

# IFC Will Discuss 'Sandwich' Secretly

IFC president George Porter stated Wednesday that the organization would hold a closed meeting next week when the Alpha Gamma Rho "sandwich affair" is being discussed. He requested that only fraternity house presidents and delegations attend. The results and rulings of the meeting will be announced to the public, he added.

The findings will be incorporated into a new scholastic proposal the committee will present to the IFC.

He also suggested that all the house averages be included in the IFC rush book. He explained that a few houses had been misrepresenting their averages, and this measure would clarify the picture.

In the following discussion, several members indicated they would rather have averages for several years published, in case a house had a bad year it wouldn't be unfairly hurt.

**Secretary Is Hired**  
Porter told the group that a secretary had been hired for \$100 a month. He said that the IFC hoped to set up a good file system of fraternity men at Nebraska.

Dr. C. B. Schultz, IFC adviser, commented that meeting minutes should be distributed to all houses to facilitate efficiency.

The Junior IFC will hold a dance Nov. 13 at the Turnpike, reported Dave Anstine, adviser to the junior group. Tickets will be \$2. The group also has begun work on its annual sorority pledge class handbook.

In final action, Porter asked members to check their houses for delegates willing to go to Grand Island in two weeks to appear on a panel before the High School.

The school is holding a "University Day" where the students will have a chance to familiarize themselves with the college. He added that the IFC will pay all the expenses.

## Steel Strike Not Slowing Ed Center

The 109-day-old steel strike still has failed to slow construction progress on the Kellogg Center for Continuing Education.

According to Noel Smith, University construction engineer, a 30-day supply of steel is available here in Lincoln and Omaha contractors have not indicated there will be a further shortage.

Smith also said Thursday that Parsons Construction Co. plans to have the youth wing up before cold weather starts. "It will be far enough along to permit a little inside work," he added.

Builders are pouring exterior basement walls and footings this week at the site on Ag Campus.

Jan. 1, 1961, is the completion date set for the \$2.6 million center which is financed by a \$1.5 million grant from the Kellogg Foundation and \$1.1 million of donations raised by the University Foundation.

## KUON-TV Celebrates 5th Birthday Monday

Many Additions, Changes Noted

On a chill cold Monday morning five years ago, a small group of people brought Channel 12, the University television station, into being.

The first day's work was short, for programs began at 9 a.m. and ended at noon. KUON-TV was produced by a handful of students and three professionals. Equipment and experience were meager.

**More Hours**  
When the station celebrates its birthday Monday, a typical program day, telecasts will begin at 8:40 a.m. and end at 10 p.m. Weekly broadcasting time will total 22 hours more than it did when the station was young.

Manager Jack McBride said, "They have been five full years — vibrant, substantive and, we hope, increasingly significant years — years that have brought many things: a channel assigned to the people of Nebraska through the Board of Regents of their own University . . . more than \$600,000 in grants and equipment . . . a full fledged modern broadcast facility . . . and more than 6,150 hours of direct television teaching and educational, cultural and informational programming."

Milestones along the growth of the station include moving to its own studios in the fall of 1957 and the recent addition of a videotape recorder.

**39 Program-Series**  
Programs which have become familiar to viewers include the 39-program series, "The Great Plains Trilogy," which is being seen throughout the country; a 12-program series of "The Art of the Theatre" and recently, seven programs featuring a noted Nebraska writer, "Creative Writing with Mari Sandoz."

What is in store for the future? Assistant manager Robert Schlater wrote for the Alumnus Magazine, "In 1964 KUON-TV will celebrate a 10th birthday. The accomplishments in the next five

## ST Speeds Through Six

The Student Tribunal quickly disposed of six cases here Wednesday.

The cases, all closed hearings, were completed in less than an hour. In previous meetings the Tribunal averaged 20-30 minutes a student.

Chairman Dick Kelley said that five of the six cases were related.

He added the group had recommended one conduct probation and five conduct warnings.

## Ticket Sales For Dance Hit 500

Presentation of the Queen will highlight the 1959 Homecoming Dance Saturday night.

The crowning will take place at 10:30 p.m. during intermission. Ticket sales for the event have reached approximately 500.

The program will begin with presentation of awards for house displays by Dave Godbey, president of Innocents. Following this, Lexy Lowell, chairman of the Student Union Dance Committee will announce the winners of the floats.

The queen is to be escorted by Yell King Brent Chambers, Don Binder, president of Corn Cobs, and Harry Tolly, president of N Club, will escort her attendants.

Fred Bliss, vice president of Corn Cobs will be master of ceremonies.

Decorations will include a big "N" on the stage and on the left will be a figure of a Nebraska football player.

An added feature, bracelets inscribed with University of Nebraska—1959, will be given to the Queen and her attendants at the crowning.

the Homecoming parade Saturday morning. Starting at 9:30 a.m. at the Mall, they will go east on Vine to 16th, turn south on 16th and go to O, turning on 11th. On 11th, they'll go to R, and on R to 12th, where they'll disband.

The new queen and her predecessor, Helen Hockabout, will ride along with an ROTC color guard and the University Band.

Coffee hours will follow the game at the Student Union, sorority and fraternity houses.

### Climax

Climaxing the celebration will be the annual Homecoming Dance at Pershing Auditorium. The Hi-Lo's, popular singing quartet, will appear and Eddy Haddad and his

band will provide music from 9 p.m. until 12 midnight.

And then — anti-climaxing the colorful festivities — will be display dismantling. Most houses schedule afternoon work sessions Sunday to take them down.

## Graduate Club May Be Formed

A graduate student coffee will be held today for the purpose of discussing the possibility of organizing a formal graduate club.

The coffee will be held in the Pawnee Room of the Student Union from 4 to 6 p.m.

All graduate students and any interested undergraduates are invited to attend.
