

Husker's Turner Named To Big 8 All Star Team

Three Nebraska cagers were named to the Associated Press's Big Eight Conference All Star basketball team for 1960.

Husker Captain Herschell Turner was named to the first

Herschell Turner

team, while Jim Kowalke and Al Maxey were tabbed with honorable mention titles.

Turner, who was the first Nebraska basketball player to reach 1,000 points in his col-

lege career, joined the first team with two players from Conference champions Kansas University, one player from Missouri and one from Kansas State.

Conference Leader

Wayne Hightower, leading scorer in the Conference, and Bill Bridges were named from the Jayhawk team. Kansas put on a strong late season drive to edge out Kansas State in a post-season playoff to earn the Big 8 title.

Hightower was the only unanimous choice of the coaches, sportswriters and sportscasters that picked the team.

The 6-8½ sophomore from Philadelphia, Pa., averaged 21.8 points in 28 games, including the NCAA games at Manhattan, Kan.

Bridges is the only repeater from the all star team last season.

Bridges snagged 385 rebounds to take the Conference rebounding title, edging out Hightower by two.

Henke Led Tigers

Charles Henke, a 6-7 junior from Malta Bend, Mo., paced the Missouri Tigers throughout the season. Henke was runner-

up in scoring and rebounding. He averaged 19.2 points a game and snagged an average of 10.8 rebounds.

Rounding out the first team is Wally Frank, big (6-8) center for the Kansas State Wildcats. Frank, started the season slowly, but ended the 1960 campaign with a 17.2 point average.

Weightmen Prepare for Intramurals

Intramural weight lifting will begin April 25 and run through May 7, according to Intramurals Activity Director Ed Higgenbotham. Individual entrants register with Jim Maul, 108 PE Building. The tourney will be held in the Weight Room in the Coliseum basement.

The deadline for team entries is April 22 at 5:00 p.m. An organization may enter as many men as it wishes. The scores of the top seven weight lifters will be added to determine the team score. Entries should be turned in to 102 PE Building.

The tournament will feature six different lifts and competition will be held in seven divisions. The lifts are the press, clean and jerk, bench press, squat, and dead lift. The curl or upright rowing motion may be substituted for the snatch.

Each lifter will be allowed five attempts on each of the six lifts. His best poundage from each lift will be added to obtain the lifter's six lift total.

A contestant's points will be determined by scoring one point for each pound in excess of the qualifying total for his division.

The division and their qualifying totals are:
123½ and under 950 lbs.
132¼ and under 1000 lbs.
148¾ and under 1080 lbs.
165¼ and under 1160 lbs.
181¾ and under 1230 lbs.
198¼ and under 1300 lbs.
Heavyweight 1350 lbs.

Byers Takes Fifth Place In NCAA

Karl Byers, co-captain of the Nebraska gymnastics team, finished in a fifth place tie with Ray Hadley of Illinois in the side horse event at the NCAA gymnastics championships at University Park, Pa. Saturday evening.

Byers, Nebraska's only entry in the national event, scored 90.5 points. A crowd of 6,000 people saw California's Jim Fairchild score a 96 to dethrone teammate Art Shurlock, the defending champion in the side horse.

Shurlock dropped to third, as he was edged out by Bill Buck. Buck, from the University of Iowa, totaled 95.5 points.

Fourth place was taken by Illinois' Bill Lawler, who scored 91.5 points.

At Nebraska he will work on the two-mile and 440-yard run events.

Bowlers Aim for Loop Win

The University of Nebraska bowling team will compete in the Big Eight meet April 9. The meet will be held in the Kansas State student union at Manhattan.

Five other conference teams are entered in the meet. Two Big Eight schools, Iowa State and Oklahoma, are not participating. Teams are made up of five men and all competition is on a team basis.

The scoring will be by awarding one point for each team victory and one point for each 50 pins scored by a team. Each team will play the other teams in the meet, making a total of five matches to be played.

All teams will bowl at the same time, beginning with the first match at 7:30 a.m. Saturday. A banquet and presentation of awards will be held at 7:00 that evening.

Stu Kutler, Bill Vacek, Jerry Dondlinger, Ralph Holmstrom, and Gary Starck will comprise the Husker squad. Holmstrom has the team's high average with 195 pins in 24 games.

Al Maxey Will Join Tracksters

Al Maxey is the latest addition to the Nebraska track squad.

