### Phi Gam's Relinquish Reluctantly

By Pat Dean A trio of pinning and engagements were announced

this week, an unusual one among them to say the least. For the second time in two years, the Phi Gamma Deltas staged a formal pinning

The reason for so few pin-nings, said one Phi Gam, is that "when we finally get them (pins) we don't want to give them away."

### Last Minute Drops Due

Saturday noon will be the deadline for dropping courses in good standing.

Mrs. Irma Laase assistant registrar, said the drops will be due in her office in the Administration Building.

She noted that the number of drops so far this year has been "normal" and added, "We have had the usual increases after down slips have been issued.

She said she kept no record of the total.

Good Day for Cleaning

BRIGHT SUN, BRIGHT WINDOWS - A bright pre-winter sun shone yesterday as temperatures reached the 40-degree mark and some windows on campus got their first cleanings since cold weather first hit last month. Dick Kennedy (left) and Bob

Jackson took advantage of the sun to clean the State Historical Society windows. An evergreen tree in the right foreground seemed rather out of place as an emblem of the approaching Christmas season.
