

# Big 8 Baseball Teams Stay Inside for Practice

Nearly all the Big Eight baseball teams are being forced to go directly from their fieldhouses into actual competition.

Even the Oklahoma Sooners, who are usually basking in sunshine by March 1st, were outdoors only a couple of days before dropping a 16-15 decision to Texas in their opener.

Other conference schools who have opened their schedules with only limited time outdoors are Kansas State, Kansas and Colorado.

Colorado opened its campaign with a 10-1 win over Colorado Mines last Saturday. The Buffs were outdoors nearly a week before the opening encounter. Kansas and Kansas State weren't so fortunate as they saw no sun-

shine until their openers, Monday.

Both the Jayhawks and the Wildcats opened on the road with Kansas State meeting Memphis State and Kansas traveling to Fayetteville, Ark. to face the Arkansas Razorbacks.

Iowa State and Missouri are slated to open the 1966 schedule Friday with the Cyclones hosting Minnesota and the Tigers meeting Memphis State on the road. Nebraska is scheduled to open the season Monday with South Dakota State providing the opposition.

Colorado will be depending on sophomores to carry the brunt of the load this year. The Buffs have only three regulars among the six returning lettermen from last year's squad which finished fourth in the Big Eight with a 7-3 record and 11-10 overall.

Centerfield Gene Lenderman is the leading returnee. He hit .333 a year ago and was named to the All-Fifth District NCAA team. The other returning regulars are Ben Brauch, who will shift from short to third and Gordy Wiss, who will come in from right field to handle the catching chores.

The other returning lettermen are pitchers Joe Beckner, Bert Johnson and Ken Stancato. All were second-line hurlers last season.

**Kansas Rebuilding**  
Kansas is in the middle of a rebuilding program after losing seven lettermen for various reasons. The Jayhawks will have an all-rookie infield and only one veteran returns in the outfield. Norm mailen, the team batting leader with a .311 mark is the lone returnee in the outer garden.

Tom Holler, 5-4 with an

earned run average of 3.68 last year, leads a rookie-dominated mound staff. Holler will be backed by first-year men Ken Hensley, Jim Ragan and Jerry Waldschmidt.

Missouri, who forfeited 13 games last season when it was discovered outfielder Gene Orf was ineligible, has only six returning lettermen. The Tigers were in the thick of the pennant race with Oklahoma State when the forfeits ruined their chances.

Coach John Simmons lost his top four pitchers from last year's squad. John O'Donoghue signed a professional contract. Don Miller was declared ineligible and Bud Harbin and Bob Cooper graduated.

At Iowa State, Coach Cap Timm lost two key men in pitcher Grant Halsne and infielder Lee Olmstead but he has 10 lettermen returning including three pitchers. Halsne, who was 7-1 last season, signed a professional contract with the Cincinnati Reds. The three returning hurlers are Bob Locker, Ken Green and Nick Bruno.

## NU Squad Outside Monday

Baseball coach Tony Sharpe sent his Husker team outside Monday for the first time since practice opened at the beginning of the semester.

The Nebraska baseballers went through a lengthy hitting drill on the outfield grass as they continue to prepare for the season opener. Nebraska is scheduled to open the 1966 campaign playing host to South Dakota State Monday and Tuesday.

The Huskers will travel to Manhattan to open the Big Eight chase against Kansas State, April 8 and 9.

## Meeting Friday

All men interested in going out for golf should attend golf meeting in the N-Club room in the Coliseum Friday, April 1, at 4:00 p.m.

## Middle Distances NU Strong Point

By John Jett And Norm Beatty

The middle and long distances will be among the strongest events of the Husker track team. "We'll hold our own in these events, that's for sure," said Frank Sevigne, head track coach.

The main reason for Nebraska's strength in the distances is Joe Mullins. The Husker track captain, a senior this year, picked up a first and a second place in the Big Eight Conference indoor track meet last February. His 1:12.3 clocking in the 600-yard run not only won the race but set a new meet record. His second place came in the 1000-yard run, behind Cliff Cushman from Kansas.

Mullins, Dick Kier, Kenny Ash, and possibly Jerry Marples will run in the 880. Kier, a New York City middle distance flash, finished fourth in the 880 in the indoor conference meet. He has run the 880 in 1:56.

The two-mile run will feature Joe American Horse, Paul Neilsen, and the possibility of Bill Melody. American Horse, a former prep star from Gordon, is one of Sevigne's best distance runners. He finished second in the indoor two-mile behind homa State.

Running in the mile will be American Horse, Bill Melody, and possibly Joe Mullins. Both American Horse and Mullins have toured the mile in less than 4:13. American

Horse finished sixth in the indoor mile.

In sizing up the conference Sevigne said, "Kansas is the strongest in the middle and long distances with the most depth in the 880 up to the two-mile." He also pointed to Oklahoma as having good distance strength.

The Big Eight has several good distance men. Gail Hodgson, Oklahoma senior, is one of the best milers in the nation. The flying South African had the second best time in the nation among college runners when he hit his all-time high of 4:03.4 in winning the Houston Meet of Champions last spring. He won the conference indoor mile with a 4:16.7 timing.

Billy Mills from Kansas is another good miler and two-miler. He placed second in both these events in the conference meet. Also from K.U. is Bob Tauge who runs the 880 in 1:53. He was the winner of the 880 in the conference meet.

## Thinclads Schedule Arkansas

The Nebraska thinclads have added the Arkansas Relays to their outdoor schedule and have dropped the Texas Relays.

The Arkansas Relays will be run at Fayetteville, Ark. April 15 and 16 with Nebraska, Kansas State, Oklahoma State, Illinois, Arkansas, Emporia State Teachers College and Fort Sill competing.

The Huskers were scheduled for an appearance at the Texas Relays in Austin Friday and Saturday but the trip has been cancelled.

## Nebraska Tennis Team Opens New Season

The Nebraska tennis team opens its 1966 season this weekend, hosting Wichita University Friday and Creighton University Saturday. Both meets are slated for 2 p.m. and due to the weather will probably be played in the Coliseum.

Coach Ed Higgenbotham has only two lettermen on hand this year. Last year's returning vets Al Arriguna and Bill Kendall are currently battling for the number one singles spot. Return-

ing squad members from last year will round off Higgenbotham's starting team of five singles and two doubles teams.

Returning Juniors Jack Craft and Dave Calhoun, sophomore John Nasi and Tom Johnson and senior transfer student Stan Krushwitz add depth to this year's net squad.

The two matches will be warm-ups for the all-important southern spring trip to Kansas and Oklahoma during Spring Vacation for the netters.

## SENATOR KENNEDY'S WIFE

She was brought up in an entirely different kind of world. She's not at all what you would expect a U. S. Senator's wife to be. She would be more interested in what Byron was doing than what Napoleon was doing and yet, Jacqueline Bouvier Kennedy might soon become the "first lady" of the land.

Where does a brilliant and cultured, shy and retiring 30-year-old beauty fit into a presidential candidate's life? If John Kennedy wins the election, how much does Jacqueline stand to lose?

For the first time, you can meet the real Mrs. Kennedy...
