

India's U.S. Ambassador Will Be Guest of Honor

The Indian ambassador to the United States will be the guest of honor at a cultural program April 19, presented by the students from India attending the University.

Mahomed Ali Currim Chagla will appear at the event scheduled for the Student Union ballroom, beginning at 8 p.m.

Chagla will be the guest speaker at the honors convocation to be held earlier in the day.

Himansu Sen, one of the organizers of the program, said the program hopes "to establish a better understanding and strengthen relationships between the Indian and American students on campus."

"Many people do not know about Indian culture. It will be a privilege for us to display some of the cultural pictures of our homeland," Sen commented.

He noted that all the performers are novices, "but still trying to depict some idea of the way we live in India."

"We hope this will be an interesting program containing folk dance, music, yoga and other phases of Indian life," he explained.

Nearly 40 undergraduate and graduate students will participate in the program. It is the fourth event sponsored by Indian students. One has been sponsored in the first semester of 1958 and 1959, along with another spring program last year.

This year's program will be similar to the one a year ago, Sen said.

Included on the organization committee are Sen, Jagjit Singh, Nirmalendu K. Pandeya, Omi Chopra and J. M. Kapur.

Music director is Nirmal Dutta and dance director is Balbir Dhillon.

Costumes have been designed by Ushala Swamy and Beatrice Franklin. Stage management is under the direction of Shiva Sagar Singh and Honed Ghogawala.

Navin Dave is publicity chairman.

Reception committee members include Sarawa Thomas, Jaswant Bedi, M. Sankara Pao, J. C. Nijhawan, Jit Cho-

The master of ceremonies for the program will be Dr. Khem Shahani, associate professor of dairy husbandry. The welcoming address will be given by Dr. M. Shadakshara Swamy, research associate in biochemistry and nutrition.

The invocation with devotional song will be given by Agram Subba Rao, Premila Khurana, Leela Phadnis, Arati Sen and Ramesh Chandan.

Presenting the TajMahal a dream of love will be Nirmal Dutt and Balbir Dhillon, while Omi Chopra will give a solo dance.

Balbir Dhillon will again be featured in a recitation, and

the trio of Arati Sen, Premila Khurana and Nirmal Dutta will sing Tagore song.

The last number prior to intermission will be a Bhangra dance by Balbir Dhillon, Wasinder Mokha, Nirmalendu Pandeya, Baljit Gill, Ramesh Chandan and Sushil Nijhawan.

Premila Khurana and Arati Sen will present their interpretation of a Shiva Parvati dance after intermission. Yoga physical exercises will then be demonstrated by Narendra Singh.

Indian documentary films will then be shown.

The program will conclude with a vote of thanks delivered by Agram Subba Rao and the playing of the Indian and American national anthems, sung by the Inter-Barcity Christian Fellowship group.

Mortar Boards Form New Counseling Plan

A dorm counseling plan for 1960-61 has been presented to administration officials by the University chapter of Mortar Board.

The plan stemmed out of

the counseling experiment eight Mortar Boards conducted this semester in Raymond Hall.

The idea for the counseling experiment originated in the Mortar Board chapter. Members felt a new system was desirable for the dorm, a system of more personal and complete counseling.

"But since we felt it was fairly audacious to attempt to set up a counseling program without any practical experience, we obtained permission from Administration to obtain that experience this semester," said Gretchen Sides, Mortar Board publicity chairman.

The plan is a direct result of the practical experience, and will provide "what we hope is the best counseling system for the Residence Halls," Miss Sides said.

She added that the original plans call for both junior and senior women to serve as counselors. Details of the counseling plan and notification about applications should be available after Easter vacation.

'Miss Rodeo' Entries Open For Children

"Little Miss Rodeo of 1960" entries are being accepted until April 18. The contest will determine who will reign during the Rodeo May 6-7.

Contestants will be judged on personality, conversation and general appearance. This year's queen will be limited in age from 3-6 years and must be the daughter of students or faculty members.

The winner will be presented on May 6 at the evening performance of the Collegiate Championship rodeo. The winner will receive a trophy, flowers and the parents will have box seats for all performances.

Interviews of the contestants will be April 23.

Gifts will be awarded by Lincoln merchants.

Entries should be submitted to Sharon Russel, chairman of the contest for Vocational Home Economics Club.

