LUCKY STRIKE presents Dear Dr. Frood:

Historic event! DR. FROOD REVEALS HIS ADDRESS (See below)

Dear Dr. Frood: My roommate continually steals my Luckies. What should I do? Sinned Against

Dear Sinned Against: The most successful defense is the traditional African one. Mold a small wax image of your roommate. Then, at full moon, insert half a dozen common household pins into the hands of the image.

Dear Dr. Frood: If I were demented enough to want to write to you, how would I go about it? Pen Pal

Dear Pen Pal: Address your letter to: Dr. Frood, Box 2990, Grand Central Station, New York 17, N.Y.

No phone calls please. Thus far I've been unable to have a phone installed here in the box.

Dear Dr. Frood: Our football team has lost 8 games a year for the last 6 years. How can we improve our record without letting the old coach go? Alumni Pres.

Dear Alumni Pres.: Schedule fewer games.

Dear Dr. Frood: I am a 5'11" co-ed with a figure exactly like the Venus de Milo's. Would you say I should be in the movies? Lovely

Dear Lovely: I'll say anything you want me to.

Dear Dr. Frood: I told my fiancée we can't afford to get married until I finish college. She insists that two can live as cheaply as one. Is this true? Dubious

Dear Dubious: Yes. If they take turns eating.

DR. FROOD ON HARASSING HABITS OF ROOMMATES

Roommates resent these common faults in roommates: Staring at my girl's picture. Not staring at my girl's picture. Studying when I'm not. Having a homely sister. Having no sister at all. Only one thing is more annoying than having a roommate who always runs out of Luckies: Having a roommate who doesn't smoke Luckies.

Dear Dr. Frood: I was out with my girl and I saw this old lady and I laughed and I said, "Did you ever see such a worn-out old hag?" and my girl told me it was her mother. What can I do now? Outspoken

Dear Outspoken: Take your left foot in your right hand and jerk sharply until it comes out of your mouth.
