

Kappa Alpha Theta Tops Campus Scholarship List

For the fourth semester in a row Kappa Alpha Theta took top honors in the grade-average listings among the women's organized houses for the second semester of 1959-60 school year.

The scholastic average of 6.427 brought the Thetas into first place ahead of Love Memorial Hall, which topped women's dorm scholastic honors with 6.376.

The results of the male grade listings showed Cornhusker Co-Op on the top of the men's scholastic honor roll with an average of 6.159, which is .371 of a point below the women's average.

The Co-op's mark, however, failed to surpass the

first semester top average of 6.159 set by Farmhouse, who followed with a second place 5.989 in the men's organized houses last semester. Farmhouse's rating gave them top honors among the fraternities.

NU Average Up

Second semester's all-university average of 5.554 barely tops first semesters average of 5.553.

According to figures released by the Division of Student Affairs, the all women's average rose from 5.914 the previous semester to 5.988 last semester. The all sorority average also rose with a 6.059 mark over the previous 5.887.

Not only did the men fail to record as high an

average as the women second semester but they took a slight step downward. The all-male score was 5.382 as compared to 5.407 the first semester and the all fraternity average dropped from a previous 5.867 to 5.376.

The all fraternity-sorority average last semester was 5.639.

Average Groups

In its second semester of operation, the new system of computing the grade

listings by groups instead of by numerical averages was explained by J. P. Colbert, dean of student affairs, as being a better way of giving a much clearer picture of house standings.

In the new system, the top scholarship group includes all houses rating of 6.000 or better; group two includes ratings from 5.500 to 5.999; group three includes ratings from 5.000 to 5.499; and group four includes all ratings below

4.999.

Last semester's grade groups are as follows: (in alphabetical order)

Group I

Alpha Chi Omega
Alpha Omicron Pi
Alpha Xi Delta
Chi Omega
Cornhusker Co-op
Delta Delta Delta
Delta Gamma
Kappa Alpha Theta
Kappa Kappa Gamma
Love Hall

Love Memorial Hall
Pi Beta Phi
Terrace Hall
Towne Club

Group II

Alpha Phi
Beta Theta Pi
Delta Sigma Pi
Delta Upsilon
Elsie Ford Piper Hall
Farmhouse
Fedde Hall
Gamma Phi Beta
Hepner Hall
Kappa Delta
Phi Kappa Psi

Raymond Hall
Van Es House
Zeta Beta Tau
Zeta Tau Alpha

Group III

Acacia
Ag Mens Club
Alpha Gamma Rho
Alpha Gamma Sigma
Alpha Tau Omega
Beta Sigma Psi
Brown Palace, Ind.
Delta Sigma Phi
Delta Tau Delta
Kappa Sigma
Kiessbach House

Men's Dorms Selleck
Phi Delta Theta
Phi Gamma Delta
Pi Kappa Phi
Pioneer House, Inc.
Sigma Alpha Epsilon
Sigma Alpha Mu
Sigma Chi
Sigma Kappa
Sigma Nu
Sigma Phi Epsilon
Smith House
Theta Xi

Group IV

Gooding House
Theta Chi

2,500 RALLY AT AIRPORT 'Eyes of Nebraska' Are Upon Big Red

The Cornhusker football team received a rousing welcome yesterday at the Lincoln airport by an estimated crowd of 2,500, most of which were students.

The Huskers were just returning home from their Saturday 14-13 upset over the highly rated Texas University team.

way, causing a traffic jam for nearly a half hour.

Pat Fisher, Husker co-captain was unable to get into a line of traffic and return to campus until he hopped from his car and spoke briefly with the Highway Patrolman who immediately stopped the flow of cars to permit the star to continue home.

Top Crowd

The crowd surpassed the 1959 turnout after the Minnesota game. The first well wishers arrived at 12 noon and were followed by a car parade led by the cheerleaders and the Corn Cobs and Tassels at 12:30 p.m.

By the time the plane arrived, 1:30 p.m., the Nebraska Air National Guard members formed two lines for the players and coaches to walk through.

The National Guard members displayed two signs at the rally. One read "The Eyes of Nebraska are upon you" with the word "Texas" crossed out.

As the Huskers stepped off the plane, two flying salutes were made by F-86 jets. Even though the jets were flying low, the spirited Husker fans drowned out their sound.

