

Huskers Open Season With 11-4 Victory Over South Dakota State

By Hal Brown
Nebraska's Cornhuskers opened the 1960 baseball season with an 11-4 victory over South Dakota State yesterday before an estimated crowd of 300 persons.

The three Husker pitchers—Jan Wall, Don Purcell and Dave Webster—combined for 21 strikeouts and allowed the Jackrabbits only five hits.

The two teams will meet again at 3 p.m. today on the University diamond. Baseball coach Tony Sharpe has nominated Ron Cougill, Harry Tolly and Orvis Larsen to handle the hurling chores in today's game.

Wall started for the Huskers and worked the first three innings, striking out nine and issuing one base on balls. He gave up two runs on two hits with neither run being earned.

Webster pitched the final three innings for Nebraska and retired the last seven men to face him on strikeouts. Webster allowed one run, unearned, on two hits in the seventh frame.

Wall, Purcell and Webster are all sophomores. Sharpe used 21 players and South Dakota State coach Ervin Huether used 14 men including four pitchers in the two hour and 58 minute marathon.

The Jackrabbits drew first blood in the opening frame when Don Jacobsen singled with two men out. Pearson drew a walk moving Jacobsen

NOBODY AT HOME—Outfielder Jerry Harris scores Nebraska's first run of the season in a game against South Dakota State. He scored on a long sacrifice fly by LeRoy Zentic.

to second and then Jacobsen romped home when an easy roller went through the legs of shortstop Doug Sieler.

Sacrifice Fly
Nebraska knotted the count in their half of the first inning on two walks, an error and a sacrifice fly by LeRoy Zentic that scored Jerry Harris.

South Dakota State scored again in the second when Sieler committed a two-base error and the Jackrabbits' pitcher, Chuck Risse delivered a run-scoring double to center.

The Huskers came right back to score on a walk, a single by Wall and a run-scoring single by Sieler. Nebraska went ahead to stay with two runs in the third on a home run by Phil Barth scoring Dick Nelson ahead of him.

The Huskers added two more in the fourth, one in the fifth, two in the seventh and two in the eighth. The two runs in the eighth inning came as a result of a towering home run by Larry Isaacson. Isaacson entered the game in the fifth inning as a pinchhitter for Jerry Harris.

the fact that the United States doesn't develop enough hockey players.

Connie is a firm believer in hockey. He considered coaching before choosing the advertising field. His active participation during the past year has been limited to a few brief appearances at Perishing.

Next time you are on the third floor of Burnett Hall keep an eye out for a little man who is Nebraska's All American Hockey Player.

NEBRASKAN SPORTS

Journalism Instructor At NU Was All American In Hockey

By Cloyd Clark

The United States shook the whole sporting world when it won the Olympic Hockey title this year. People all over the country had their noses glued on the "tube" and the thousands of fans at Squaw Valley cheered in jubilation.

To Nebraska's hockey seems far off and inconceivable, but the University can boast not just a hockey player, but an All American Hockey Player.

Conrad R. Hill, Assistant Professor in the School of Journalism, reaped the All American laurels of Hockey in 1951. "Connie" won his honor at the University of Michigan, but originally, he came from Copper Cliff, Ontario, Canada.

mentioned that he had played against the Olympic Coach, Jack Riley, in his college days.

Hockey may have a future on the Nebraska Campus. It would have two strong points. First it would give national recognition to the Huskers, and secondly, Nebraska is in a good geographic position.

It is located between league teams in Michigan, Minnesota and Colorado.

4 Students In Tourney

Four University students will leave next week to compete in the Intercollegiate Handball Tourney at Boulder, Colorado. The national tourney will be held April 14, 15 and 16.

Myron Papadakis, Paul Kotsines, Dick Chamberlain and Al Cummings will represent Nebraska at the tourney. This year a team championship trophy will be awarded.

Papadakis and Kotsines will play singles while Chamberlain and Cummings are slated for doubles duty.

Papadakis won this year's Intramural Handball Singles Tourney and is active in many intramurals. He is a member of Delta Upsilon fraternity.

Kotsines finished high in the Intramural Tourney, playing for Benton. He is currently in the semi-finals of the first flight in the Intramural Paddle Ball Tourney.

Chamberlain and Cummings copped the Intramural Handball Doubles Tourney, leading Phi Delta Theta to the team championship in Intramural Handball this year.

SHEINWOLD ON BRIDGE Simple Play Eludes Majority

By ALFRED SHEINWOLD
A certain kind of fine play is practically always made up by an expert but very seldom by the average player. This is strange, because it's a very simple play.

West opens the king of hearts and continues with the ace. South must, of course, ruff the second heart. We can tell by the trump South uses whether he is a sheep or a goat.

The average player ruffs with his lowest trump, the seven. As the cards lie, this mistake is fatal.

South can get to dummy only once, with a diamond. He leads the jack of spades from dummy, and East plays low. Dummy is in position to lead another trump, but East plays low again.

Declarer is forced to win the second round of trumps in his own hand, and cannot get back to dummy for another finesse. East will eventually take the setting trick with his king of spades.

Must Ruff High
The expert knows he must ruff high at the second trick. This cannot cost anything, since all of the trumps except the ace are "equals." The expert makes this play automatically since it cannot lose but may gain.

Our hero leads a diamond to dummy and returns the eight of spades for a finesse. The eight holds the trick, since South can play the seven under it. Declarer next leads the jack of spades from dummy, staying under this with the ten. He is still in dummy and can take a third trump finesse to complete the job of picking up East's trumps.

Now that this type of play has been brought to your attention, keep your eyes open for it. Instead of rushing to ruff as cheaply as possible, consider the advisability of using a slightly higher trump. The unblock may give you a valuable entry to dummy.

DAILY QUESTION
Partner opens with two spades (forcing to game) and the next player passes. You hold: ♠K542, ♥7652, ♦1095, ♣93. What do you say?

Answer: Bid two notrump. You expect to show the spade support later, but must first show your weakness by the negative response.
