Nothing New For Martin

Although it was the first time to be done on the Nebraska indoor track, clearing 15 feet is not a new thing for Oklahoma's J.D. Martin.

Martin vaulted 15 1/2 in a dual meet against Nebraska Saturday. His mark is the best recorded in the conference this season and set a new stadium record.

Last year Martin sailed over 15-3/4 during the outdoor season. This mark is the highest ever made by a college sophomore.

In the indoor circuit this year Martin cleared 15-1/2 in a Kansas dual and 15-0 at the Michigan State Relays.

Main competition in the conference meet this weekend for Martin will be afforded by Oklahoma State's Aubrey Dooley, who held the stadium record before Martin's vault.

track, a pole vaulter cleared 15 feet.

J. D. Martin, Sooner junior, vaulted 15 feet, three-fourths inch to shatter the stadium mark set by Oklahoma State's Aubrey Dooley earlier this season.

Nebraska's Joe Mullins was responsible for the other new stadium mark, touring the 1000 yard run in 2:15.7, one and two-tenths seconds faster than his previous record time.

Martin and Mullins also grabbed blue ribbons in other

events, Martin in the 60 yard high hurdles and Mullins in the 600-yard run.

Oklahoma's power in the field events proved too much for the Huskers. The Sooners racked up 30 points, as compared to six for the Huskers in the four field events.

The Nebraska cindermen grabbed firsts in the 1000-yard run, the 600-yard run, the 440-yard run and the 60-yard low hurdles.

For the first time this season coach Frank Sevigne entered a mile relay team. The team made up of Ken Ash, Mullins, LeRoy Keane and Bob Cross won the event with a time of 3:26.1.

Another Oklahoma trackman just missed setting a stadium record in the shot put. Mike Lindsay tossed the shot 57-10 1/2, a quarter of an inch under his own stadium record.

The London, England, muscleman won the Big 8 Conference meet last year with a heave of 58-4.

Nebraska garnered 6 points in the 440 when Cross, recovering from a muscle in-