KK Show To Have Early Start

Kosmet 'Hysterics' Set for Oct. 14

Drama and humor will soon be taking over the living rooms of the organized houses as preparations are made for "Historical Hysterics," the Kosmet Klub Fall show.

In preparation for the October 14 show, skitmasters will have their first meeting at 5 p.m. today with the fall show chairman, Milt Schmeckle.

Rough Draft

Skitmasters should be able to present a rough draft of their entry. Tryouts have tentatively been set for October 2.

Signs

Several of the home-made signs reflected the feelings of the ardent fans.

One read "Congrats Big 8 Champs" and another, "Welcome Team, from Austin to Miami." Indications showed that the followers of the Big Red are ready for an eventful year.

Cars were lined all the way from the airport to the highway.

The all-male show presented annually by Kosmet Klub features fraternity skits and travelers acts. The original skits are directed by students.

Prince Kosmet

Prince Kosmet and the Nebraska Sweetheart are also selected during the show.

Houses which have definitely indicated they are preparing a show are Delta Upsilon, Sigma Chi, Phi Kappa Psi, Beta Theta Pi, Theta Xi, Kappa Sigma, Beta Sigma Psi, Delta Sigma Pi, Alpha Tau Omega and Farmhouse.

Sign Contest For Johnson Adds Interest

In an effort to arouse student interest in the arrival of Senator Lyndon B. Johnson, the Young Democrats are offering a cash prize of \$25 to the organized house with the best demonstration and most original sign.

The senator is scheduled to arrive on campus at 2:30 p.m. Thursday.

Don Ferguson, president of the Young Democrats, announced the following rules that the houses must follow in order to be eligible for the contest.

- All organized houses interested in entering the contest must sign up at the special Young Democrat booth in the Student Union Wednesday. Any house failing to do so will automatically be declared ineligible.
- Pre-printed (not original) signs will disqualify any house if they use such signs.
- The use of noise makers, etc. is urged by the Young Democrats.
- Any house entered in the contest must be assembled at 2:15 p.m. at the south, R street, entrance to the Union. This is important in that all judging will be done prior to Johnson's arrival.
- The signs and other devices used in the respective demonstrations will be judged on originality, appropriateness and enthusiasm by three members of the faculty.

Sen. Johnson will pause briefly as he departs from the Union and will pose for pictures with the contest winners. This will be at approximately 3 p.m. Ferguson said that the prize money will be awarded at this time by the Young Democrats.

Social Column

Social chairman of organized houses should contact Pat Dean at the Daily Nebraskan office to report pinnings and engagements.

The social column will be run in Wednesday's paper. All pinnings and engagements must be called in by Tuesday at 1 p.m.

Former NU Star Injured

Former Nebraska quarterback Don Erway and his wife, Shari, were injured in a two-car accident seven miles north of Lincoln early Sunday morning.

Erway was listed in fair condition Sunday night at Bryan Memorial Hospital and his wife was reported in good condition. He suffered a broken pelvis and a broken leg. Mrs. Erway suffered a fractured shoulder.

Erway is backfield coach at Nebraska Wesleyan and he and his wife and Wesleyan assistant coach Eugene Fleharty were returning from Fremont where Nebraska Wesleyan lost a 14-6 decision to Midland. Fleharty lost some front teeth in the mishap and was treated and released.

Jerry Minchow, 19, of Waverly, driver of the other vehicle involved in the accident was also hospitalized.

Upperclass Students Bid for Activities

Twenty organizations will be bidding for upperclassmen to join their activities Wednesday afternoon when the upperclass Activities Mart is held in the party rooms of the Student Union on city campus from 2:5-3:30 p.m. and in the Ag Student Union from 11 a.m. to 3 p.m.

Pulled Cards Speed Registration

Winner's Reception

An estimated crowd of 2,500 Nebraska football fans turned out at the Lincoln Municipal Airport Saturday afternoon to greet the victorious Huskers. The throng gave the Nebraska gridders a rousing reception for their 14-13 upset win over Texas Saturday night at Austin. The rally was the second at the airport in two years and the Sunday crowd topped last year's reception for the Huskers following their 32-12 win over Minnesota at Minneapolis. Cars were lined up from the airport to the highway and the State Highway Patrol along with Lincoln police were on hand to handle the traffic problems created by the enthusiastic fans. (See Game Story on Page 3.)

Both students and staff members would be in serious trouble if we hadn't pulled cards," said Dr. Floyd Hoover, registrar, Friday in the midst of first semester registration at the PE Building.

