## Best NU Grid Season Since 1954 Is Possible

Nebraska needs only a victory over Kansas State in the final game of the season to finish the season with a .500 record.

The last time Nebraska enjoyed five wins was in 1954 when they took a 5-5 record to the Orange Bowl. The Wildcats defeated Nebraska last year, 23-6. Two years ago, the Huskers only win came against Kansas State, 14-7.

Kansas State has won only one game this year while losing eight. Their lone win came against South Dakota State in the second game of the season and since then, the Wildcats have lost seven in a row.

Nebraska worked out in sweat clothes Monday and remained inside. Everyone is expected to be ready to play in the season finale.

Pat Clare continued to lead the Huskers in total offense with 21 yards in three carries for a seven-yard average. Carroll "Pappy" Zaruba moved into second place, ahead of Clay White, by virtue of his performance against Colorado.

The senior halfback carried the ball 18 times for a total of 129 yards against the

Bufs, raising his season totals to 337 yards gained on 69 carries. Zaruba has averaged 4.9 yards per carry.

Zaruba is also the leading scorer with 24 points on four touchdowns. Clay White is second with 18 points.

## K-State Sets Collegiate Rifle Record

Kansas State's rifle team broke a national collegiate rifle shooting record in a 1453-1412 win over Nebraska. The old record was 1444.

Nebraska's score of 1412 was the best of the year for the Huskers. The loss was the first in the conference for Nebraska and leaves them with a 4-2 record.

The other loss came at the hands of Creighton but the Husker shooters avenged that loss in a later match.

Conley Cleveland led the Nebraskans in the loss to Kansas State with 288 of a possible 300 points. He was followed by Dick Christensen with 284, Bill Holland 283, Marvin Cox 280 and Mike Flannigan 277.
