

# Varsity Gives Alumni Squad 24 Gridders

By Dave Calhoun

Twenty-four varsity grid-ders have been added to the Alumni roster for the Alumni-Varsity clash Saturday.

The switch, announced Monday afternoon, will bolster the Alumni squad, according to Coach Bill Jennings.

Of the 24, 22 are sophomores. One junior, Jim Raschke and Senior Bob Kitcher round out the transfers.

The group includes: Larry Donovan, Dave Myers, Roger Myers, Paul Fuehrer, Ron Eissler, Jim Burd, Duane Du Bois, Bob Kitcher, Jim Raschke, Gary Larsen, Ernest Bonistall, Steve Olsen, Jack Kiscoan, Berkeley Lambert, Phil Ottachiam, Don Heldt, Bennie Abson, Bob Carroll, Jim Little, Isaac Newton, Ron Michka, Roger Cole, Jed Rood and Peter Williams.

Both Raschke and Kitcher saw limited duty last season with the varsity.

Will Join 39 Alumni

The 24 will join 39 Alumni to make up the Varsity foe.

Heading the list on the Alumni roster is Tom Novak, Husker great during the early 1950's. Both he and Sam Cantani will return for their tenth contest. The football

classic was inaugurated in 1950.

Ed Husmann, veteran defensive lineman for the Chicago Cardinals, now based in St. Louis, will also be among the old timers in action.

Alums Won-In 1956

In the eight battles between the alumni and the varsity, the varsity has won six, lost one and tied one.

The tie game came in 1950, the first year of the series, when the contest ended in a 13-13 deadlock.

Cletus Fischer, now a member of the varsity coaching staff, and his brother, Ken, also coaching, scored both of the Alumni touchdowns, as Ron Clark scored a double for the varsity.

Last spring brought the widest margin recorded when the varsity upended the old timers 22-0. It was the first time the alums had failed to score in a game.

## NU Soccer Team Wins 2 Contests

The University of Nebraska Soccer Club divided a twin bill with Omaha last Sunday. The Huskers dropped the opener 3-1 but came back brilliantly to cop the night-cap 1-0.

In the opener, Joe Luk scored the only Husker tally as the Huskers played rather ragged offense, but the second game was different.

Martin Carrancedo scored the only goal of the second game by making a shot at an angle from 25 yards out. The Husker team played much better than they did during the first game.

These are the silver wings of a U. S. Air Force Navigator. As a flying officer on the Aerospace team, he has chosen a career of leadership, a career that has meaning, rewards and executive opportunity.

The Aviation Cadet Program is the gateway to this career. To qualify for this rigorous and professional training, a high school diploma is required; however, two or more years of college are highly desirable. Upon completion of the program the Air Force encourages the new officer to earn his degree so he can better handle the responsibilities of his position. This includes full pay and allowances while taking off-duty courses under the Bootstrap education program. The Air Force will pay a substantial part of all tuition costs. After having attained enough credits so that he can complete course work and residence requirements for a college degree in 6 months or less, he is eligible to apply for temporary duty at the school of his choice.

If you think you have what it takes to earn the silver wings of an Air Force Navigator, see your local Air Force Recruiter. Ask him about Aviation Cadet Navigator training and the benefits which are available to a flying officer in the Air Force. Or fill in and mail this coupon.

## Inside Intramurals

by Dave Wohlfarth

Delta Upsilon scored 208 points to capture the Intramural Paddle Ball Tourney. The DUs were far ahead of second place Phi Delta Theta with 70 points. Rounding out the top five were Theta Xi (62), Alpha Tau Omega (44) and Avery (42).

Responsible for the DU title were four flight champions in singles, four in doubles and the All-University doubles champs.

The individual singles crown went to Al Arrigunaga of Avery. DUs Myron Papadakis and Doug Youngdahl won the doubles championship.

Singles flight winners were (1st) Paul Kotsines, Benton; (2nd) Arrigunaga, Avery; (3rd) Wayne Hastings, DU; (4th) Bob Kaff, DU; (5th) Jack Koberg, DU; (6th) Steve Cass, DU.

Doubles titlists included (1st) Papadakis-Youngdahl, DU; (2nd) Koberg-Dean Prazak, DU; (3rd) Cass-Hastings, DU; (4th) Karr-George Garrett, DU; (5th) Stan Wilson-Dick Winey, Phi Delt; (6th) Bob Hall-Bill Encell, Phi Delt.

