

# Missouri Romps in Easy 28-0 Victory

## NU Needs One Win To Match 1959 Mark

## MU Coach Has Praise For Purcell

By Hal Brown

Nebraska failed to score for the third consecutive year against Missouri Saturday as the Tigers won their seventh straight game this season with a 28-0 romp over the Huskers in a homecoming battle.

The Huskers are now faced with the task of winning one of their three remaining games with Kansas, Oklahoma State, and Oklahoma to match last year's 4-6 record. Saturday's loss leaves Coach Bill Jennings' team with a 3-4 overall mark and a 1-3 record in conference play.

Nebraska has failed to win more than two conference games in a season since Jennings took over in 1957. The Huskers turned the trick last year with wins over Oklahoma and Colorado.

The only conference win this season came against Kansas State by a 17-7 count. Nebraska must face a strong team Saturday at Lawrence.

Kansas' dropped a 21-7 decision to first-ranked Iowa Saturday and the Jayhawks were without the services of their number one ground gainer, Bert Coan.

Even without Coan, Kansas gained 261 yards compared to 284 for the Hawkeyes. The Jayhawks have three wins and one tie in the Big Eight.

**First Place Tie**

Missouri's romp over the inoffensive Huskers was the worst beating of the season for Jennings' crew and kept the Tigers in a first place tie with Colorado, Missouri and Colorado are both 4-0 in the conference and the two teams tangle Saturday at Columbia, Mo., in a game that should decide the Big Eight Orange Bowl representative.

Nebraska's supposedly tough defense was rattled by Missouri's end sweeps as the Tigers rolled to 287 yards on the ground while holding Nebraska to 85 yards. Missouri ran 70 plays to only 48 for the Huskers and the Tigers enjoyed a 16-9 edge in first downs.

Six of Nebraska's first downs came via the air lanes, a phase of offense that the Huskers have generally ignored in their "two-plays into the middle of the line and then punt" offense.

Nebraska hit six of 14 forward passes for 100 yards while the Tigers connected on four of seven for 56 yards. Each team intercepted one aerial.

The Huskers contributed to the Missouri cause by losing five of seven fumbles on the muddy field. Missouri lost two of four fumbles. The Hus-

kers were not assessed a single penalty during the afternoon.

Nebraska was unable to mount a sustained drive with the only serious threat coming in the final minutes of the contest when the Huskers drove from their own 18-yard line to the Missouri seven-yard marker.

**Few Plays**

The Huskers had the ball for 12 plays on that drive, but Nebraska kept the ball for four plays or less 10 of the 13 times it had possession.

Nebraska took possession late in the fourth quarter when Dick Kosier recovered a Missouri fumble on the Nebraska 18-yard line and with John Faiman calling signals, the Huskers covered 75 yards in 12 plays before being halted on the Missouri seven.

Faiman hit Clay White with a pass covering 17 yards and after Dallas Dyer slanted for six, Faiman connected with Dick McDaniel for 11 yards and Don Purcell for 13 to put the ball at the Missouri 36-yard line.

A pass to Dyer gained 13 and Bennie Dillard moved to the 15-yard line before fumbling. Ron McDole saved the Huskers by punting on the ball. The drive stalled on the Tiger seven-yard line and Missouri ran two plays before the game ended.

Missouri scored once in each quarter in routing the Huskers. The first score came with 10:35 gone in the contest as Donnie Smith capped a 77-yard drive by going over from one-foot away.

The Tigers used 15 plays in moving to the touchdown the first time they gained control of the ball.

Smith also counted the second TD scoring from one yard out with 13:34 gone in the second stanza. Smith's touchdown came on the eighth play after the Tigers recovered a Nebraska fumble on the Husker 31-yard line.

The Tigers scored again on the third play of the second half with Norris Stevenson outrunning the Husker defenders on a 69-yard gallop for the score.

The play came on a third and three situation after Missouri took the second-half kickoff.

The final touchdown came on the first play of the fourth quarter as the Tigers intercepted a fumbled pitchout on the Nebraska 20 at the close of the third quarter.

Tiger quarterback Ron Taylor found Norm Beal with a pass in the end zone for the score. Bill Tobin added the extra point with a kick after each score.

**Clay Lead**

Bennie Clay led the Husker ball carriers with 20 yards on six plays. Thunder Thornton gained 14 yards on six carries, Clay White picked up 11 on one carry and Dillard gained 10 yards on five attempts.

Average-wise, White and Pat Clare were the rushing leaders with 11 and nine-yard averages respectively, but each carried the ball only once. Dyer had a 4.5 average on two plays.

Faiman kept his passing percentage above the .500 mark with four completions in seven attempts for 53 yards. Pat Fischer hit two of six for 47 yards.

**HUSKERS GANG UP ON TIGER**

"Nebraska is real tough, but I don't know about their offense. They don't use many sweeps," All-American candidate Danny LaRose said.

"Nebraska is the toughest team we have faced excluding Penn State," LaRose continued.

Tiger halfback Mel West said, "Nebraska hit real good and they pursue as well as any of the teams we have played. The linebackers are real good. They bottled up our sweeps more consistently than any other team."
