

Sophs Hold Key To Cinder Success

By Janet Sack

Coach Frank Sevigne will have to rely heavily on his corp of sophomore thinclads to turn in a good indoor season.

With the loss of two of his best men of last year, Joe Mullins and Joe American Horse, Sevigne looks to the 12 sophomores to balance his 5 juniors and 5 seniors.

The Husker hurdlers will be well represented. Bill Fasano, junior, has done :07.2 in the 60-yard lows. Milt Kaedt, senior, will be running the 60-yard highs and has been timed in :07.4. Kaedt will be available to run the lows if necessary.

Bob Knaub, senior, has a 60-lows time of :07.0. Fred Wilke, sophomore, turned in the times of :07.4 and :07.1 in postal competition in the 60-highs and lows respectively last year.

Perhaps the biggest hopes of the hurdlers will be pinned on sophomore Ron Moore who has skinned the highs in :07.1 and the lows in :06.8. Moore turned in these times in postal competition last year.

Soph Leads

Steve Pfister, sophomore, has the best time of the Husker 60-yard dash men. Pfister recorded a :06.3 in postal competition last year, but after the indoor season he ran a :06.2 to tie the Big Eight frosh record.

Al Edwards, senior, has turned in a :06.3 for the short sprint. Sophomore Bernie Clay also will be running the 60.

The Huskers will be rather short on quartermilers. Richard Hoelscher, soph, has run the 440 in :51.5. LeRoy Keane, junior, had a :49.9 in practice last year. Keane may be called on to run the 600. His best effort in that event is 1:13.7.

Rich Kier, junior, has a 600-yard time of 1:12.5. At the Big Eight indoor conference meet last year, Kier ran the 880 in 1:55 to set a Nebraska varsity record. Kier may be called on to help in the 440 which he has done in :50.1.

The three remaining middle distance men are sophomores. The Scott twins, Joe and Clarence, will be running anything from the 600 through the mile. Clarence

turned in a 1:14.5 for the 600, a 2:00 for the 880, and a 2:19.1 for the 1,000. His brother, Joe, has a 1:59 for the 880, a 2:19.2 for the 1,000, and a 4:32 mile.

Soph Bill Kenny will be running the 600, 880, and 1,000. His 600 time is 1:14.3; his 880 time is 1:57.7; and his time for the 1,000 is 2:18.8.

Short in Distances
Coach Sevigne will be short in the distance field. His only two men are Ray Stevens, sophomore, and Paul Nielsen, junior. Stevens ran the mile in 4:22.9 last year and turned in a 9:47.1 for the 2-mile run.

While the distance will be his main field of concentration, Stevens turned in a 2:18.1 in the 1,000 last year and a 1:57.7 in the 880. Nielsen will be a 2-miler only. He has a time of 9:51.

In the broad jump Wilke and Knaub will represent the scarlet and cream. Wilke leaped 22.3 last year with Knaub's best effort being a 23.9½.

Vayden Anderson, soph,

high jumped 6-0 in postal competition last year. Wilke turned in a 6-2 for the high jump.

Jim Kraft, senior, leads the team in pole vaulting with a 14-2. Larry Donovan, soph, cleared the bar at 12-8½ as a frosh.

Three weight men will help carry the burden in the field events. Al Wellman, senior, pushed the shot 52-½ last year. Don Houser, soph, threw the iron ball 51-6. The other weight man, Larry Reiners, a junior transfer from McCook, has never participated in indoor track. His best outdoor effort is 49-2.

As has been the situation in the past years, the majority of the points will be garnered by the men on the track. The strongest field events will probably be the broad jump and the high jump.

Sevigne said he could not predict how the team would do this year because "they haven't been working out long enough for me to make any definite statement."

Groth Cops Nebraskan Star of Week Award

By Cloyd Clark

The swimming squad captured the second consecutive Star of the Week award the past week as Jay Groth succeeds Joe Stocker as the outstanding performer.

Groth set records in the 440-yard freestyle and the 220-yard freestyle Saturday against Oklahoma. The 6-1 sophomore started the weekend by cutting 11.5 seconds off the 440 record with a 5:02.4 against Emporia State Friday.

Saturday Groth swam

The Pacers 43, Renegades 38

against the top team in the conference and established records of 5:01.4 and 2:18.1 for the 440 and 220 freestyle events.

Swimming coach Dick Klaas said that he was not expecting such performances from Groth in the early meets, but he was sure that Groth had "found himself" and should the remainder of the season.

"Groth has improved since high school and especially this year because of his exposure to good swimmers," Klaas observed.

The Husker sophomore began swimming competitively in his junior year at Lincoln Southeast. He set state records in both the 200 and 400-yard freestyle events during his senior year. His 400 record still stands.

Groth classifies swimming as a "tough sport." He says, "It's underrated. A lot of people don't realize how difficult (physically) it is. I think it's the most taxing individual sport."