Upcoming in Intramurals is something new and different. In connection with President Eisenhower's annual National Fitness Week (May 1 to May 7), Nebraska is sponsoring the Nebraskability Pentathlon.

This new event will be a battery of five physical performance tests which measure strength, endurance, muscle power and agility. The tests are Grip Strength (hand dynamometer measures grip strength of each hand), Parallel Bar Dips (measures strength of certain arm muscles), Squat Thrust (done for one minute, this "burpee" test measures total body endurance), Vertical Jump (measures muscle power) and Dodge Run (measures speed and agility).

The purpose of the pentathlon is "to promote interest in physical condition and to enable you to find out how you 'measure up' in some of the basic elements underlying physical performance as another Intramural event," according to Dr. Carl Wear, who is in charge of the pentathlon.

Scoring is based on the total points an individual accumulates in the five events. Each test is scored on a scale ranging from 0 to 100 with a score of 50 being "average".

Anyone is urged to enter and a trophy will be awarded to the champion organization, determined by adding the scores of the six entries having the highest pentathlon scores.

Special recognition certificates will be awarded to all participants who equal or exceed all of the following tests: Grip Strength—250 pounds, Parallel Bar Dips—10, Squat Thrust—30, Vertical Jump—20½ inches, and Dodge Run—23.4 seconds.

The Pentathlon will be held May 9, 10, 11 and 12 between 4 and 6 p.m. and on May 9 and 10 from 7 to 9 p.m. Anyone interested should report to Dr. Wear, Physical Education Building 110, at one of these times.

This is a first at Nebraska and deserves plenty of support. The Pentathlon will be an interesting contest which should appeal to many active University men.

Theta Xi appears to be the strongest contender for the Intramural Badminton Tourney title at this point. Xis have won two singles flights and four doubles spots.

Badminton singles flight winners are (1st) Bob Hall, Phi Delta Theta; (2nd) Gary Aksamit, Beta Theta Pi; (3rd) Jim Fisher, Theta Xi; (4th) Don McKenzie, Phi Delta Theta; (5th) Ron Gould, Theta Xi; (6th) Geroge Van Kleec, Sigma Chi.

Doubles victors are (1st) Aksamit-Don Bomhoff, Beta Theta Pi; (2nd) Norris Mercure-Steve Miller, Sigma Phi Epsilon; (3rd) Gould-Jerry Volenc, Theta Xi; (4th) Bernie Votava-Bill Baxter, Theta Xi; (5th) Lynn Katt-Sid Stastny, Theta Xi; (6th) Fred Howlett-Roger Bengston, Theta Xi.

In the Singles All-University Tourney, Hall defeated Aksamit, Fisher downed McKenzie and Gould beat Van Kleec. Today Fisher meets Gould and the winner plays Hall for the title Wednesday.

The finals of the doubles tourney will be held Thursday. The Spring Tennis Doubles Tourney is in the second round with 22 teams left and the Horse Shoes Tourney is at the same point with 23 teams remaining.

Today's Intramural Softball schedule is: Alpha Tau Omega vs. Sigma Phi Epsilon Farm House vs. Pi Kappa Phi-Pioneer winner Burr-Selleck game No. 17 (check schedule) Junior Dents vs. Navy ROTC

## Aussie Distance Man To Run In Olympics

By Janet Sack

"Patience is the greatest virtue."

Speaking was Al Lawrence, Australian distance runner and a member of Australia's Olympic team. His teammate and close friend Barry Almond nodded in agreement with him.

At the Olympics this summer, Al will compete in the 10,000 and 5,000-meter runs. He holds indoor world records in the two-mile (8:46) and three-mile (13:26.4) runs. Barry currently holds the third best time in the mile run with a 4:07.4. Although Barry will not compete in the Olympics for Australia, he hopes to make the trip to Rome with Al.

Barry and Al commented that Nebraska has a very good track. "It is firm and we like them that way."

Both Barry and Al think that Nebraska has some very outstanding track men. "Joe Mullins ran a very nice double and is an excellent prospect for the Canadian Olympics; Joe American Horse is a solid runner and good competition in any conference; and Ernie Gunter is also very good."

To any boy in track who feels he is just an average runner, Al gives this advice: "Keep running. It takes years to develop." Al should know; he's been practicing for many years and now it's paying off with a chance at an Olympic gold medal.
