

How to pass your Fashion Final

From 8 a.m. ★"Exodus" to lights-out, the eyes of campus are upon you, and whether you're swinging with ★"B.M.O.C." or snoozing during a Q.U.I.Z., there's a sure way to cool every fashion test (and without worrying about ★"Do-Re-Mi.") Style for Spring '61 has some wonderfully new ★"Standards in Silhouette" with the newest, most exciting colors ever. Wearing apparel for the men about campus has taken a turn with emphasis on color, too. (Discriminating, of course.) And, the ★"Button Down Mind Strikes Back" with even shorter skirts. (Ah-hem!) All the new ★"Inside" and ★"Outside" wearables (we call them famous-brand, fashion magazine favorites) are at 13th and O. Take ★"Time Out" . . . stop in and see for yourself why smart campus men and women are just mad about Miller's Men's Store, first and Sportswear, second.
