American Horse Earns Star of the Week Title

By Janet Sack

At the dual meet with Oklahoma State, a Nebraska trackster toured the mile in 4:13. At OU, three days later, he ran the two-mile run in 9:20, breaking his own dual meet record.

The runner involved, Joe American Horse, is this week's Star of the Week.

American Horse, a junior from Gordon, is one of the

American Horse

school was out, a track meet was held.

He didn't do very well, but that didn't bother him because his brother, Emmett took first place. He dismissed thoughts of track from his mind until he reached the seventh grade.

During the seventh grade he ran in junior high meets. By the time he was in the eighth grade, he could beat all the high school track boys.

All during his high school years, he took part in the State Track Meet in Lincoln as Gordon's Class B representative. His time in the mile during his freshman year was 4:41.9.

In his sophomore year he ran the mile in 4:43, as he took first place in Class B.

Joe trimmed quite a bit of time off his mile during his junior year. During the State Meet he ran the mile in 4:29.8 and copped a gold medal. As a senior he ran the mile in the fast time of 4:28.1 and earned himself another gold medal.

Upon graduation he was of-

fered an athletic scholarship by Nebraska. He decided to use the scholarship because he was quite impressed with the university track and with the city of Lincoln itself.

American Horse said "I saw Lincoln for the first time when I came to the State Track Meet as a freshman. It was like going to New York City."

As a freshman he didn't put much work into the mile and two-mile runs. College life was all new to him.

His sophomore year was quite different. He was on the varsity squad and he had to "either work or get out," so he worked. He ran the indoor mile in 4:22 and the outdoor mile in 4:20.

This year as a junior he ran the indoor mile in 4:14 and the indoor 2-mile in 9:24.
