Tennis Preview

Oklahoma State Favored To Take Big 8 Net Title

Oklahoma State is again picked to win the Big Eight tennis championship. The Okies lost only their No. 3 man from last year's championship team.

Oklahoma with the return of seven lettermen is expected to give them a tough battle

for first place. Joe Harris, Oklahoma's No. 1 netman from last season, is the only netter lost through graduation. Dunny Vance, who teamed with Harris to take the Big Eight doubles championship last year, returns to anchor the Sooner squad.

Kansas has three lettermen from last year's fifth-place team, but two sophomores are fighting for the No. 1 position. Kansas lost four out of their top five netters from last season through graduation.

Iowa State will have only two lettermen on their 1960 team although a third is in school. Glenn Trapp, a veteran of two years play, did not go out for tennis this year to devote more time to his studies.

Patterson-Johan Return Fight Set

A contract between Floyd Patterson and Ingemar Johansson will be signed soon in New York, according to Edwin Ahlquist, Johansson's manager.

Only a few minor details, primarily concerned with formal legalities and problems regarding the first fight stand in the way of the signing for the fight, tentatively set for June 22.

Johansson took the title from Patterson with a third round knockout last June and neither has fought since.

Ahlquist met with Thomas Bolan of the promoting Features Sports, Inc. Sunday to discuss the final arrangements.

Ahlquist said that Johansson wants everything cleared up so that he can come to New York, sign the contract and return to Europe the next day.

John Nared Chooses NU

John Nared, all-state high school basketball player for two years, will enroll next fall at the University, Coach Jerry Bush announced.

Nared, who is 6-2, paced the Omaha Central quintet this past season.

Nared also excels in track. He has cleared 6-3 in the high jump.

Grid Trio Will Attend University

Coach Bill Jennings has announced that three outstanding high school football players will enroll at the University this fall. They are John Kirby, Duncan Drum, and LaVane Johnson.

Kirby was all-state and all-America his senior year. Kirby from David City St. Mary's is 6-3 and weighs 215. He stands in the upper half of his class scholastically.

Drum, another all-stater from Fremont, also has signed a grant-in-aid. Coach Jennings said. Drum is 6-1 and weighs 205. He is a center and linebacker. Duncan is a brother of Mic Drum, one of the top ends on the Husker freshman team.

Johnson was a six man all-state selection from Eagle. He played fullback at Eagle. He is 5-10 and weighs 200.

Missouri's Bob Davis, senior pole-vaulter, is one-half of the only all-American brother act in Tiger history. Bob was named to the 1958 all-American track squad, while Jack — Bengal outfielder — made the first A-A team in 1957.

A three-time participant in the College World Series, the University of Missouri's baseball teams have the fourth-best winning percentage on the NCAA books — 14 wins and 5 losses for a .737 mark.
