

Husker Cross Country Team Set for Opener

By Janet Sack
Nebraska's cross country runners swing into action tomorrow at 11 a.m. in Pioneer Park when they host the Kansas State Wildcats.
Coach Frank Sevigne's team boasts of five sophomores and two juniors. Ray Stevens, North Platte; Bill Kenny, Waterloo, Ia.; the Scott twins, Joe and Clarence, New York City; and Jasper Epps, Kansas City, Mo. are the sophomore members. Rich Kier, New York City and Paul Nielson, Western are juniors.
Kansas State's top harrier is John McNeal, a sophomore. Last year as a freshman McNeal was one of the better long distance runners in the conference. Wildcat Coach Ward Haylett's team has three sophs and four juniors and seniors.
In other Big Eight cross country action, Missouri

meets Kansas and Oklahoma takes on Arkansas in a non-conference affair.
Missouri hopes to snip Kansas' 13-year stretch of dual crosscountry wins over Big Eight competition when they host the Jayhawkers tomorrow.
New Course
The Tigers have a new three-mile hill-and-dale course and five lettermen to attempt the upset.
Topping Missouri's lettermen is Bob Henneken, who finished seventh in the conference run last year. Henneken paced MU's final time trials with a 14:48.2. This time is almost a minute better than his mark of a year ago at this time.
Last year Henneken missed the indoor meet because of illness. In outdoor competition he was runner-up in the two-mile run and fourth in the NCAA 5,000 meters just

ahead of Jayhawk Billy Mills both times.
Lettermen Ray Schmitz, Joe Schroeder, Don Gabbert and Morris Patterson, junior Jim Shepard and sophomore Jerry McFadden round out Tom Bott's Missouri squad.
Kansas' veteran miler Bill Dotson won KU's time trials in 14:33.0 over a flat course. Mills, recovering from an ankle injury, placed a half-second behind Dotson. Sophomore Bill Hayward was the only other harrier breaking 15:00.0.
Missouri was the last, and only, conference club to beat Kansas since Bill Easton's first meet as Jayhawk cinder boss in 1947.
Oklahoma's harriers open their season today at home against Arkansas, defending Southwest Conference champions.
Hodgson Leads
Sooner Coach Bill Carroll pins his hopes on Gail Hodgson, Big Eight cross-country champion two years ago; Lee Smith, fourth in the Big Eight indoor mile last year; Buddy Stewart, fourth in the Big Eight indoor 1,000 yards; Paul Ebert, Tim Leonard, Richard Neff and Neville Soll.

Kistler, Jacobs Advance to 3rd Round in Golf

Dick Kistler of Selleck and Dick Jacobs, Phi Delta Theta, have both moved into third round play in the intramural golf singles.
Kistler defeated Stan Schrag, Phi Kappa Psi, to move into the third round in the championship flight.
Phi Delt Dick Jacobs advanced to the third round by defeating Phi Delt Dave Wiltse. Jacobs is in the third flight.
Pairings in the second round are: Winner of the match between Ned Nolte, Beta Theta Pi and Bill Enckell, Phi Delta Theta, vs. Fred Sukup, Delta Sigma Phi; Bill Gunlicks, Phi Kappa Psi, vs. Louis Titus, Phi Kappa Psi; Ed Lyman, Phi Kappa Psi, vs. Tom Merrick, Phi Delta Theta; Don Taylor, Delta Tau Delta, vs. Mike Collins, Theta Xi.
The deadline for play in second round matches is Monday at 5:00 p.m., according to Ed Higginbotham.

NU Riflers Face Pair

The Nebraska rifle squad will fire in a triangular meet against Creighton University and Kansas State Saturday at 9:00 a.m.
Nebraska defeated the K-State squad last spring in an invitational match. It was the first defeat for the Wildcats since 1958.
The Huskers have seven returning shooters from last year's squad and three promising new members.
Marvin Cox is the team captain for the 1960 team.
Other squad members expected to go on the line are Conley Cleveland, Andris Staklis, Bill Holland, Mike Flannigan, Grant Gregory, Thomas Berry, Raymond Grandon, Charles Sovkuj, and John Henkle.

