Do You Think for Yourself?
(DIAL IN THESE QUESTIONS AND SEE IF YOU'RE IN FOCUS*)
If you saw a full-rigged sailing ship in the middle of the desert, would you say (A) "Long time no sea!" (B) "Wish they'd invent talking mirages," or (C) "Anything can happen in Las Vegas!" A B C
When a man says, "Brevity is the soul of wit," he means (A) he's about to make a long speech; (B) wise thoughts come in short sentences; (C) "Shut up!" A B C
You're caught in a pouring rain—and you're offered a lift by a pal whose driving is dangerously erratic. Would you (A) tell him you enjoy walking in the rain? (B) say, "Sure—but let me drive?" (C) accept rather than hurt his feelings? A B C
In choosing a filter cigarette, would you pick one that (A) says the filter doesn't count, only the tobacco; (B) is designed to do the best filtering job for the best taste; (C) gives you an enormous filter but very little taste. A B C
When you think for yourself... you depend on judgment, not chance, in your choice of cigarettes. That is why men and women who think for themselves usually smoke Viceroy. They know only Viceroy has a thinking man's filter—the most advanced filter design of them all. And only Viceroy has a smoking man's taste... the full rich taste of choice tobacco.
*If you have checked (C) in three out of four questions, you're pretty sharp... but if you picked (B), you think for yourself!