Theatre Scarcity Causes Moves

The theater housing shortage continues to force producers to change opening dates for their shows several times before the attractions find a vacant Broadway stage.

Typical is "Goodwill Ambassador," starring Cyril Cusack, Reginald Owen and Arthur Treacher, which had to postpone its opening several times because no house was available. Finally "Goodbye Charlie," with Lauren Bacall and Sydney Chaplin, vacated the Lyceum Theater to make room for the new play, which concerns the British prime minister and his residence.

'Have Beard, Will Tickle'

"Have Beard, will tickle," is the offer being made by men in the Beard Contest on Ag campus.

The card which bears the phrase also says "Thank you for noticing my beard." Those competing for the Whisker King Contest give out the cards to people who remark "favorably or unfavorably," to the unusual looking faces.

Terrace Tops Women's Co-ops

Terrace Hall not only topped the entire campus grade wise last semester but also ranked first among the women's co-ops.

Love Memorial Hall was incorrectly listed as number one among women's co-ops. "They were .104 of a point below top ranking Terrace Hall who scored 6.533.

Bailey Seeks 'Good Health' In English

Prof. Dudley Bailey, director of freshman English, urged the convention of the Conference on College Composition and Communications in Cincinnati to adopt a set of proposals for sweeping changes in the organization.

The proposals would limit the activities of the national group to the nature and use of language in written discourse.

Dr. Bailey, submitting a report prepared by a five-man committee, said, "Diversity and experimentation are healthy things. But nobody in his right mind thinks that the present diversity of required first-year English courses in American universities reflects good health."

"It reflects a frightening state of disease—clearly psychosomatic one. We must resolve to stop being all things to all men; we must stop riding our private hobby-horses in a hundred different directions."

The committee which prepared the report was selected last year to chart the future direction of the organization and of freshman English in American colleges and universities.

Symington

Symington Campaign Begins

Joe Knoll Named Chairman of Group

Rep. Charles Brown, (D-Mo.) national campaign manager for Sen. Stuart Symington for President, last weekend named Joe Knoll chairman of the newly organized "Youth for Symington" club at the University.

Marty Sophir was named administrative vice-chairman. Knoll explained that the purpose of the organization will be to contribute to the support of Symington for the presidency.

Sophir added, "Many people who do not follow politics closely are not as familiar with the outstanding record of success and accomplishment of the former business executive and first Secretary of the Air Force."

The Missouri Senator, who announced his candidacy two weeks ago, will be guest of honor at a dinner here Thursday. Plans are presently being made to greet Symington on his arrival at the airport that afternoon, Knoll said.

Sorority Weekend Means 'Enthusiasm'

By Ann Moyer

The word legacy may be a legal term but to sorority girls it means the enthusiastic junior and senior high school girls who visit our campus in April and lay claim to the annual Legacy Weekend.

Although the weekend may bring April showers or remnants of March winds, these elements of nature never seem to impair the fun of actives and legacies alike.

Style Show

In addition to the annual Panhellenic Legacy style show previewing the Rush Week styles for prospective pledges, Saturday is filled with any number of ingenious bits of entertainment ranging from horseback riding in Pioneer Park to door picnics.

If a legacy isn't treated to an Ag specialty from the

ice cream shop located on the Ag campus, the day isn't complete. This may require standing in line for a half hour but all usually agree it is worth it.

Another favorite place of interest is the city zoo. The animals get their share of visitors Saturday as cars, usually overloaded, cruise through.

If it is a real nice day, a tour of Lincoln often ends at Pioneer Park. Athletic type girls enjoy "the climb to the Indians" and some even brave the mustangs at the riding stable.

Roller Rinks

Roller skating rinks, the Student Union and bowling alleys get their share of business too, for there are plenty of girls, all in search of more than their usual study corner or movie.

The evening will find many boys wandering

around campus bemoaning the fact that their girls would rather spend their time with a legacy than with them. However, this is the case and after a picnic type meal the mass of femininity is off again in search of more adventure.

By this time the extra energy of the morning vitamin is beginning to wear off and the actives are usually willing to suggest a nice quiet movie or even an evening of bridge.

As the 1 a.m. closing hour rolls around the weary sorority girls are ready to call it a day.

And although the sorority girls awaken Sunday morning with aches and pains from the previous day's activities, there will be very few of them who will not be ready for another "go-round" come April 22-23, the date for this season's Legacy Weekend.
