

All IM Basketball Quintet Picked

By Dave Wohlfarth

The 1960 Daily Nebraskan Intramural All-Star team features height, speed and some fine shooters. Bob Prokop of Kappa Sigma is the starting center of the team, the guards are footballers LeRoy Zentic (PEK) and Dick Kosier (Avery), and John Gutschlag of Phi Gamma Delta and Phi Kappa Psi's Jim Huge are the Pag's selection for forwards.

The selection of the starting quintet was based upon the number of votes each received from Intramural managers on their All-Opponent teams. The only repeater from last year's All-Intramural team is Prokop, who was this year's leading vote getter.

Prokop averaged 17 joints per game this season in leading the Kappa Sigs to the Fraternity 'A' finals. The 6' 7" pivot man played his best game against the Phi Psis, dropping in 21 points and clearing the boards in superb fashion.

Threat Anywhere

Prokop is not only dangerous in close, but is also a threat from anywhere. Quite often, he comes out to slow down play and bring the opposing team's big man away from the hoop. A tough man on the boards, 'Porky' has a deft touch with his southpaw shots.

Last year Prokop led the Chemists to the All-University title and this year will be his fifth straight as a member of the All-University team. He was also an All-Star on Nebraska's AAU team in 1959 and 1960.

Prokop, a graduate student majoring in chemistry, is a member of Phi Lambda Upsilon.

Prokop attended Wilber High School where he won 12 letters. Participating in basketball, track and football.

'Porky' is very active in intramurals participating in

football, softball, volleyball, badminton, horse shoes, table tennis and basketball.

He rated the Phi Gams as the toughest team the Kappa Sigs have faced this year.

Guards Are Footballers

The starting guards, Kosier and Zentic, are also both guards on NU's football team. Kosier is 5' 10", 190 pound junior and Zentic, a senior, stands 5' 11" and tips the scales at 200.

Kosier was a main cog in Avery's spirited attack this year. Dick hit 17 points per game with a high of 26. The burly floor general was a 2nd team selection on the Intramural team when he was a freshman.

Kosier, who is active in the intramural bowling, softball, golf, paddle ball and basketball programs, has won two varsity football letters.

He is a high school graduate of Watertown, S.D., where he won three monograms as a guard in football, two as a basketball guard and three in track.

Kosier is in Teachers College and plans to be a physical therapist.

Zentic played forward for PEK but is listed on the Rag's team as a guard, due to his shifty floor play and hot outside shooting. The Rock Island, Ill., product has a deadly long jump shot.

Besides basketball, Zentic plays intramural volleyball and in 1957 was a member of the 2nd place team in the All-University Volleyball Tournament.

Zentic is a member of the Husker varsity football and baseball squads. He has won three letters in football and will be seeking his second baseball 'N' this spring.

The hard-hitting outfielder was a top hitter in NU's surprising second place conference finish last spring.

This fall LeRoy won the Fred Lorenz Award for the Most Outstanding Lineman for Nebraska.

★ ★ ★ ★

Zentic is in Teachers College and majoring in Physical Education. He is a member of "N" Club and secretary of PEK.

Football, basketball and baseball were Zentic's interests in high school as he earned eight letters competing in football, was a forward in basketball and pitched and played the outfield in baseball.

Top Rebounder

One of the top rebounders in intramural basketball this year was Phi Gam John Gutschlag. The 6' 4", 198 pounder hauled down many rebounds in a successful season for the Phi Gams.

'Gutsch' averaged 14 points a game, playing forward. His top game was against the Kappa Sigs, who ranked as the toughest team Gutschlag faced. He hit nine field goals and five for five free throws to score 23 points as the Phi Gams came within four points of downing the undefeated KS team, 53-57, in the Intramural Tourney.

Gutschlag is a sophomore in Teachers College and is active in Builders and Mu Epsilon Nu, teachers honorary. Last year he was on the freshman basketball squad.

His intramural activities include basketball, football, softball and volleyball. Next year Gutschlag will perform for the AAU National Life cage club.

He attended Omaha Benson where he lettered twice in basketball.

Rounding out our team is Jim Huge, sophomore forward from Holdrege. Huge was the big gun in the Phi Psi attack this year, scoring at a 22 point per game clip. His scoring ability was especially evident in the tourney when he canned 38 points against Alpha Gamma Rho.

Jim was on the All-University Track Championship team this year as the Phi Psis copped the cinder crown.

Huge is the third football player of the starting five. The 6'0", 190 pound athlete plays end for NU.

Huge's Holdrege career included three letters in basketball, two in football and three in track. He was a halfback in football and a broadjumper and highjumper in track. In basketball he played center and forward and was named on the High School All-American team.

The Pre-Med student, enrolled in the College of Arts and Sciences, was recently named a candidate for Eligible Bachelor at NU.

Second Team Tough

The second team also features a good all-around attack with good shooters and has adequate height. The shortest man on the second unit is Sigma Nu's Ron Seymour at 5' 10", but Seymour is the proud possessor of a real good outside set shot.

Roger Brede, 6 foot NU griddier is a tough rebounder and lines up with Larry Tomlinson, 6' 1", at the forward spots. Brede played for Avery and Tomlinson performed for Gus I.

At the opposite guard spot from Seymour is Beta Theta Pi's Larry Romjue. Romjue at 5-11, led the Betas into a surprise finals berth in the Fraternity 'A' Tourney.

Bob Brandes, Alpha Tau Omega, is the center for the second team. The 6' 4" Brandes, a first team selection a year ago, owns a deadly turn-around jump shot and is a top boards man.

Kappa Sigma Captures IM Basketball 'A' Title

Kappa Sigma won the Fraternity Intramural Basketball Tourney Tuesday night with a 47-41 victory over Beta Theta Pi.

Big Bob Prokop paced the Kappa Sig attack with 24 points on 10 field goals and four for eight free throws. Prokop hit 15 in the third quarter to break open the game.

The Betas outscored KS 12-9 in the final period and closed the gap to two points, 39-41, late in the game when Bill Kendall hit three straight buckets.

Kappa Sigma's tight defense held high scoring Larry Romjue to three points, all on free throws as they won their ninth straight.

Gus I upset Hitchcock 44-32 to remain in contention for the Burr-Selleck 'B' Tourney Championship. The two teams will meet again tonight to decide the title.

High scorer for Gus I was

Warren Robry with 14 points while Ramon Abrahamson hit 14 for the losers.

In Wednesday night's action Delta Tau Delta B tripped Sigma Nu B 44-35, Selleck A beat Hitchcock A 41-30, Phi Epsilon Kappa defeated the Dents, 36-29 and Theta Xi A dumped the Inter-Varsity, 61-36.

In the evening action, Delta Tau-Delta B, paced by John North, slipped past Sigma Nu's B squad. North was high man with 13, while Dick

Schmoker led the Sig Nu's with 17.

Selleck A captured the second event by dropping Hitchcock, as Selleck's Ron Golus dumped in 11 to pace the victors. High scoring honors for the losers were taken by Dave Johns with 14.

Phi Epsilon Kappa squeaked past the Dent school behind the rapid shooting of PEK's Schulmen, who ended the evening with 15 points, while Bob Highland chalked up 11 for the Dents.