Dr. Hoover said that although no definite figures would be available until the middle of this week he expected this year's total enrollment to exceed last year's.

He added that most of the 2,400 incoming freshmen had pre-registered earlier this year. This number compares to the 1,725 total freshmen students enrolled last year.

The advantage of having the new students pull their cards

in advance was seen by the shorter time spent registering. This was the first year that freshman could pull their cards in advance.

Auto Sticker Sales Lag

Parking problems are arising on the NU campus as the campus police begin issuing parking stickers.

Up to today 1,398 stickers have been issued to faculty, students and employees. Last year approximately 7,000 stickers were issued.

The campus police began issuing stickers today at 8:00 a.m. With this year's increase in registration expectations are for an increase in stickers.

NU officials report that a total of 3,779 parking spaces are available for student vehicles this semester, including the newly hard surfaced lot across from the Student Union and a new lot being readied between 16th and 17th on Vine St. which will accommodate 74 cars.

This figure includes 878 of Ag campus and 1,901 on the city campus.

Section Shortage

Dr. Hoover said the only problems arising in registration were the shortage of sections in English, zoology, botany and biology courses.

In connection with this, Prof. James Miller, chairman of the English department, noted the most trouble was for those students who had not pulled their cards and were scheduled to take English B.

Dr. Miller said that thirty or forty freshmen had already been turned down for English B and must wait until next semester or next year to take it.

He pointed out that a good factor of this year's new system was that, "All of the English cards are taken care of by one man. This makes the process very good."

Advisors Praise

Looking at the new process from the advisor's viewpoint, James Morrison, assistant professor of journalism, said, in comparison with last year's process, "It is better for the advisors; there is no waiting and registration is way ahead."

Morrison also noted that with the new system fewer changes have been made from the pre-registration work sheets.

RAG STAFF Probasco Heads Daily Nebraskan

First semester's Daily Nebraskan staff went to work early this year under the editing of senior journalism student, Herb Probasco.

Probasco is this year's president of Sigma Delta Chi, professional journalism fraternity and a member of Theta Xi fraternity.

Managing Editor

Managing editor is Dave Calhoun, senior in Arts and Sciences, and last semester's sports editor. Calhoun is vice-president of Sigma Delta Chi, a member of the varsity tennis team and Phi Delta Theta.

Work Scholarship Program Increased

More jobs, both on and off campus, have provided an increase in the number of freshman "work-scholarships," according to Dr. Aubrey L. Forrest, director of Scholarships and Financial Aids.

The program, designed for scholastically outstanding Nebraska high school graduates who enroll at the University of Nebraska, will be increased this school year to 200 awards or double the number awarded last year.

The program has been a complete success both from the standpoint of the students and the employes, according to Dr. Forrest.

The new feature of the program this year is the employment not only within the University organization but also off-campus jobs. Included under the new program are Gold's department store, Miller and Paine, Montgomery Ward, Wadlow's Mortuary, Lawlor's and the Journal-Star Printing Company.

Dr. Forrest said that 500 applications were received for the 200 positions available. "This means that the University must attempt to find more positions throughout the University and the city to aid these worthy students."

Nine to 20 hours a week is the average employment time for recipients of a "work-scholarship". They are able to earn enough to cover one-half to all of their room and board costs for the year.

McCreight Acts As Ed Chairman

Dr. Russell W. McCreight was recently named acting chairman of the department of elementary education to replace Dr. A. Madison Brewer.

Dr. Brewer has accepted the departmental chairmanship at Pennsylvania State University.

Joining the University staff in 1950, Dr. McCreight received his Doctor of Philosophy degree from Iowa State University in 1955.

Student comment on the new system was varied between ease and confusion. The following freshmen were interviewed on the difficulties in registration.

Dan Coffey from Standard, enrolled in Teachers College and majoring in physical education, said, "It's okay, but I'm not too crazy about it. It took me two hours to register."

"Just fine and just what I ordered," was the comment from Betty King of Lincoln, who is in Business Administration.

Mickey Drew of San Marcos, Tex., enrolled in Teachers College stated, "It's confusing. Too many places at one time and a lot different than high school."

The final comment came from Orville Shigley of Nebraska City. Shigley, a Biz Ad student, said "I lost my worksheets, but the rest was easy and I had no trouble."

But I'm in Biz Ad

Although many students had their cards pulled for them in pre-registration, a few students ran into difficulties.
