

# Nebraska's Bennie Dillard Rides Again

## Fourth String Halfback Scores Two Touchdowns in 1960 Debut

By Hal Brown

Bennie Dillard, an almost forgotten halfback, furnished the spark Saturday to revive Nebraska's inoffensive offense as the Huskers took a 17-7 Big Eight win over Kansas State.

Dillard, who hasn't even been listed on the three-deep roster this fall, entered the game midway in the third quarter with the score tied, 0-0, and skirted right end for 34 yards before being knocked out of bounds at the Kansas State 22.

After four plays netted only two yards, Ron Meade booted a 37-yard field goal to give Nebraska a 3-0 lead with 11:45 gone in the third quarter. Meade had missed a third-down field goal attempt from the Kansas State 47-yard line with 30 seconds remaining in the first half.

Two minutes after Meade's field goal gave Nebraska the lead Dillard was again ushered into the game and again the 162-pound halfback swept right end. This time it was for only four yards, but it was a touchdown and when Meade added the extra point, Nebraska had a 10-0 lead as the third quarter ended.

The first Husker touchdown was set up when with a fourth and ten situation on their own 30-yard line, Kansas State's Ron Blaylock

faked a punt and tried to pick up the first down, but he was run out of bounds on the Wildcat 23. Husker quarterback Pat Fischer kept the ball for two plays moving to the four-yard line and Dillard gained the final yardage.

Kansas State came back early in the fourth quarter to score its first touchdown. Kansas State recovered Clay White's fumble on the Husker 25 and took 10 plays to score with Blaylock plunging into the end zone from the one-yard line. Blaylock either passed or ran on nine of the 10 plays with a pass to right halfback Dale Evans good for 10 yards being the big play.

**Blaylock Scores**  
The pass came on a third and eleven situation with Blaylock keeping on the next play for the first down. Another pass from Blaylock to Evans was good for six yards and put the ball on the Husker eight-yard line. After left halfback Harold Haun gained three, Blaylock kept for the next three plays to put the ball in the end zone.

Blaylock also added the extra point and Nebraska held only a 10-7 lead with six minutes gone in the final quarter.

Nebraska took the kickoff and moved to the Kansas State 24 but a holding penalty set them back to the 39 and with a third and 20 situation on the 34-yard line, Cobb punted into the end zone and the Wildcats took over on their own 20 with about three minutes to go in the game.

The Wildcats took to the air in a final effort to pull the game away from the Huskers. Blaylock hit Evans with a 16-yard pass to move the ball to the 36. Blaylock's next toss was incomplete and after keeping the ball for two yards, another pass fell incomplete.

John Solmos entered the game to replace Blaylock and a long pass from Solmos was

out of reach of the intended receiver as Nebraska took over on the Kansas State 38.

Thunder Thornton went up the middle for gains of five and 20 yards to give the Huskers a first and ten on the 13. Three more plays moved the ball to the five-yard line and Dillard came charging onto the field for his third appearance of the afternoon and the season.

The speedy little halfback from Mt. Pleasant, Texas, took a pitchout from Fischer and raced around right end for the score with only 10 seconds remaining in the game to set up the first conference win of the season for the Huskers. Meade's extra point kick was good and the final score stood 17-7 in favor of Nebraska.

The first half was marred by numerous fumbles and pass interceptions as the 38,000 Band Day spectators must have wondered if they had come to the right place as the Huskers lost two fumbles and had one pass intercepted while Kansas State lost one fumble and had one pass pirated.