Sports Signals

By Hal Brown

Only two conference games are on tap in the Big Eight Saturday with Iowa State battling Kansas for the loop lead and Kansas State meeting Nebraska with both teams looking for their first conference win.
Nebraska fans will be keeping a close eye on the clash between the Jayhawks and Cyclones as the game should give some indication of how the Huskers stack up in the Big Eight picture. Iowa State was given its first serious test last week when they edged Nebraska, 10-7, on a third-quarter field goal after taking easy wins over Detroit and Drake.
Kansas, highly regarded by many before the season started, has lived up to expectations, and then some, with wins over Texas Christian and Kansas State. The Jayhawks pressed Syracuse last week before losing a 14-7 decision to the Orangemen. Kansas is considered a strong threat to unseat Oklahoma for the conference title and Saturday's battle between Kansas State and Nebraska will give Husker fans some chance to compare Nebraska with the Jayhawks. Kansas defeated Kansas State, 41-0.
Both Texas and Minnesota have made Nebraska look good as the Huskers are the only team to score against either the Longhorns or the Gophers. Texas has blanked Maryland, 24-0, and Texas Tech, 17-0, after losing, 14-13, to Nebraska. Minnesota smashed Indiana, 42-0, last week after downing Nebraska, 26-14.
Nebraska goes into the Kansas State game as a heavy favorite but the role of a favorite in the Kansas State-Nebraska game indicates nothing unless it is that the favored team had better be ready. Kansas State has won five of the last seven games and three of the last four.
Kansas State won its only conference game last year with a 29-14 decision over the Huskers in the final game of the season. Nebraska had toppled Penn State and Iowa State in 1958, then Kansas State won a surprise, 23-6, decision at Lincoln. In 1957 Nebraska's, 14-7, win over the Wildcats was the only Husker win in Bill Jennings' first season as head coach.
This week's picks:

Brown

IM GRID SLATE

- Friday:
- City Fields
 - NE—Phi Kappa Psi A vs. Beta Theta Pi A.
 - SE—Delta Upsilon A vs. Delta Tau Delta A.

 - Ag College Fields
 - E—Phi Delta Theta A vs. Farm House.
 - N—Theta Chi vs. Delta Sigma Phi.
 - W—Alpha Gamma Sigma vs. Pioneer.
 - Monday:
 - City Fields
 - NE—Delta Sigma Pi vs. Sigma Alpha Mu.
 - SE—Acacia vs. Brown Palace.
 - SW—Beta Sigma Psi vs. Cornhusker.
 - Ag College Fields
 - E—Ag Men vs. Pi Kappa Phi.
 - N—Theta Chi vs. Delta Delta Sigma Phi.
 - W—Alpha Gamma Sigma vs. Pioneer.

Changes Made in IM Track

The fall intramural track meet schedule, has been changed according to Ed Higginbotham, intramural director.
The 100-yd. dash and the high jump, both scheduled to be run this week, have been changed to Monday and Tuesday.
The 100-yd. dash will be held on the stadium track at 5:00 p.m. Monday and the high jump will be held in the stadium at 7:15 p.m. Tuesday. The 60-yd. low hurdles will be run at 5:00 p.m. Tuesday.
Entries for all events will be taken on the field prior to each event.

SHOW ON WORTH!

NEW '61 CHEVY CORVAIR

More space . . . more spunk and wagons, too!

The newest car in America: the CORVAIR 700 LAKE-WOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. Like all coupes and sedans, it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN. Provisions for heating ducts are built right into its body by Fisher.

Here's the new Chevy Corvair for '61 with a complete line of complete thrift cars.
To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon . . . quicker-than-ever cold-start warmup so you start saving sooner . . . a new extra-cost optional heater that warms everyone evenly. Riding along with this extra economy: more room inside for you, more room up front for your luggage (sedans and coupes have almost 12% more usable trunk space).
And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things.
Corvair's whole thrifty lineup gets its pop from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor.

Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room as ordinary wagons (third seat optional at extra cost)
