Band Day festivities. On that day back in 1933, commercial, community and muncipal bands of Lincoln and a few surrounding towns were invited. They sat in the stands and played, but there was no half-time show. The program was initiated by John Selleck, at that time ath-

letic director. Rains in '38 There was a downpour of rain in 1938 when 12 high school bands attended for

the first time. A big "N" was the first formation made by the bands when 17 participated in 1939. However, parades did not begin until 1942. Previous to that year, each band presented a show and drill on the mall. The competing groups were judged according to their

"Each year we try something new," said Lentz.
"This year it's a big "N" with the 333 twirlers and a five-letter word with the band members.

But the show that takes place on band day has had many months of prepartion and many people behind it. Invitations are issued in May and after acceptance the bands are sent six numbers to work out.

University band people, too, are busy as each one is assigned a band to instruct at the Saturday morning practice session.
