cigarette.

Filter-Blend also makes Winston America's best-selling, best-tasting filter cigarette. Take it from Sir Isaac:

"You don't have to be hit on the head to know that Winston tastes good like a cigarette should!"
