

Dents, Navy Top Independent '5'

Playmaker For Navy Is Captain

Dents Represented By Lytle Brothers

By Cloyd Clark

Spunk, skill and scoring are the qualities of the 1961 Daily Nebraskan all-independent intramural basketball team which includes two Dents, two Navy men and one Pacer.

Dean Prazak of Navy is captain of this year's squad. Others on the team are Mike Stacey of Navy, brothers Joe and Larry Lytle of Dents and Neal Pocock of Pacers.

Prazak, Stacey and the Lytle brothers have participated in college basketball and the fifth member of the team, Pocock, played freshman baseball at Nebraska.

Prazak, spunky leader of Navy's championship independent team, shared scoring honors for the busy Navy team with Stacey. The 5-11, 165-pounder from Clarkson is a junior in Mechanical Engineering.

Prazak played freshman basketball at Nebraska and was a member of the Varsity team his sophomore year.

Stacey is the "big man" on the all-star squad. The 6-3 center took charge of the rebounding department for the NROTC team as the sailors competed in the Lincoln City League and national NROTC competition in addition to the intramural league play.

Stacey led his hometown, Weeping Water, into the 1959

state high school basketball tournament and was named to the Lincoln Journal's all-state class C team in 1959.

He was a member of the freshman cage squad last

year at Nebraska. The Navy stalwart is a sophomore in Arts and Sciences with majors in political science and philosophy.

Dent College center Joe Ly-

tle joins Stacey in the front line. The 6-3 Dent center was instrumental in putting the Dent team in the runner-up position in the independent tournament. The Dents tied NROTC for the top spot in the season standings among the independents.

Lytle scored 14 points when the Dents upset the Navy team in the independent tournament, 32-30, and was an important cog in the Dents' efforts against the freshman basketball team in their season series.

Joe played center for the Chadron State Teachers College five before enrolling in the Dental College at Nebraska.

His brother, Larry, helped the Dents roll to a 24-7 season record. Larry was an all-state choice when Chadron

Prep won the 1952 state basketball tournament in Class B.

He stands 6-1 and weighs 165 pounds. He played basketball at Chadron State for four years and was runnerup to brother Joe this season in scoring and rebounding honors for the Dent quintet.

Pocock rounds out the Daily Nebraskan five as he led his Pacer team to the crown in League 8-A during the regular season and to the semifinals of the tournament action before being eliminated by the Dents.

The 5-11 guard from Ord led the scoring and was playmaker for the Pacer team. He is a senior in Civil Engineering.

Honorable mention choices were Larry Kovar of Phi Epsilon Kappa, Wes Berry of Dents, Mick McGowan of Nationals and Don Treadway of Law College.

Independent All-Stars

Pos.	Name	Ht.	Class
F	Joe Lytle, Dents	6-3	Sr.
F	Larry Lytle, Dents	6-1	Sr.
C	Mike Stacey, Navy	6-3	Soph
G	Dean Prazak, Navy	5-11	Jr.
G	Neal Pocock, Pacers	5-11	Sr.

Honorable Mention — Larry Kovar, Phi Epsilon Kappa
Wes Berry, Dents; Mick McGowan, Nationals; Don Treadway, Law College.

AAU Gymnastics Meet Scheduled for Saturday

By Hal Brown

Nebraska's gymnasts will return to action at 2 p.m. Saturday in the Physical Education Building when they go after their seventh Midwest AAU crown in eight years.

The meet was started in 1954 and Coach Jake Geier's gymnasts have won every year but 1959 when they were halted by a snowstorm and never made it to Hastings for the competition.

Three teams have entered the tournament with Nebraska's varsity and freshman gymnasts entering as one team. Other teams are the Omaha Sokol Hall and the Lincoln Gym Club, composed of top gymnasts from Lincoln high schools.

Two events will be run at a time and all events will be finals. Events include free exercise, rebound tumbling, rope climb, sidehorse, high bar, parallel bars, flying rings, still rings, tumbling and all-around.

All-around consists of scores from six events—free exercise, sidehorse, high bar,

parallel bars and either flying rings or still rings.

Nebraska entries will be: Dennis Albers, all-around; Dennis Anstine, all-around; Bill Brass, tumbling, rebound tumbling; Lou Berkel, all-around; Herb Hanich, flying rings, still rings, rope climb, parallel bars.

Gene Hart, sidehorse; Gerald Harvey, free exercise, tumbling; Larry Hojer, horizontal bar; Richard McCoy, all-around; Doug Moore, rebound tumbling, flying rings, still rings, rope climb; Steve Swihart, free exercise, rebound tumbling, tumbling; Larry TeSelle, sidehorse; Charles Williams, free exercise, tumbling, rope climb; Tom Sitzman, parallel bars, rope climb, still rings.

Anstine, Brass, Berkel, Hanich, Hart, McCoy, Moore, and Williams are members of the Husker Varsity. Albers, Harvey, Hojer, Swihart, TeSelle and Sitzman are freshman.

Superior Ace Chooses NU

Larry McCord, all-stater from Superior, will enroll at the University of Nebraska next fall, Coach Bill Jennings announced.

McCord has won four letters in football, basketball and track and has won two baseball letters while at Superior High School.

Larry is 6-0 and weighs 185. Coming from the home town of Ed Weir, twice an All America while playing at Nebraska, McCord says:

"I think football is the greatest sport in America. Therefore I get a great thrill just being able to play the game."

His greatest sports thrill came the evening he scored three touchdowns against Central City to pull Superior into a 20-20 tie. One came on a recovered fumble followed by a 93-yard run.

Science reveals way to stay stronger longer

Lack of endurance takes a lot of the fun out of sports for many part-time athletes. Now science has discovered an easy way to increase muscle stamina.

Now available at all drugstores is Absorbine Jr. WARM-UP—the invigorating rub you use before exercise. WARM-UP has proved in clinical research to make muscle power last longer.

Clinical studies reveal the time required to fatigue a muscle treated before exercise with WARM-UP is almost double that of an untreated muscle. Using the Electromyograph (electronics' newest

medical tool) doctors could actually see WARM-UP almost double muscle endurance.

Now you can have longer-lasting muscle power for sports and exercise. Whenever you want extra endurance, rub on WARM-UP before you start. See if you don't have more stamina. WARM-UP is available at all drugstores.
