### IM Track Entries Due Next Monday

The deadline for entries in the intramural indoor track and field meet is Dec. 14 at 5 p.m. Entries should be filed at Room 102 Physical Education Building.

Preliminaries will be held at 7 p.m. Dec. 15 and finals will be Jan. 12. All events will be run on the indoor track of the East Stadium.

Each organization is limited to two men in each event in the fraternity and independent groups. No individual may enter more than three running events excluding relays. There is no limit on the number of field events an individual may enter.

The best six men in each class will qualify for the finals with three alternates being listed to replace any absent competitors.

A team trophy will be awarded to the fraternity champions with medals going to the independent team champions and to the highest individual. Certificates will be awarded to all first place winners and to all record breakers.

The defending fraternity champion is Phi Delta Theta with Gus II defending champions of Selleck Hall. LeRoy Keane of Cornhusker and Richard Kier of Benton won individual honors last year.

### Study Abroad Opportunities Are Available

Five groups, each containing 25 American college students, will visit Germany, France, Austria and Spain next summer to study the language, culture and civilization of these countries during an eight-week stay.

Designed for serious students, the visit, called "Classrooms Abroad," tries to teach a seminar in area studies through a summer of actual living in one of these cities. Members of Classrooms Abroad will live with German, Austrian, French and Spanish families.

Full information on the program can be obtained by writing to Classrooms Abroad, Box 4171, University Station, Minneapolis 14, Minn.

### Freshmen Gain Second Win, 66-65

Nebraska's freshmen basketballers led it two wins in two starts against the Campus All-Stars with a 66-65 win Saturday.

Sammy Kreigh, 5-8 guard from Zanesville, Ind., led the Husker scoring with 21 points. Bob Eickholt, an all-stater from Omaha Holy Name, added 18 and Larry Bemis of Martinsville contributed 11 points to the freshman cause.

Don Smidt and George Swank, former Varsity players, led the scoring for the All-Stars with 19 and 13 points respectively.

# Hustling Huskers Win 2nd; Minnesota Invades Tonight

## Twelve Players Enter Scoring Column for NU

By Hal Brown  
Jerry Bush's Hustling Huskers won their second consecutive game with a 68-54 decision over the Air Force Academy Saturday night as 12 players entered the scoring column for Nebraska.

The Huskers began making plans almost immediately for tonight's invasion by Minnesota. Tonight's game will begin at 8:05.

### Gophers Tall

Bush's first announcement after reaching the dressing room was that there would be a practice Sunday afternoon. The Gophers will have a definite height advantage over Nebraska.

Minnesota's probable starting lineup will consist of Ray Cronk, 6-6 sophomore and Tom Benson, 6-3 1/2 senior at the forwards; Ron Johnson, 6-7 senior at center with Marlo Miller, 6-0 senior and Paul Lehman, 6-4 junior in the backcourt.

Johnson was named to the All-Big Ten team last year and is being boomed for an All-American berth this year. He was limited to only seven points Saturday night as the Gophers won their first game of the season with a 75-59 victory over Vanderbilt.

Cronk scored 25 and Miller added 14 in the romp over Vanderbilt. Minnesota a dropped their opening game

of the season to Southern Methodist.

Husker coach Bush was undecided about his starters for the Gopher clash. "We will have a need for more size against Minnesota," said Bush. "We have an advantage this year, though, we can change our lineup according to the other team's personnel."

The Coliseum Bear was elated over the fine showing by his cagers against the Air Force Academy. "We out-hustled a real bunch of hustlers," commented the Husker coach.

Major Bob Spear, coach of the Air Force, took the defeat calmly as he talked with his assistants after the game. Major Spear stated that he was very much impressed by Nebraska's Hersch Turner and Al Maxey. "I think Nebraska has a real good ball club and I forecast a fine year for Bush," said Major Spear.

MINNESOTA CENTER—Ron Johnson, 6-7, 218-pound all-Big Ten center, will present a challenge to the Huskers tonight when Minnesota invades the Coliseum. Game time is 8:05.

Turner scored nine of the first 11 points for Nebraska with Jim Kowalke getting the other two-pointer on a jump shot from the corner.

The Huskers jumped to a 13-4 lead before the Falcons found the range from the field when Jim Ulm scored the first field goal for the Air Force with a lay in after 10 minutes had elapsed in the first half.

Nebraska continued to pull away and enjoyed a halftime lead of 36-17 as Turner and Maxey led the first half scoring with 15 and nine points respectively.

Bench Cleared  
The Falcons outscored Nebraska in the second half as Bush cleared his bench using all 17 available players. Ivan Grube is still on the sidelines with a sprained ankle.

Maxey led the Huskers in rebounding with 15 followed by Turner with nine, Kowalke and Jan Wall with eight each. Nebraska out rebounded the shorter Falcons 70-39.

Nebraska found the range on 29 of 81 shots from the field for a percentage of 35.8 while the Air Force attempted only 48 shots and made 17 for a percentage of 35.4.

Nebraska has yet to get on the right side of fifty per cent from the free throw line as they connected on only 10 of 23 for 43.5 percent against the Falcons. Against Stewart Air Force Base, the Huskers made only 13 of 31 for 41.9 per cent.

### McKeever, Grady Win Scholarships

Two University junior students in Agriculture were awarded national scholarships, it was announced during the National 4-H Club Congress in Chicago last week.

Ronald McKeever won an \$800 4-H agronomy plant pathology scholarship from the California Spray-Chemical Corporation. Gil Grady was given a \$300 4-H forest economics scholarship by the Chicago and Northwestern Railway Co.

Grady's 4-H livestock projects have netted him a profit of nearly \$2,000. He started his own business five years ago, developing a custom hay hauling operation. It grew rapidly, and now he owns and operates a fleet of trucks and other haying equipment. He also employs eight men during the haying season.
