Nebraska Prep Star Leads Quatermilers

By Janet Sack
 Tom Saunders, who stands 6-3 and weighs 193 and looks more like a football player

than a track man, turned in a :49.2 for the 440 as a high school junior.

He is running the quarter primarily because his freshman coach told him to because of his long stride. Saunders was clocked in :53.6 in his first meet as a freshman.

In the Big 10 Meet, a meet between 10 Nebraska high schools from as far east as Fremont and as far west as Scottsbluff, Saunders turned in a :51.9 as a freshman.

With this :51.9 he broke the old Columbus high school record of :52.2. Saunders qualified for the state meet, but was disqualified in competition because he was less than two strides ahead of another man before he switched lanes.

As a sophomore Saunders ran a :49.4 in the state meet placing second. With this time he became the fourth fastest sophomore in the United States for that year.

Between his sophomore and junior years Saunders had an operation on his right knee for a split cartilage, which he got from broad jumping.

The knee healed well, but it has its drawbacks. Saunders said, "The constant racing on a track stiffens my knee. The longer I rub the slower I get."

Gold Medal

Saunders best year was as a junior. He ran the 440 in the State Meet in :49.2, the best in his career. This earned Saunders his first gold medal.

Fifteen minutes after running his best quarter, Saunders ran the 220 in 22.6 placing third.

In postal competition with all the states touching Nebraska, Saunders was the only first place for the state. He won the 440 with a :49.2.

In his last year of high school competition Saunders copped the 440 in the state meet with a :49.3, winning his second gold medal in this event. He also ran the 220 in :22.6 to place second.

In this meet he anchored the Columbus 880-relay team to victory in 1:30.6, breaking the 25-year old state record of 1:31.1.

During the Big 10 meet Saunders ran the 220 in :22.0.

Nared Shot Wins Game

By Norm Beatty

A twisting last second lay-up by John Nared gave the freshman White team a thrilling 65-63 victory over their intrasquad Red rivals last night in the Nebraska-Iowa State Teachers college preliminary game.

The 6-3 Omaha Central grad led his short, but hard fighting White team with 19 points and a majority of the team rebounds.

The outstanding individual effort of the evening, however, must go to the Red's 6-8 Bill Vincent who almost single-handedly pulled the game out of the fire with his clutch shooting. The former Omaha South star and high school all-American took scoring honors of the game with 28 points, most of which came on his patented sweeping hook shot from the corner and middle.

Linn Littlefield of Pryor, Oklahoma and Charlie Jones of Washington D.C. aided the White team with 16 and 15 counters respectively. Darly Petsch, 6-5 center from Marysville, Kans., helped the Reds with 17.

The box score:

Sparano Names 21 Grapplers For Invitational Tournament

Nebraska's wrestlers will get their first taste of inter-collegiate competition this season when they take part in the Iowa State Teachers College Invitational Saturday.

Coach Mickey Sparano named a 21-man squad to compete in the meet at Cedar Falls, Iowa. The Huskers will be competing against wrestlers from such power-laden teams as Iowa State,

Cornell College, Mankato, Iowa, Minnesota, Wartburg and Iowa Teachers.

"We expect Mike Nissen (123), Harold Thompson (157), Heavyweight Jim Raschke, Bert Peterson (137) and Dick Van Sickle (130) to do well in this pre-season meet," Sparano said.

Nebraska's freshman grapplers will also compete in the meet. No team points are kept. Raschke, Nissen and Thompson will serve as Husker tri-captains. Nebraska opens the campaign Dec.

Handball Club Formed

An attempt to organize a handball club at Nebraska is underway with four Husker students trying to get the ball rolling.

The club has been sanctioned by the Student Council and faculty sponsors have been selected, according to Myron Papadakis, one of the four organizers. The other three students working on the project are Al Cummins, Dick Chamberlain, and Paul Cotimes.

"The object of the club will be to teach the sport to beginners, promote handball tournaments, and to field an organized team in the National Handball tourney," Papadakis said.

The club also plans to enter tournaments at Omaha, Sioux City, Iowa, and Denver, Colo., according to Papadakis. The four members responsible for the organization of the club all participated in the National Handball tourney a year ago.

Persons interested in joining the handball club should contact Myron Papadakis at the Delta Upsilon house.