The outstanding cager was a cross country runner in high school, and he finished third in that event at the state meet in Indiana.

At Nebraska he will work on the two-mile and 440-yard run events.

NEBRASKAN SPORTS

Date Change Forced By Weather

There is only one thing certain about spring football practice. It is not going to start as scheduled, according to Coach Bill Jennings.

The sessions, which were originally set to start March 28, have been moved back because of weather conditions.

"If we can possibly go on April 4, we will," the Husker mentor said. "Otherwise, it will have to be on April 18 as spring vacation starts April 11. It all depends upon how soon the deep blanket of snow covering the practice areas disappears."

The late starting date for practice will not change the date of All-Sports Day, scheduled for May 7, according to John Bentley.

Nebraska Entry Gets 2nd in K-State Relays

Nebraska's shuttle hurdle relay team picked up second place in the fourth annual Kansas State Invitational Indoor relays Saturday.

The relay team, made up of Bill Fasano, Milt Haedt, Steve Smith and LeRoy Keane, was the only entry of the Cornhuskers.

The meet was dominated by Kansas University. The Jayhawks won or placed in all 10 events they entered, setting records in three of them. The new marks were established in the distance medley, the 3,000 meter run and the 75-yard high hurdles.

The traveling trophy for the best over-all performance in the university relay events went to Oklahoma State for the second straight year. The Cowboys picked up four second places.

The college class trophy went to Emporia State, which picked up blue ribbons in the distance medley and the mile and two-mile runs.

Another meet record was

tied during the afternoon preliminaries. Paul Williams, speedy Kansas University representative, was clocked in :07.5 in the 75-yard dash. He was beaten in the finals by teammate Charlie Tidwell.

Oklahoma State's Aubrey Dooley turned in one of the best individual performances of the meet. Dooley won the pole vault, clearing 15-0. Past NCAA champion Jim Graham, passed up the meet because of an injury.

Shifty Defense Beats Declarer

By Alfred Sheinwold

The national tournament now in progress in Jackson, Miss., brings to mind some of the hands that caused a stir in earlier tournaments. Some of these appeal chiefly to tournament players, but many of them can teach all of us a lesson.

South dealer
Both sides vulnerable
South won the first trick with the ace of diamonds and led the suit right back. West played low, and South ducked in dummy, allowing East to win with the nine.

These first two tricks were identical at many tables of a tournament, and at most of them East made a routine heart return. This was made to order for South: he played a low heart and then had an easy time winning 8 or even 9 tricks.

At one table South managed to down at one notrump. It wasn't easy for him to find a way to go down; he got some help from the opponents.

Deceptive Shift

East made a deceptive shift

at the second trick, when he was given a diamond trick. East shifted to the queen of clubs!

Look at this play from East's point of view. If South has both the king and jacks of clubs, he will almost surely win two club tricks no matter what East does. If South lacks one of the missing club honors, the lead of the queen may give him a problem.

Now look at the clubs from declarer's point of view. It seemed very likely that East had led from a club suit headed by the queen-jack. If so, South could make sure of a club trick by ducking the first time but covering the jack. For this reason South played a low club.

When the queen of clubs held, East knew he was on the right track. He continued with his low club.

South played low, still under the impression that East had the jack of clubs. As it happened, West was able to win with the jack of clubs. He promptly returned a club to East's ace, and the defenders wound up with four clubs, two diamonds and a heart, defeating the contract.

That lead of the queen from A-Q-x will work surprisingly often when dummy has 10-x-x. It's worth remembering.

Columbus discovers the Winston Hemisphere

IT'S WHAT'S UP FRONT THAT COUNTS!

"Flavor, Ho!" The Admiral Shouted As He Sighted FILTER-BLEND

From the Captain's Log ...

One Day Out. Weighed anchor and set sail in search of a filter cigarette that really tastes like a cigarette. Crew thinks this is wild goose chase.

One Week Out. Have sighted many filter cigarettes and smoked same. Crew still thinks the world is flat.

One Month Out. Discovered New World of smoking pleasure:

Winston! It is the only cigarette with a modern filter plus Filter-Blend — rich, golden tobaccos not only specially selected, but also specially processed for filter smoking. Crew now thinks this is a pleasure cruise.

One Year Out. Crew has mutinied. Refuses to go back to the Old World (non-Winston Hemisphere). I agree. Therefore I am founding a colony called Filter-Blend. Colony's motto will be:

Winston tastes good... like a cigarette should!
