

39 Letters, 22 Numerals Awarded to NU Athletes

By Norm Beatty
A total of 39 letters and 22 freshman numerals were awarded to the various members of the University of Nebraska winter sports teams, according to Athletic Director Bill Orwig.

Basketball topped all other winter sports with 19 round-batters winning awards. Twelve varsity letters and seven frosh numerals were given out.

Herschell Turner, who set a new scoring record this year, heads the list of varsity monogram winners. He was accompanied by Bob Harry who was held from competition for the last two games after a brilliant season.

Wayne Hester, Lincoln, was the only other senior who won a letter this year.

Other varsity lettermen include Bill Bowers of Lincoln, Al Buck, Ft. Wayne, Ind. and Jan Wall of Lincoln who will make up the Husker rebounding corps next year.

They will be ably assisted by veterans Jim Kowalke of Sioux City, Ia. and Albert Maxey of Indianapolis, Ind. who finished directly behind Turner in scoring for the 1959-1960 season.

The remaining varsity letter winners who will be back next year to boost Jerry Bush's team are Al Roots of Kansas City, Mo., Rex Swett of Huron, S.D. and Phil Barth of Omaha. These three will probably provide able quarter-backing for the 1960-1961 team.

The Huskers will get help from the following freshmen who have won numerals: Tom Ernst, Columbus; Sam Kreigh, Zanesville, Ind.; Richard Muma, Chadron; Chet Paul, Lincoln (top scorer for the frosh for the past season); Mike Stacey, Weeping Water and Homer Uehling, Uehling.

Fred Rickers of Wayne and Martin Swan of Lincoln won varsity and freshman awards for student managers respectively.

Dozen Swimmers
A total of 12 athletes won varsity swimming letters. This group is highlighted by Joe Stocker who holds Husker breaststroke records and diver Jim Frank.

Others are: Don Benson, Scottsbluff; Roger Bosveld, Mason City, Ia.; Ron Bucklin, Lincoln; Larry Ferrell, Lincoln; Larry McClean, Fremont; Kuniaki Mihara, Omaha; Myron Papadakis, Omaha; Jim Pickett, Lincoln; Fran Tomson, Omaha; and Branch Walton, Lincoln.

14 For Gymnasts
In gymnastics there were 14 awards given, 11 varsity and three freshman. Phil Hall, Husker standout who missed the latter part of

the season due to an injury, heads the list.

Dennis Anstine, Hastings, Bowers, Lincoln; Bill Brass, Sargent; Karl Byers, Lincoln; Herbert Hanich, Lincoln; Virgil Kubert, Lincoln; Doug Moore, Omaha and Charles Williams of Ainsworth also won varsity gymnastic letters.

Freshman numeral winners were Louis Burkel, Beatrice; Richard McCoy, Lincoln and William Murphy, North Platte.

William C. Wax of Lincoln was given a varsity letter for his student manager work.

Only four wrestlers won varsity letters this year. The promising freshman squad produced five numeral winners.

The otherwise drab wrestling team had a brilliant standout this year in heavy-weight Jim Raschke, a sophomore who was the winningest Husker wrestler this year.

The other three athletes who won wrestling letters on the varsity team were Jim Faimon of Lawrence; Garry Harley of Grand Island and George Rethmeier of Neligh.

Gymnast Albers Will Come to NU

KEEP YOUR EYE ON THE (SNOW) BALL . . . Ken Ruisinger, first baseman for the Huskers bats with a shovel as teammates try to clear away snow that has blanketed the Husker diamond since two days after Christmas. Ely Churchich assumes his catching position with Elmer Takenishi backing him up. LeRoy Zentic

helps clear the home plate area as Doug Sieler works the third base line, also with a shovel. The Husker baseballers are scheduled to open the season Friday against South Dakota State, but it's going to take more than shovels to clear the diamond.

—Have Parts, Will Travel— While Recruiter's Away The Thieves Will Play

Cornhusker assistant football coach Dick Monroe is having trouble keeping his car in one piece.

Thursday Monroe returned from a recruiting trip and discovered his steering wheel had disappeared from his car, which had been parked in back of the Coliseum. After finally securing a new one he invited Husker Aide Jack Braley to join him at lunch Friday.

But Monroe wasn't to get off so easily. The car wouldn't

start. After checking under the hood, he found that the carburetor, the air filter, the fan and several other parts were missing.

Dick commented, "Fortunately, I was able to get it towed away Friday afternoon, otherwise it would have all disappeared, tires, motor and all."
