**Daily Nebraskan Star Is Turner**

**Husker Captain Named To All-Tourney Team**

By Norm Beatty  
 For the second time this year, Herschell Turner has been named the Daily Nebraskan's Star of the week.

Turner grabbed this honor via his sterling performance in the last eight Cornhusker basketball games.

Although the faltering NU cagers could master only a single victory since the Minnesota game, Turner remained outstanding throughout the barrage of near-victories.

Hersch leads the Big Red in scoring with 153 points in the last eight games for an admirable 19.1 points-per-game average. This figure was boosted considerably in the recent Missouri game when H. T. dumped in 35 points to lead Nebraska to a 78-67 win and the number seven spot in the tournament. The 6-2 senior and all-American candidate was

named to the All-Big Eight Tourney team last week. This was the second time Turner has received this honor in as many years.

The remarkable team captain and his variety of shots stand as big reasons why the Huskers remain a dangerous foe to any takers. The Scarlet has never been beaten more than nine points this season and may never be if H. T. has anything to do about it.

Turner has been instrumental in several Nebraska games since he gained a starting role as a sophomore. His play in several stirring Nebraska games are already legend in Cornhusker land.

**Reeve Is Leading Mat Prospect**

Wrestling Coach Bill Smith will have to rely on newcomers this year as his squad was hurt by graduation. One of these sophomores is Wayne Reeve, a 137-pound standout grappler from Indianapolis, Indiana.

Reeve won his division in the Nebraska Invitational Meet, defeating four opponents on the way to the title. Winning titles is nothing new for Wayne as he copped State crowns in both Indiana and Texas, wrestling in AAU meets.

His Hoosier championship came in 1952 and he added the Texas crown in '58. Last year he placed 6th in the National AAU Meet.

Reeve is 27-years old, married and has one boy. He is in Teacher's College, majoring in P. E. His interests center mainly around sports.

He began wrestling at the age of 15 as a sophomore in high school. He earned three wrestling letters at Indianapolis High. He also won two letters as a halfback in football and two as a half-miler in track.

After high school, Reeve served in the Army as a human guinea pig for medical research. During his stay at Bethesda, Maryland, he was subjected to test for research on various diseases.

**CU Basketball Court Changed To Benefit Fans**

In a move designed to benefit spectators, the playing floor in Colorado Fieldhouse has been turned around so that it runs east and west, parallel to the permanent seats at the south end of the fieldhouse.

Capacity is reduced approximately 800 seats to 6,000. But the majority of seats now are along the side of the floor rather than at the ends.

**Sevigne Expresses Optimism Over NU Track Prospects**

Optimistic is the word that expresses Nebraska track coach Frank Sevigne's attitude toward the coming indoor track season.

When asked to appraise the present Husker squad, Sevigne said that the team will have more over-all strength than any Nebraska team he has coached.

"Our chances of winning the conference this year are the best since I've been here," the coach said. "In checking each school's losses through graduation and ineligibility, and comparing freshman postal times of last year, I would say our chances of winning the indoor championships are as good as any school in the conference," Sevigne said.

In summing up the team personnel, Sevigne said that the distances would be the strongest events, with Joe American Horse and Bill Melody in the mile and two mile.

Joe Mullins and Ken Ash, a pair of two year lettermen, give the Huskers a lot of strength in the middle dis-

tances which are the 800, 1,000, and 600 yard races. Mullins won the indoor 600 last year in the conference championships at Kansas City, Mo. and the outdoor 800, setting a new conference record of 1:49.

Backing up Mullins and Ash in the middle distances will be senior Jerry Marples and sophomore Rich Kier, a New York import.

The hurdles will be well taken care of by Milt Haedt, Bill Fasano, LeRoy Keane, and Bob Knaub.

Bob Cross, one of the brightest prospects according to Sevigne, will double in the sprints and broad jump. Also broad jumping will be Knaub and Kier.

The other field events will find Jim Kraft pole vaulting, Al Wellman the shot put, and Larry Janda in the high jump.

**Bush Calls Kansas Upset His Top Sports Thrill**

Upsetting Wilt Chamberlain and the Kansas Jayhawks two years ago ranks as the number one sports thrill for Husker basketball coach Jerry Bush.

The Nebraska mentor rates the victory over the Jayhawks above the many outstanding moments in his own star-studded collegiate and professional basketball career.

He was an All-American in both 1937 and 1938 at St. John's College in Brooklyn. Later Bush was named to the All-Professional team five times.

The "Coliseum Bear" is now in his sixth year as Cornhusker head coach. Bush came to Nebraska from the University of Toledo, where

retirement from professional competition in 1947.

A third-place finish in 1954-55 is the highest conference standing during Bush's tenure in Lincoln, and the overall mark of 12-13 last year is Nebraska's best in the last five years.

Bush, whose first name is Gerard, not Gerald, began his professional basketball career in 1938 with the Kate Smith Celtics of the now defunct American Basketball League.

The "Bear" later played in the old National Basketball League with the Akron Firestones, 1939-41; Rochester Royals, 1942; and the Fort Wayne Zollners, 1943-47.

Bush played on three world championship teams while he was with the Zollners, and he joined the Detroit Eagles in the world professional tournament in 1941 and 1942. The Eagles won the title both years.

**"My talk with the Bell System interviewer is really paying off"**

Today, less than five years since he graduated from Michigan State University, Donald J. Zigman is an Accounting Manager for Wisconsin Bell Telephone Company in Oshkosh—with seven supervisory and 93 clerical employees reporting to him. His group handles billing for 350,000 telephone customers and processes \$1,500,000 in revenue each month.

Don has moved ahead fast—and steadily—but no more so than the Bell System interviewer told him he might.

"That guy made a real impression on me," says Don. "He didn't guarantee a bright future for me. He simply described the kind of varied job experience I'd get, outlined the on-the-job training I'd go through, and pointed out the advancement opportunities I'd have along the

way. The only thing he promised me was that I would have maximum exposure for self-development." He was 100 per cent right there. My training has been terrific—and I've had every chance to advance that I could possibly hope for."

After joining the company, Don spent eight months in the Plant Department learning the roots of the business. He got experience as a lineman, installer and repairman. He was transferred to Accounting in December, 1956, working in the Methods and Results section. Thirteen months later, he was Supervisor of that section—and, 14 months after that, he became Accounting Manager.

"How much farther I go now is entirely up to me," says Don. "One thing I know: the opportunities are here."

Don Zigman graduated with a B.A. degree in Economics and English. He's one of many young men who have found interesting careers with the Bell Telephone Companies. Learn what opportunities you might have. Talk with the Bell interviewer when he visits your campus—and read the Bell Telephone booklet on file in your Placement Office.