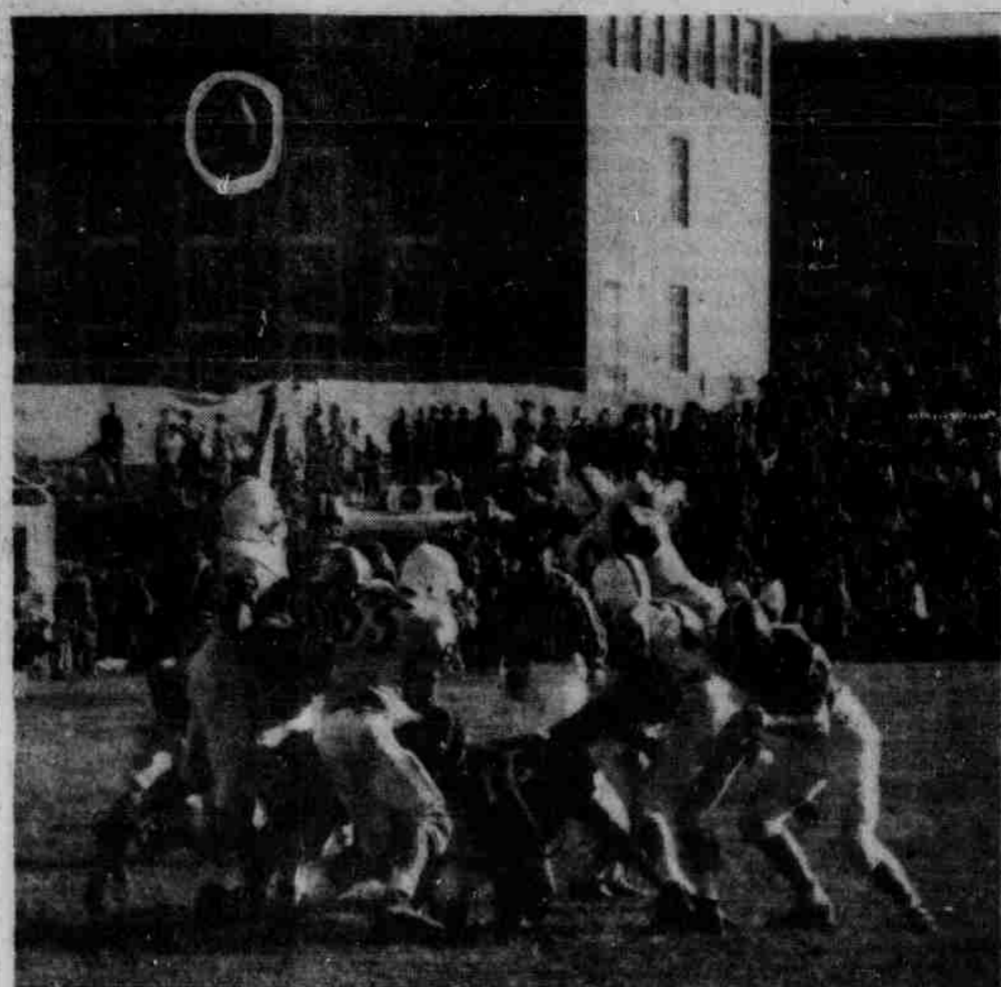

Kansas State led the first half statistics with 40 total yards to 39 for the Huskers. The Wildcats led the Huskers in rushing, 32-21, but Nebraska led in passing yardage with 18 yards to eight for the Wildcats.

Kansas State had two golden opportunities to score in the first quarter. The first came when the Wildcats broke through to block an Archie Cobb punt and take over on the Nebraska 30. The tough Husker defense rose to the occasion, however, and the Wildcats were able to gain only 14 yards on nine plays as the Huskers took over on the 16-yard line.

On the first play after taking over, Nebraska's Fischer threw a pitchout that landed at the feet of Bennie Clay and Kansas State's Darrell Elder fell on the ball at the eight-yard line.

Thornton stopped this threat by intercepting a Blaylock pass on the four-yard line. The entire first quarter was played on the Nebraska side of the midfield stripe except for four plays. The closest the ball got to the Kansas State goal in the first period was the Wildcat 42-yard line.

Nebraska's first threat was stopped by a fumble in the second quarter. Kansas State's Jack Richardson fumbled on the Wildcat 21 and Fischer recovered for Nebraska on the 24. Fischer

### WHO IS GOING TO GET IT

Nebraska center Mick Tingelhoff, caught between the two white-haired Wildcats, finally came up with the football during this third quarter scramble Saturday. The ball, thrown by Husker quarterback John Faiman, was bobbled by several players before Tingelhoff finally gathered in the elusive pigskin.

kept for four and Clare gained two but fumbled and fullback John Finrock fell on the ball for the Wildcats.

The Huskers threatened again late in the second quarter when Fischer returned a Kansas State punt eight yards to the Wildcat 48. Sophomore quarterback John Faiman replaced Fischer and hit Clay White with a pass on the first play for 18 yards.

Kansas State was penalized 15 yards for a personal foul and Nebraska had a first down on the Kansas State 15. Faiman went back to pass again and was nailed for an 18-yard loss. Meade entered

the game in place of Faiman and after a keeper play was stopped at the scrimmage line. Meade placed the kicking tee on the 47-yard line.

**Short Kick**  
The kick was taken by Evans on the goal line and returned to the Kansas State 22. The kick by Meade would have traveled 57 yards in the air if it had been good, but it fell ten yards short.

Fischer led the Huskers in total yardage rushing with 51 yards on 13 carries for a 3.9 average. Dillard was second with 43 yards on three carries for a 14.3 average. Pat Clare gained 34 yards on

eight carries for a 4.2 average while Thornton had 33 on 10 tries for 3.2. Clay White gained 28 yards on five attempts for a 5.6 average.

Only three Wildcats were in double figures with rushing. Richardson was the leading gainer with 22 yards on nine carries for a 2.4 average. Blaylock gained 11 yards on 10 tries for a 1.1 average and Larry O'Hara carried the ball once for 10 yards.

### KS Rates NU Better Than Buffs

Nebraska is better than Colorado but a little below Kansas, according to Kansas State coaches and players.

"Nebraska has better pursuit and is a more aggressive club than Colorado. Nebraska compares favorably to Colorado in the line," said Wildcat line coach John Kadlec after viewing the Kansas State-Nebraska game from the press box.

"Nebraska is good and tough. They have fine running backs and a good solid ball club. They are able to beat any team in the league," he added.

"Nebraska has more hitters than Colorado, but they aren't quite up to Kansas because Kansas has a great ball club and great speed," said backfield coach Bob Hailey.

Hailey coached from the bench and Kadlec handled the phone from the press box with Doug Weaver unable to make the trip because of back trouble. Kansas defeated the Wildcats, 41-0, and Colorado tripped Kansas State, 27-7.

"Nebraska is as good as Colorado, but Kansas is a little better than the Huskers," Jack Richardson, Kansas State left halfback said. "Nebraska's line is big but not quite as quick as Kansas."

This is the B-52. Advanced as it may be, this airplane has one thing in common with the first war-galleys of ancient Egypt... and with the air and space vehicles of the future. Someone must chart its course. Someone must navigate it.

For certain young men this presents a career of real executive opportunity. Here, perhaps you will have the chance to master a profession full of meaning, excitement and rewards... as a Navigator in the U. S. Air Force.

To qualify for Navigator training as an Aviation Cadet you must be an American citizen between 19 and 26½—single, healthy and intelligent. A high school diploma is required, but some college is highly desirable. Successful completion of the training program leads to a commission as a Second Lieutenant... and your Navigator wings.

If you think you have what it takes to measure up to the Aviation Cadet Program for Navigator training, see your local Air Force Recruiter. Or clip and mail this coupon.
